

§ 1.919

38 CFR Ch. I (7-1-02 Edition)

in which the litigative risks or the costs of litigation dictate such action.

[52 FR 42107, Nov. 3, 1987]

§ 1.919 Interest.

(a) Except as otherwise provided by statute, contract, or other regulation to the contrary, VA shall assess:

(1) Interest on all indebtedness to the United States arising as a result of participation in VA benefit programs which are being paid in installments,

(2) Interest and administrative costs of collection on debts where repayment has become delinquent, and

(3) Interest, penalties, and administrative costs on all nonbenefit debts in accordance with 4 CFR 102.13.

(b) Every party entering into an agreement with the Department of Veterans Affairs for repayment of indebtedness in installments shall be advised of the interest charges to be added to the debt. All debtors being provided notice of indebtedness, including those entering into repayment agreements, shall be advised that upon the debt becoming delinquent, or in the case of repayment of already delinquent debts, interest and the administrative costs of collection will be added to the principal amount of the debt.

(c) The rate of interest charged by VA shall be based on the rate paid by the United States for its borrowing as published in the Treasury's Cash Management Regulations (ITFM 6-8000). The rate of interest shall be adjusted annually on the first day of the calendar year to reflect the average rate being charged in accordance with the Treasury's Cash Management Regulations. Once the rate of interest has been determined for a particular debt, the rate shall remain unchanged throughout the duration of repayment of that debt.

(d) Interest on amounts covered by § 1.919 shall accrue from the date the initial notice of the debt is mailed to the debtor. Notification shall be considered sufficient when effected by ordinary mail, addressed to the last known address, and such notice is not returned as undeliverable by postal authorities.

(e) Interest under this section shall not be charged if the debt is paid in full within 30 days of mailing of the initial

notice described in paragraph (b) of this section. Once interest begins to accrue, and after expiration of the time period for payment of the debt in full to avoid assessment of interest and administrative costs, any amount received toward the payment of such debt shall be first applied to payment of outstanding administrative cost charges and then to accrued interest or costs, and then to principal, unless a different rule is prescribed by statute, contract, or other regulation.

(f) All or any part of the interest and administrative costs assessed under this section are subject to consideration for waiver under section 5302 of title 38 U.S.C., and appropriate administrative procedures.

(1) In general, interest and administrative costs may be waived only when the principal of the debt on which they are assessed is waived by a Committee on Waivers and Compromises. However, VA may forbear collection of interest and administrative costs, exclusive of collection of the principal of the debt on which they are assessed, as well as terminate further assessment of interest and administrative costs when the collection of such interest and costs are determined to be not in the government's best interest. Collection of interest and administrative costs shall not be considered to be in the best interest of the government when the amount of assessed interest and administrative cost is so large that there is a reasonable certainty that the original debt will never be repaid. The determination to forbear collection of interest and administrative cost, exclusive of collection of the principal of the debt, shall be made by the Chief of the Fiscal activity at the station responsible for the collection of the debt. Such a determination is not within the jurisdiction of a Committee on Waivers and Compromises.

(2) When a debtor requests a waiver of collection of the indebtedness, interest and administrative costs shall not be assessed until either

(i) A Committee on Waivers and Compromises has considered the request and rendered an initial decision, or

(ii) The applicable time limit for requesting waiver, as stated in 38 U.S.C.

(g) Administrative costs assessed under § 1.919 shall be the average costs of collection of similar debts, or actual collection costs as may be accurately determined in the particular case. No administrative costs of collection will be assessed under § 1.919 in any cases where the indebtedness is paid in full prior to the 30 day period specified in paragraph (e) of this section, or in any case where a repayment plan is proposed by the debtor and accepted by the Department of Veterans Affairs within that period, unless such repayment agreement becomes delinquent.

In making any disclosure under this section, VA will provide consumer reporting agencies with sufficient information to identify the individual, including the individual's name, address, if known, date of birth, VA file number, and Social Security number.
