SPECIAL REQUIREMENTS:

- GXG will accept shipment of Israeli origin. However, this country may not allow such imports.
- Shipments with undeclared values or misdeclared quantities risk delays and/or confiscation.
- Baghdad Clearance: All non document shipments, regardless of value or destination city are cleared at Erbil International Airport (ERB), with the exception of diplomatic shipments (DIP note), Military shipments (LEW) and commercial shipments specifically requested to be cleared through Baghdad International Airport (provided that the recipient hold an Import License). Below are the updated procedures for clearing military and commercial shipments (if requested by customer) via Baghdad International Airport. Military shipments: Clearance requirements at Baghdad Airport (BGW) below: 1) All Levy Exemption Waiver (LEW) and DIP Note (Military) shipments are cleared through Baghdad International Airport (BGW). 2) Military to Military shipments are exempt from duty and taxes but must have approved LEW (Levy Exemption Waiver). 3) After receipt of LEW approval, email the approved LEW to iq@mail.fedex.com. In the subject line, enter Approved LEW and FedEx Air Waybill number. 4) Shipments to recipients, who hold import license can be cleared at BGW, provided Shipper sends an email to

IQ@CORP.DS.FEDEX.COM and XTRNL-IRAQCS@MAIL.FEDEX.COM prior to shipment being dispatched from origin.

- 5) Only Foreign Military Sales (FMS) cargo is eligible for Levy Exemption Waivers (LEW). All LEWs must include FMS CASE # on the LEW FORM in the designated field (NO EXCEPTIONS) and all LEW requests should include the Front Page Only of the Letter of Authorization (LOA) associated with the FMS case # for the request if possible. All the LEW requests must be submitted to: osCommercial Invoice.lew@iraq.centcom.mil (note, the previous contact CMDbattlebox@gmail.com is no longer valid). "Note: Foreign Military Sales (FMS) is equipment purchased by Iraq from US Military and/or its contractors. For LEW procedure and form please send request to IQ@CORP.DS.FEDEX.COM & XTRNL-IRAQCS@MAIL.FEDEX.COM.
- Commercial Shipments: Clearance requirements if clearance requested by customer at Baghdad Airport (BGW) provided that recipient holds import license: 1) A Certificate of Conformity and a Certificate of Origin duly legalized by Iraqi Embassy at the origin are required if clearance is required at BGW for the following items regardless of value and weight: Foods, Meats, Fruits, Vegetables, Drinks, juices, Cosmetics, soaps, Dishes, glasses, Paints, Tires, tubes, Toys, Plastic pipes, Cleaning products, Shoes, Tableware, Food containers, vessels, Electrical home appliances, Steel rods, Air conditioners, Batteries, Cables, Lightening, household fittings, Men/women underwear, Safety glass for vehicles, Chinese porcelain tableware, Cement, Building clay blocks, Bed sheets and blankets. A Customs fine of 250,000 Iraqi Dinar (approximately \$211 US) will be levied if a Certificate of Origin is not accompanied with the above commodities. However, no Certificate of Conformity and Certificate of Origin required if cleared at ERB. 2) Shipments held in BGW Customs after 6 months upon arrival will be automatically destroyed. 3) Herbal medicines, vitamins and herbs require Ministry of Health approval from recipient.
- Erbil Clearance: Personal and Commercial shipments (non-military) clearance requirements a Erbil International Airport (ERB).
- For all non-documents, a detailed Commercial Invoice and packing list is required regardless of value.
- All the above approvals must be obtained by recipient and therefore recommend shippers to check with recipients prior to import.

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Duty/Tax free entry allowed for gifts valued up to 45 Euro (approximately \$72 US). Unsolicited gifts must be shipped from one private individual to another private individual and should not contain coffee, tea, oil, meat or poultry products. Any gift shipments which contain food will be assessed at the rate of excise for that particular product. All gift shipments must travel with a Commercial/Proforma Invoice and clearly state the contents of the shipment with individual values assigned to each item. Confectionary: A list of ingredients are required. The following breakdown is also required for each product: Milk Fat, Milk Proteins, Starch/Glucose, Sucrose/Invert, Sugar/Isoglucose. Failure to supply this information will delay or prevent Customs clearance.

SPECIAL REQUIREMENTS:

- All shipments from the United States containing Non-Manufactured Wood Packing Materials of coniferous wood must be treated and marked.
- Temporary imports - Require a Customs and Excise form C&E1047. The Commercial/Proforma Invoices need to clearly state the contents of the goods and individual values. It must also clearly state that the goods are being imported into Ireland temporarily. Forms can be downloaded from <http://www.revenue.ie/en/customs/forms/index.html>. The original completed, signed form can then travel with the package to speed up the clearance process. There is usually a minimum of 24 hours delay and ancillary charge of 40 Euro (approximately \$54 US).
- Return shipments require a Commercial Invoice stating the shipment is being returned and reason. It must also state the value of the products separate to a repair value, if applicable. Please note the value of the product must be the same value of the product when initially exported.
- Unaccompanied Baggage - These type of shipments must be stated on the Commercial Invoices to include: a full detailed description of the goods and the unit value of the contents. There will be an ancillary charge for non-resident customers visiting Ireland and must be billed by credit card billing only payable in Ireland. The shipment must not include any restricted or prohibited goods. Please note recipient must also supply a copy of their Passport and their flight itinerary showing their date of departure.
- All Commercial Invoices and Air Waybills (shipping labels) must be completed to indicate the name and address of the actual shipper and not the Shipping

IRELAND, REPUBLIC OF (IE) - (continued)

Company or Agents or any Third Party names and address. Failure to indicate the actual shippers name and address will result in the goods being delayed and subsequently returned to the shipper at their expense.

Footnotes:

- 70 Shipments going from a European Union (EU) country that contains pharmaceuticals are subject to Italian Sanitary Authority approval. An ancillary charge of 40 Euros (approx) will apply and be billed to the importer/consignee.
- 73 The Commercial Invoice must indicate the scientific name of the animal that leather was obtained from under the provisions of Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES)
- 119 The Commercial Invoice must identify goods as Personal Effects. The consignee will be required to prove that the Personal Effects are used and their belongings, in order to obtain duty exemption.
- 151 For commercial (company) use only; a special permit is required from the Ministry of Health, 30 days before goods arrive. If goods are for test purposes, a permit is not required, however, a written declaration stating the substances are non-toxic, non-narcotic and to be used for laboratory tests is required of consignee.
- 244 All audio visual commodities must have a Commercial Invoice indicating length, width, duration, a brief but satisfactory synopsis of contents and reason for importation.
- 281 Declared value should be the nominal paper value of the ticket, not the purchase price of the ticket.
- 323 A biological Goods Declaration is required.
- 324 Commercial Invoice required if value over 22 Euros.
- 395 Limited to shipments sent under Broker Selection Option (BSO).
- 515 An Import License from the Ministry of Foreign Commerce is required for textiles manufactured in Belarus, Korea (North), Serbia, Montenegro, Uzbekistan and Vietnam. The consignee must have an Import License prior to shipping, otherwise delays may occur. The Import License will be released only after presentation of the Export License, which is provided by the shipper.
- 534 Consignee must provide a written declaration to Italian Customs for checks valued over \$10330 EUR (approx. \$12395 USD).
- 588 Liquids require a reason for importation from the consignee.
- 729 A Certificate of Origin is required if the shipment is over 25 kgs or Import License may be required for certain textile categories (Shipper, please refer to consignee for related textile categories).
- 778 The invoice must clearly state if goods conform with European standards and if they carry a CE mark.
- 780 The value shown on the Commercial Invoice must be equal to the price on the cover of the magazines multiplied by the quantity of magazines in the shipment.
- 883 Mutilated samples may be exempt provided that they are correctly identified on the Air Waybill and Commercial Invoice. Shipments may be subject to inspection by customs to verify that they are mutilated.
- 896 FedEx requires both the importer and exporter to be licensed entities in order to receive shipments. Gift shipments of alcohol are also included in this prohibition.
- 935 A permit (frequently referred to as "Surveillance") from the Ministry of Foreign Commerce is required if manufactured in China.

SPECIAL REQUIREMENTS:

- Military Shipments: Clearly specify the name and telephone number of the recipient and building number of the military base. Please check the recipient status when he/she arrives. All U.S. military members can possibly have tax and duty free for imported effects within the first six months based on his/her Permanent Change of Station (PCS) order after arriving All non-document shipments valued \$1 US or greater require a Commercial Invoice. Document shipments requires a Commercial Invoice when the value is over \$150 USD (\$200 USD for shipments from the US). The description on Air Waybill (Shipping Label) should have the word "Documents".
- The Harmonized System Code is required to be listed on the Air WayBill (Shipping Label) and Commercial Invoice for all Non-Document shipments with a declared value up to \$200 US from the United States. If shippers do not provide the Harmonized System Code as required, their shipments may experience onsite inspections and customs delays.
- Korean Customs started to impose penalty to carriers if import manifest is submitted with wrong or insufficient commodity name as below. (1) Numbers or Alphabets only (123, AAA, etc.). (2) Special characters only (@, #, %, &, etc). (3) General word only or meaningless word (Sample, Parts, Accessory, Gift, Products, etc.). (4) Brand name only (Nike, Burberry, etc).
- Customs will impose a penalty on value discrepancy shipments even if a shipment has no commercial value due to its nature (sample product, used good,

KOREA, SOUTH (SOUTH KOREA) (KR) - (continued)

replacements due to claim, return good after repair and etc.). The shipper must declare the values based on the market value. If Customs suspects the shipment's value to be understated, a physical inspection will be done by Customs and internet sites such as: Google, Amazon and others will be searched to get a market value.

- Document shipments require the recipient's accurate telephone number, complete address and the commodity description to be listed on the Air waybill (Shipping Label). If not, an Invoice will be required.
- Document shipments requires the recipient's accurate telephone number, complete address and the commodity description to be listed on the Air waybill. If not, an invoice will be required.
- A Personal Customs Clearance Code is required instead of the Resident Registration Number and should be listed under the section 8 Internal Billing Reference on the Airway Bill (Shipping Label) or other Customs Declaration for shipments including the Cost, Insurance and Freight value up to USD \$150 or USD \$200 for shipments that originated from the U.S. Failure to provide or incorrect Airway Bill (Shipping Label) information may cause shipments to experience Customs delays with the possibility of Duties and Taxes being imposed.

KOREA, SOUTH (SOUTH KOREA) (KR) - (continued)

Footnotes:

- 67 Expect 4 to 5 days delay due to regulatory requirements.
- 218 Import License required of consignee if over 5 items.
- 244 All audio visual commodities must have a Commercial Invoice indicating length, width, duration, a brief but satisfactory synopsis of contents and reason for importation.
- 287 Recommendation letter from the Ministry of Broadcast and Culture required of consignee. Expect up to 1 week delay due to Censor screening and regulatory procedures.
- 311 Work of Art Declaration, including name of Artist, required.
- 325 A Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) Permit (import & export) is required if derived from an endangered animal or plant species. The Commercial Invoice must give a proper description of the goods in addition to the Species Plures or Latin species name of the goods.
- 339 For all equipment capable of generating electro magnetic waves (computers, CRTs/monitors, printers, XY-plotters, drafting machines), the end user MUST submit to Korean customs a recommendation letter issued by the Ministry of Communication. GIFT SHIPMENTS:

Acceptable: Will be subject to Duty/Taxes on all non-document shipments. It is advisable to include proof of origin. Textiles must present the original labels or it will be considered as used items. Further regulations or permits may apply depending on the commodity.

SPECIAL REQUIREMENTS:

- All shipments are subject to pre-inspection by the Customs house broker. For detailed information on what commodities apply, the shippers should contact the recipient or visit the internet at <http://www.economia.gob.mx/>
- A detailed Commercial Invoice is required for values over \$300 US.
- All shipments above \$1000 US require recipient to have a Registry Federal Certificate Number secured by Mexican tax authorities and it must be indicated on the Commercial Invoice under or next to the recipient's. Recipient must be registered as an importer in the Padron Importadores del Servicio de Administracion Tributaria of the Mexican Government prior to import. Shipments above \$1000 US to companies are limited to one shipment per importer per month, if the recipient is an individual, they are limited to \$5000 US per month.
- Solid Wood Packing Material must comply with ISPM-15 (International Standard Phytosanitary Measures). Shipments arriving without this information will be returned at origin station or shipper's expense. Paper certification (treatment certificates) will not be required.
- Additional clearance fees and delays may apply to special foreign incentive programs such as North American Free Trade Agreement (NAFTA), Decreto para el Fomento de la Industria Manufacturera, Maquiladora y de Servicios de Exportacion (IMMEX) and Empresas Altamente Exportadoras (ALTEX).
- Hard to identify substances such as pastes, liquids, powders, gels, odoriferous substances, scented oils, laboratory reactive agents, caliber standards, chemicals and raw materials and liquid or medical products such as pills, tablets, granules, must be accompanied by a physical and/or chemical analysis to identify its composition, nature, origin or other necessary characteristics in order to be properly classified. These

products can only be cleared via formal entry. The only exception will be if the importer is registered and fully licensed to import these products.

- Shipments to Mexico may incur ancillary charges due to commodity, value, storage or Customs validation.
- Ancillary charges will be applied to special foreign trade incentive programs such as NAFTA and IMMEX, refer to billing options.
- Diplomatic shipments can only be picked up from the Consulate or Embassy. For hand delivered shipments to FedEx locations, prior arrangements must be made. The Embassy or Consulate must prepare the special bag tag or label, as well as a notarized list of foreign contacts and telephone numbers at the Embassy or Consulate that can accept the Diplomatic shipment overseas.
- Trademark and patented goods such as Cellular, Cellular accessories, Textiles (clothes and apparel), electronic equipment (MP3, MP4, Voice, Video) originating from China, India, Thailand and Taiwan must be accompanied with supporting documentation from the trademark/patent owner stating that the goods are authorized for importation to avoid clearance delays.
- Shipments may be delayed for verification of copyright laws. A license from the distributor or letter from the original manufacturer may be required to avoid import delays.
- The Commercial Invoice must be filled out completely. Partial description and/or an incomplete Commercial Invoice will not be accepted.
- Undervalued shipments found by Customs will require a corrected Commercial Invoice from the shipper and values will be assigned under Customs criteria.
- Returned shipments may be assessed Duty and Tax and be subjected to regulations or permits depending on the commodity.
- Household Goods: is a shipment that cannot be considered as personal effects (forgotten luggage) because of the quantity and items exceed the established amounts and kind of goods. The shipper must go to the local Mexican Consulate to get a written authorization stamped by Mexican authorities. The household (menaje de casa) is a statement letter that must be certified by Consulado Mexicano in the country of export, and must manifest the following information: Complete Name, complete address of the foreign residence, complete description of the quantities of the household, proof of foreign residence for at least one year. It is extremely important to contact the "Consulado Mexicano for additional information". The shipper/exporter must declare Absolutely Every Single Item (i.e: Box 1: 1 TV set, 1 pair of speakers, 2 books, etc. / Box 2: 3 toys, 1 tablet, etc / Box 3, Box 4).
- All dutiable shipments must be cleared by recipient. Customs paperwork will be delivered according to commitment.
- The commercial invoice is required for values over \$300 USD and must include: Date and place of exportation, exporter legal name and address (including country), importer legal name and address, detailed merchandise description (no part numbers or codes accepted as description), quantity, unit of measure (piece, set, meters, kilograms), unit value, total value commodity identification marks and numbers if available (Model, serial number, etc.), breakdown of any other charges (e.g. freight, insurance, etc.), INCOTERM are acceptable in Spanish, English and French.
- Household Goods can't be considered as personal effects (forgotten luggage) because of the quantity and items normally exceed the established amounts and kind of goods. A household statement (menaje de casa) is required to state the following: full name, complete address of the foreign residence, country of export, complete description and quantities, proof of foreign residence for at least one year. The shipper must go to the local Mexican consulate to get this written authorization stamped for approval. It is extremely important to contact the "Consulado Mexicano for additional information".

- Length - 46 Inches
- Width - 35 Inches
- Height - 46 Inches

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Duty/Tax free entry allowed for gifts valued up to 110 New Zealand Dollars (approximately \$89 US) per individual. A Letter of Declaration stating the names, who is receiving what items and number of people the gift is required of shipper. If the value of shipment exceeds 400 New Zealand Dollars (approximately \$334 US) after allocating gift allowances, normal taxes will be applicable.

SPECIAL REQUIREMENTS:

- No Commercial Value is not acceptable for shipments to New Zealand. A nominal value must be shown on the Air Waybill (Shipping Label) and Commercial Invoice.

- Customs will charge an Import Transaction Fee and a Ministry for Primary Industries Fee on all Commercial and Private Individual shipments greater than \$400 New Zealand Dollars (approximately \$341 US), additional duties and taxes may apply.
- Goods and Service Tax and duties of \$60 New Zealand Dollars (approximately \$47 US) or more will be charged to shipments valued more than \$400 New Zealand Dollars (approximately \$312 US). Goods and Service Tax and duties less than \$60 New Zealand Dollars (approximately \$312 US) will not be charged to shipments valued less than \$400 New Zealand Dollars (approximately \$312 US). Shipments valued at \$400 New Zealand Dollars (approximately \$312 US) and more will be charged Goods and Service Tax and duties.
- All shipments containing Wood Packaging Materials must be treated and marked. Certification of treatment must be original, free of alterations and erasures, and printed in English.
- The Ministry of Agriculture will charge a Biosecurity Risk Screening Levy of 13 New Zealand Dollars (approximately \$10 US) (including Goods and Service Tax) on all import consignments that attract a New Zealand Customs Service Import Fee of 25 New Zealand Dollars (approximately \$18 US). The total Import Transaction Fee payable is 38 New Zealand Dollars (approximately \$30 US) on all imports over 400 New Zealand Dollars (approximately \$312 US) including Personal effects and Warranty repaired goods.
- Shipments valued more than 1,000 New Zealand Dollars (approximately \$852 US) are required to be registered with Customs and requires an Importer code for clearance. If an Importer does not have a Customs code, an application form could be obtained from the Customs website at <http://www.customs.govt.nz/news/resources/forms/Docu%20ments/NZCS%20224.doc>. A copy of company or individual identity is required from recipient to submit with this form to Customs.
- All temporary import shipments must clear Customs by the recipient's appointed broker.
- To avoid delays in Customs Clearance; copies (pre-fax/scanning) of available versions of Commercial Invoices are required. This covers the customers own business letterhead Commercial Invoice in addition to the generic electronic Commercial Invoice generated via FedEx automated shipping tools. The shipper must enter correct Invoice numbers, enter name and sign the Invoice.
- Due to Customs strict compliance, Commercial Invoices are required for clearance purposes. Invoice should be itemized with the individual values, Incoterms, Invoice Number, detailed description and etc.
- Any free give away's (promotional items, gifts) or samples need to specify a value for Customs.
- The Invoice(s) must state the correct Country of Origin or Manufacturer for individual items.
- It is recommended for the correct Cost, Insurance, Freight values be stated on the Air Waybill (Shipping Label) and/or Commercial Invoice. The freight value should be listed separately to avoid clearance delays.
- The Ministry of Primary Industries will charge a Biosecurity Risk Screening Levy on all import consignments that show on the Invoice Import Transaction Fee of \$29 New Zealand Dollars (approximately \$25 US) or higher, this includes shipments of personal effects and warranty repair items.
- For E-Commerce shipments, accurate values to be declared on the Invoice and Air Waybill (Shipping Label) and the price paid by the buyer. The Invoice should also state any shipping costs prepaid.

- All private (personal) high value shipments must have the Social Security number of the recipient on the required Customs declaration and/or documentation prior to entry.
- A Commercial Invoice is required for all dutiable shipments. The Invoice must show the freight, transportation and insurance cost and the appropriate Incoterm such as Carriage Paid To, Carriage and Insurance Paid To, Delivered Duty Unpaid, Delivered at Place, Ex Works, Free Carrier to avoid clearance delays. If Incoterms are not listed, a standard transportation price will be determined and applied.
- Electronic Commercial Invoice is not accepted. Commercial Invoice should be on company letterhead if shipper/importer is a business.
- The Customs value is the total of: goods, freight and insurance cost.
- Shipments with a Customs value of 350 NOK (approximately \$46 US) or lower are considered low value. Duties and taxes may be applicable for shipments valued above 350 NOK (approximately \$46 US).
- Shipments (business to consumer and consumer to consumer) with Duty and Tax exceeding 3200 Norwegian Krone (approximately \$401 US) will be held for Duty and Tax collection prior to delivery.
- Shipments (business to business and consumer to business) exceeding 3500 Norwegian Krone (approximately \$439 US) without a Norwegian Customs authorities deferred account will be held for Duty and Tax collection prior to delivery.
- A Commercial Invoice is required for all dutiable shipments. The invoice must show the freight, transportation and insurance cost and the appropriate Incoterm such as: Carriage paid to, Carriage and Insurance Paid to, Delivery Duty Unpaid, Delivery at Place, Ex Works, Free Carrier with specified name of the origin or destination location depending on the code used to avoid clearance delays. If not listed, a standard transportation price will be determined and applied.

PARAGUAY (PY)

Recipient is responsible for duties and taxes that are assessed by the country.

PRICE GROUP: 8

P.O. BOX ADDRESSES:

Accepted: Apartado Aereo, Apartado Postal, Casilla De Correos or Casilla Postal in the recipient address indicates a PO Box Address and it is undeliverable without a recipient telephone number.

DIMENSION NOTE:

Maximum Size: Total length and girth not to exceed 108 inches. Individual dimensions not to exceed:
 Length - 46 Inches
 Width - 35 Inches
 Height - 46 Inches

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- All commercial shipments or shipments with a value of \$100 US and above must be Customs cleared by recipient and/or recipient's designated broker. Paperwork will be delivered. This procedure is called "formal clearance". It takes 48 to 72 hours to release packages from Customs. All duties/taxes are assessed unless the recipient is registered as importer.
- Shipments with missing or incorrect information (recipient name, Tax ID, commodity description(s), declared value, and/or weight) are subject to clearance delays and Customs fines up to \$100 US.
- Clearance authorization, written or verbal, required of recipient for all non-document shipments.
- All recipients need to be registered as Formal Importers if they receive more than one (1) shipment per year. All commodities are affected.
- All non-document shipments must be accompanied by an original Commercial Invoice and it must contain an Invoice number.
- Pro Forma Invoices are not accepted.
- In order to avoid any clearance delays, the Air Waybill (Shipping Label) must have the correct recipient name, address and telephone number. Recipient may be required to be contacted in order to sign all required

Customs paperwork.

- The recipient's valid ID card number, passport number or RUC (individuals and companies tax number) "must" be listed on the Air Waybill (Shipping Label) / Commercial Invoice. Shipments arriving to Paraguay with missing or incorrect number required, cannot be cleared and will be delayed until the information is provided.
- All non-document shipments valued between US \$1 - US \$100 will incur a 13% Value Added Tax charge.
- Document shipments can be cleared by FedEx Global Service Participants with no additional charges.
- All non-document shipments require the recipient's Tax Identification Number (RUC/Unique Registry of Taxpayers for Companies, Commercial Invoice for individuals). If the recipient is a foreign visitor, the Passport Number will be required. Shipments without this information clearly written on the Air Waybill (Shipping Label) in the "Recipient's Tax ID Number for Customs Purpose" will experience clearance delays.

- Category 5 - Non-document shipments regardless of value and weight, consigned to registered companies under the Philippine Economic Zone Authority are duty and tax free but are subject to local charges. A pre-approved electronic Import Permit should be obtained by the recipient prior to arrival of the goods destined to the arrival of the goods destined to the Free Trade Zone.
- The specific description indicated on the commercial invoice must be the exact description as listed on the consignee-s List of Importable. For more information visit: <http://www.fedex.com/ph/tools/clearance.html> and <http://customs.gov.ph>.
- The Commercial Invoice is required for non-document shipments (commercial or non-commercial purpose). Each commodity should be completely described. General descriptions such as gift, sample, or toy are not acceptable. Brochure or product literature may be required for proper classification of the items. For multiple items, itemized value or value breakdown is required.
- The Air Waybill (Shipping Label) and Commercial Invoice details must match. Any discrepancy must be amended prior to shipment arrival. Otherwise, amendments will be subject to Customs approval and the shipment may encounter clearance delay.
- Shipments that are returning to the Philippines after exportation such as repaired or used for exhibits require Certificate of Identification to be exempted from Customs duty and tax. The Air Waybill (Shipping Label) and Commercial Invoice must also state "Repair/Return" with full description of commodity.
- To avoid delays in Customs clearance, copies (pre-fax scanning) of available versions of Commercial Invoices are required. This covers the customers own business letterhead Commercial Invoice in addition to the generic Electronic Commercial Invoice generated via FedEx automated shipping tools.
- Shipments packed in Wood Packing Material must be treated and marked as per ISPM-15 (International Standard for Phytosanitary Measures) and must be accompanied by a Phytosanitary Certificate. An inspection by Bureau of Plant Industry (BPI) is also required, expect delays.
- Shippers are advised to check whether their shipment falls under the Regulated Imports List. Non-compliant could result in significant clearance delays and penalties. See the Regulated Imports List website for the verification: <http://customs.gov.ph/regulated-imports-list/>.
- A warehouse processing charge which includes warehouse handling and storage fees for imported

PHILIPPINES (PH) - (continued)

shipments may apply.

- Shipments not cleared within 15 calendar days from package arrival will be considered abandoned.
- It is recommended for residential addresses to be listed on the Air Waybill/Shipping Label Invoice and should include: House Number, Street Name, Barangay Number/Name or Barrio/Sitio, City/Town, Province, Country, Zip/Postal Code to avoid delivery delays.
- Shippers must include the cost of freight (ie. shipping cost) on the Air Waybill (Shipping Label) and Invoice. This cost will be used by Customs to determine duty and additional taxes if applicable. If missing, the International Air Transport Association rate will be used.
- The full and complete consignee name must be listed on the Air Waybill (Shipping Label) and Commercial Invoice.
