

Department of Veterans Affairs

§ 1.656

(b) The term *employee* or *Government employee* means any officer or employee, civilian or military, of the Department of Veterans Affairs. Part-time, without compensation (WOC) employees and part-time consultants are included.

(c) The term *Secretary of Commerce* means the Under Secretary of Commerce for Technology.

[21 FR 10377, Dec. 28, 1956, as amended at 31 FR 5291, Apr. 2, 1966; 61 FR 29658, June 12, 1996]

§ 1.652 Criteria for determining rights to employee inventions.

(a) The criteria to be applied in determining the respective rights of the Government and of the employee-inventor in and to any invention subject to these provisions shall be in accordance with the Uniform Patent Policy regulations found at 37 CFR 501.6 and 501.7.

(b) Ownership in and to inventions arising under Cooperative Research and Development Agreements (CRADAs) pursuant to 15 USC 3710a shall be governed by the provisions of the pertinent CRADA, as authorized by the Federal Technology Transfer Act.

(Authority: 15 U.S.C. 3710a; 37 CFR part 501)

[61 FR 29658, June 12, 1996]

§ 1.653 Delegation of authority.

The General Counsel, Deputy General Counsel or Assistant General Counsel for Professional Staff Group IV is authorized to act for the Secretary of Veterans Affairs in matters concerning patents and inventions, unless otherwise required by law. The determination of rights to an invention as between the Government and the employee where there is no cooperative research and development agreement shall be made by the General Counsel, Deputy General Counsel or the Assistant General Counsel for Professional Staff Group IV, in accordance with 37 CFR part 500.

[62 FR 14822, Mar. 28, 1997]

§ 1.654 Patenting of inventions.

Any invention owned by the Government under the criteria as set forth in 37 CFR 501.6 should be protected by an application for a domestic patent and

other necessary documents executed by the employee inventor prepared by or through the General Counsel, Deputy General Counsel or Assistant General Counsel for Professional Staff Group IV, unless some other agency has primary interest or it is decided to dedicate the invention to the public. Such dedication requires approval of the Secretary of Commerce. Applications on behalf of the Government for foreign patents may be made if determined to be in the public interest. The payment of necessary expenses in connection with any application filed or patent obtained under this section by the Department of Veterans Affairs is authorized.

[31 FR 5291, Apr. 2, 1966, as amended at 54 FR 26027, June 21, 1989; 61 FR 29658, June 12, 1996; 62 FR 14822, Mar. 28, 1997]

§ 1.655 Government license in invention of employee.

If an invention is made by an employee and it is determined that the employee inventor is entitled to full ownership under 37 CFR 501.6, subject to a nonexclusive, irrevocable, royalty-free license in the Government with power to grant sublicenses for all Governmental purposes, it shall be the duty of the employee inventor to notify the Office of General Counsel of the status of the patent application, including the patent application number, so that the Department may protect the interests reserved to the Government under 37 CFR 501.6.

[61 FR 29658, June 12, 1996]

§ 1.656 Information to be submitted by inventor.

(a) In the case of an invention or believed invention, the inventor will prepare a statement for submission to his or her immediate superior. It will be submitted regardless of where the ownership is believed to exist. The statement will consist of two parts:

(1) One part of the statement will be a disclosure of the invention sufficient to permit the preparation of a patent applicant. It shall consist of a description, including where applicable, of the parts or components of the invention as shown on the drawings or blueprints, accompanied further by a description of the construction and operation of

§ 1.657

the invention. Photographs of the invention may be included. The inventor should state pertinent prior art known to him or her, and set forth in detail as clearly as possible the respects which his or her invention differs.

(2) The other part of the statement will set forth the circumstances attending the making of the invention. It will include the full name and address of the inventor; the grade and title of his or her position; whether full time or part time; his or her duties at the time the invention was made; the facts pertinent to a determination whether the invention bore a direct relation to or was made in consequence of such official duties; whether there was, and if so, the terms of any special agreement or understanding with respect to use or manufacture of his or her invention; date of the invention; when and where it was conceived, constructed and tested; whether it was made entirely during working hours; whether, and to what extent there was a contribution by the Government of any of the following: Facilities; equipment; materials or supplies; funds; information; time or services of other Government employees on duty. When the invention is disclosed through publication, or in consultation with a manufacturer or attorney, simultaneous notification of the publication shall be given to the Office of General Counsel. A copy of the article will accompany the notification.

(b) The inventor's immediate superior shall promptly review the statement of the employee inventor for completeness and accuracy, and shall certify that the employee's statement of circumstances attending the invention is or is not correct, giving reasons if pertinent. The file should then be submitted through the facility head (or administration heads or top staff officials in the case of Central Office employees) to the General Counsel together with any comments or recommendations.

[61 FR 29658, June 12, 1996]

§ 1.657 Determination of rights.

The General Counsel, Deputy General Counsel or Assistant General Counsel for Professional Staff Group IV will make a determination of rights subject

38 CFR Ch. I (7-1-02 Edition)

to review where required by the Secretary of Commerce. The determination will be in accordance with 37 CFR 501.7.

[61 FR 29658, June 12, 1996, as amended at 62 FR 14822, Mar. 28, 1997]

§ 1.658 Right of appeal.

In accordance with 37 CFR 501.8, the employee has a right of appeal to the Secretary of Commerce within 30 days of receipt of the Department's determination of ownership rights. The decision reached by the Secretary of Commerce will be communicated to the employee.

[61 FR 29658, June 12, 1996]

§ 1.659 Relationship to incentive awards program.

Procedures set out in the regulations concerning inventions by employees of the Department of Veterans Affairs are not affected by the submission or proposed submission of an employee suggestion or idea on an item which may be patentable. Consideration of an item for a determination of ownership rights and also for an incentive award will proceed simultaneously, usually on separate correspondence. An employee suggestion or copies and extracts of the file may be forwarded to the General Counsel by the reviewing or awarding authority, or by the facility head, for an ownership determination where the employee idea or suggestion involves an invention. The employee shall be directed to submit a disclosure of invention in accordance with these regulations if such has not been previously submitted.

[31 FR 5291, Apr. 2, 1966, as amended at 61 FR 29659, June 12, 1996]

§ 1.660 Expeditious handling.

No patent may be granted where the invention has been in public use or publicly disclosed for more than one year before filing of a patent application. Hence, submissions involving inventions should be made as promptly as possible in order to avoid delay which might jeopardize title to the invention or impair the rights of the inventor or the Government.
