

Which member of the European Parliament (MEP) should you choose, to send the face-mask that raises awareness on the wide spread of facial recognition?

We prepared a list below with the most important names we must reach. We'd like to cover as many from this list as possible. Once an MEP has received a mask, we'll cross them out.

If you want to know which MEPs represent your country and in which political group they are, check <https://www.tttp.eu/>
