USPS SKU User Guide

Version 2.6

12/3/2020

Table of Contents
Each USPS Product and Service can be identified using a Stock Keeping Unit (SKU). Each digit, or group of digits within the SKU corresponds to product/service descriptors or rate ingredients to map directly to the appropriate price for the Product or Service.

Type

If the Type for the Product/Service is Periodicals (H), Extra Service and Surcharge (X), PO Boxes (1), Services and Fees (2), Stationery (3), or AMS (4), the remainder of the SKU follows alternate definitions than the Standard SKU. See sections below for alternate SKU Definitions:

- For Periodicals, see section titled Periodicals.
- For Extra Service and Surcharge, see section titled Extra Service.
- For PO Boxes, see section titled PO Boxes.
- For Services, Fees and Incentives, see section titled Services, Fees and Incentives.
- For Stationery, see section titled Stationery.
- For AMS, see section titled AMS.
