§ 1.912a

be jeopardized by deferral of offset. In such a case, notification pursuant to paragraph (b) of this section shall be made at the time offset begins or as soon thereafter as possible.

(2) If the United States has obtained a judgment against the debtor, offset may commence without the notification required by paragraph (b) of this section. However, a waiver request filed in accordance with the time limits and other requirements of § 1.963 or § 1.964 will be considered, even if filed after a judgment has been obtained against the debtor. If waiver is granted, in whole or in part, refund of amounts already collected will be made in accordance with § 1.967.

(e) *Hearing.* (1) After a debtor requests a hearing, VA shall notify the debtor of the form of the hearing to be provided; i.e., whether the hearing will either be oral or paper. If an oral hearing is determined to be proper by the hearing official, the notice shall set forth the date, time, and location of the hearing. If the hearing is to be a paper review, the debtor shall be notified that he or she should submit his or her position and arguments in writing to the hearing official by a specified date, after which the record shall be closed. This date shall give the debtor reasonable time to submit this information.

(2) Unless otherwise required by law, an oral hearing under this paragraph is not required to be a formal evidentiary type of hearing.

(3) A debtor who requests a hearing shall be provided an oral hearing if VA determines that the matter cannot be resolved by review of documentary evidence. Whenever an issue of credibility or veracity is involved, an oral hearing will always be provided the debtor. For example, the credibility or veracity of a debtor is always an issue whenever the debtor requests a waiver of collection of the debt. Thus, a hearing held in conjunction with a waiver request will always be an oral hearing. If a determination is made to provide an oral hearing, the hearing official may offer the debtor the opportunity for a hearing by telephone conference call. If this offer is rejected or if the hearing official declines to offer a telephone conference call, the debtor shall be pro-

vided an oral hearing permitting the personal appearance of the debtor, his or her personal representative, and witnesses. Witnesses shall testify under oath or affirmation.

(4) In all other cases where a debtor requests a hearing, a paper hearing shall be provided. The debtor shall be provided an opportunity to submit material for the record. A paper hearing shall consist of a review of the written evidence of record by the designated hearing official.

(f) When collecting multiple debts by administrative offset, VA will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitation. In accordance with 4 CFR 102.3(b)(3), VA may not initiate offset to collect a debt more than 10 years after VA's right to collect the debt first accrued (with certain exceptions as explained in § 102.3(b)(3)).
