Methodology Utilized by WD to Estimate Sales Data

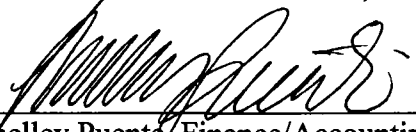

The values above for the number of units sold in Utah was estimated based on sales data for the shipment of products from 1/1/2012 – 12/31/2012 in the United States multiplied by the population percentage of Utah relative to the United States total population according to 2012 Census Bureau data.

Description of Mail Back Program and Handling of Covered Electronic Devices

In accordance with Utah State Bill, Section 19-6-1203, Westinghouse Digital consumers have access to our free mail back program for televisions. Details and instructions are available at <http://westinghousedigital.com/support/recycling-information/>. In addition, WD provides information to consumers in multiple ways on how and where they should recycle covered electronic devices. A toll-free number is included in the documentation with each product for addressing any consumer inquiries including the proper handling and disposal of electronic waste.

The foregoing information constitutes the collective efforts of various employees and agents of Westinghouse Digital, LLC. Except for good faith estimates included in this report, it is hereby certified, under penalty of perjury under the laws of the State of California, that the information contained report is true and correct to best of my knowledge and belief.

Respectfully submitted,
