RE: NOTICE OF BREACH OF REGISTRAR ACCREDITATION AGREEMENT

Dear Ms. Irazoqui,

Please be advised that as of 7 May 2013, Dattatec.com SRL (Dattatec) is in breach of its Registrar Accreditation Agreement ("RAA") with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 20 September 2011 ("RAA"). These breaches result from:

- Failure to take reasonable steps to investigate claimed Whois inaccuracies, as required by Section 3.7.8 of the RAA;
- Failure to maintain registration records as required by Section 3.4.2 of the RAA; and
- Failure to make registration records available upon request by ICANN, as required by Section 3.4.3 of the RAA.

In addition, Dattatec has been deemed noncompliant in the following areas:

- Failure to display a link to ICANN's Registrant Rights and Responsibilities webpage on Dattatec's website, as required by Section 3.15 of the RAA; and
- Failure to timely pay accreditation fees, as required by Section 3.9 of the RAA.

Please refer to the attachment for details regarding these breaches.

ICANN requests that Dattatec cure these breaches by 28 May 2013, 15 working days from the date of this letter, by taking the following actions:

1. Provide records demonstrating that Dattatec investigated the Whois inaccuracy claims concerning the domain names <uskyokvagmo.com>, <wriemfojr.com>, <rogtocdoht.com>, and <rymloiwumm.com>. This includes copies of Dattatec's correspondence with the registrants while investigating the Whois inaccuracy claims (including dates and times and means of inquiries, telephone numbers, e-mail addresses, and postal addresses used) in accordance with Section 3.4 of the RAA;
2. Clearly display a link to ICANN's Registrant Rights and Responsibilities webpage on Dattatec's website; and
3. Pay all past due accreditation fees in the amount of \$5,673.06. Please see the enclosed customer statement for details.

If Dattatec fails to timely cure these breaches and provide the requested information, ICANN may commence the RAA termination process.

ATTACHMENT

1. Failure to Take Reasonable Steps to Investigate and Correct Claimed Whois Inaccuracies

Section 3.7.8 of the RAA requires registrars, “upon notification by any person of an inaccuracy in the contact information associated with a Registered Name sponsored by Registrar, take reasonable steps to investigate that claimed inaccuracy. In the event Registrar learns of inaccurate contact information associated with a Registered Name it sponsors, it shall take reasonable steps to correct that inaccuracy.”

ICANN sent Dattatec Whois inaccuracy reports regarding the domain names <uskyokvagmo.com>, <wriemfojr.com>, <rogtocdoht.com>, and <rymloiwumm.com>. Dattatec did not respond to these notices. As detailed in the chronology, ICANN sent Dattatec three compliance notices concerning each domain name requesting that Dattatec demonstrate that it took reasonable steps to investigate the Whois inaccuracy claims. Dattatec failed to provide the information requested to demonstrate compliance.

2. Failure to Retain Registered Name Holder and Registration Data and Failure to Make Such Data Available for Inspection and Copying

Section 3.4 of the RAA requires registrars to maintain Registered Name Holder and registration data and make those records available to ICANN upon reasonable notice.

ICANN requested that Dattatec make registration records available to ICANN concerning specific domain names identified as containing inaccurate Whois data. Dattatec’s repeated failure to provide the registration records requested is a breach of Sections 3.4.2 and 3.4.3 of the RAA.

3. Failure to Timely Pay Required Fees

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Dattatec currently owes ICANN \$5,673.06 in past due accreditation fees.

Dattatec failed to comply with its obligation to timely pay accreditation fees which constitutes a breach of Section 3.9 of the RAA.

4. Failure to Display a Link to ICANN's Registrant Rights and Responsibilities Webpage

Section 3.15 of the RAA requires Dattatec to provide a link to ICANN's Registrant Rights and Responsibilities webpage on its website.

ICANN staff checked Dattatec's website and could not find a link to ICANN's Registrant Rights and Responsibilities webpage on its website. Dattatec's failure to provide the required link is a breach of Section 3.15 of the RAA.
