Re: Notice of Registry Agreement Termination by ICANN org for .wed

Dear Adrienne McAdory,

This letter constitutes written notice that ICANN org is terminating the .wed Registry Agreement entered into between ICANN org and Atgron, Inc. (Atgron) on 1 October 2013, pursuant to which Atgron operates the .wed generic top-level domain (gTLD). ICANN org is terminating the .wed Registry Agreement pursuant to Section 4.3(a) of the .wed Registry Agreement. Termination of the .wed Registry Agreement is effective as of 5 October 2020.

On 7 December 2017, Atgron was issued a [Notice of Breach](#) by ICANN Contractual Compliance. Subsequently, and pursuant to Section 4.3(a) and Article 5 of the Registry Agreement, ICANN org initiated termination proceedings through mediation and arbitration. On 16 September 2020, an arbitrator found that Atgron was in breach of the .wed Registry Agreement for non-payment of Registry-Level Fees. Atgron failed to cure its breach of the .wed Registry Agreement by the ten (10) calendar day deadline set forth in Section 4.3(a) of the Registry Agreement.

Pursuant to Section 4.5 of the Registry Agreement, following termination of the .wed Registry Agreement, ICANN org will conduct an assessment and make its determination whether to transition operation of the .wed gTLD to a successor registry operator.

You should be aware of the following related to the termination of the .wed Registry Agreement:

- Both the [.wed Registry Agreement webpage](#) and the [Registry Agreement Termination Information Page](#) will be updated to reflect termination-related notices and activities.

As noted above, the .wed Registry Agreement is terminated in accordance with its terms as of 5 October 2020. ICANN org reserves all of its rights under the .wed Registry Agreement. Please note the rights and obligations set forth in the .wed Registry Agreement shall remain in effect after the expiration or termination of the .wed Registry Agreement, as indicated in Section 4.6 of the .wed Registry Agreement.

Pursuant to Section 4.6 of the .wed Registry Agreement, Atgron is required to pay all unpaid Registry-Level Fees and all other costs or fees owed to ICANN org. Please immediately submit payment to ICANN Accounting at accounting@icann.org.
