QATAR (QA) - (continued)

P.O. BOX ADDRESSES:

Accepted: Only with a city name, proper address and/or a prominent landmark. In addition, an operational telephone number is required, preferably a land line. (For shipments that have cell phone numbers, expect delivery delays.)

DIMENSION NOTE:

Maximum Size: Total length and girth not to exceed 108 inches. Individual dimensions not to exceed:

Length - 46 Inches
Width - 35 Inches
Height - 46 Inches

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- Shipments are limited to only documents at this time. Harmonized Code for the commodity is mandatory, it must be provided on the Commercial Invoice.
- A valid Qatar Import License is needed for all importers/recipients. Goods must be listed on their license otherwise shipments will be returned back to origin.
- A valid Qatar resident permit or employment visa is needed to import personal effects and must be provided upon clearance. If the value of the goods will be more than \$822 US it will be dutiable.
- All non-document commercial shipments including samples, are subject to customs duties, legalization charges and a bill of entry fee.
- All non-document personal shipments will incur additional fees. Temporary Import/Repair and Return shipments are prohibited.
- Shipments that are incorrectly declared, due to lack of import paper work will not be cleared from Customs and will be returned to the origin at the shippers expense. No destroy or abandon option for Qatar.
- Shipments with no contact information will not be accepted; a valid telephone number starting with 974 is mandatory and expect delays for mobile contact numbers.
- The Country of Manufacture of a product must be engraved/printed. Stickers or removal tags are not allowed. Original Certificate of Origin and Original Commercial Invoice is needed for all non-document commercial shipments including samples regardless of value. The Original Certificate of Origin and Original Commercial Invoice must be attested by the Chamber of Commerce from the origin. Presently the requirement is not enforced and shipment can be sent without the Original Certificate of Origin if the weight is under 32 kgs (70 lbs). However, in the event that this is applied and the shipment has no documentation as mentioned, a deposit of 1% of the Customs value or a minimum of QAR 500 (approximately \$137 US) will be levied as guaranteed deposit from the importer. This can be refunded when the importer presents the original documentation within the 30 day period.
- Freight and Insurance cost of all shipments must be mentioned on the Commercial Invoice, if not mentioned Customs will calculate the cost as per their regulation.
- Companies requesting Duty Exemption must provide the Request for Financial Reconciliation/Duty Exemption Letter with the FedEx shipping documents or to local FedEx office prior to arrival. Duties and Taxes will be

applied to the shipment, if the documentation and approvals are not received prior to the shipments arrival.

- Shipments that require approval from the Agriculture Department will be inspected after the applicable fees are paid. If a Phytosanitary Certificate is required, it must be sent with the Air Waybill, (Shipping Label) Commercial Invoice and other shipping documents. If not, the shipment will be held until the certificate is received. All Fees must be paid to the Ministry of Municipality and Environment before the shipment will be released.
- All products must have a "Made In" stamp or label stating where the products were actually manufactured. The country of manufacture must be listed on the Invoice and Air Waybill (Shipping Label). The origin country from where the shipment was exported will not be accepted unless it's the true (country of manufacture). Discrepancies will result in Customs Authority seizing the shipments. The Importers may also be subjected to huge fines/penalties due to this violation.
- Storage charges will be charged for shipments held at the airport facility that remains not cleared past 72 hours from arrival. Shipments included are those with missing, incomplete or inaccurate paperwork, missing official approvals, special permits, shipments requiring payment of duties and taxes/duties not paid in a timely manner by the customer.
- Personal shipments do not require Certificate of Origin.
- A Sanitary Certificate is required for shipments containing Seeds.
- A Phytosanitary Certificate is required for shipments containing Agricultural Material. The certificate must be accompanied with the shipment.
- All non-document commercial shipments including samples are subject to customs duties, bill of entry fee and legalization fee. The additional legalization fee will be assessed on shipments with an Invoice value of QAR2000 or above (approximately \$545.41 US).
- Undervalued or mis-declared shipments and shipments with insufficient paper work will not be cleared from Customs. Shipments will be returned at shippers expense.
- The value of shipment must be declared as Cost, Insurance and Freight basis on the Invoice amount. If not, Customs will calculate the cost as per their published tariff.

SPECIAL REQUIREMENTS:

- GXG will accept shipments of Israeli origin. However, this country may not allow such imports.
- Shipments that are incorrectly declared will not be accepted. They will be confiscated and/or returned to the shipper. All related costs for destroy or return will be charged to the shipper.
- Shipments for government and military offices must bear the contact name, telephone number and telephone extension. Without this information the guard will not accept the package.
- No shipment is to be accepted unless a telephone number or valid fax number is included.
- Shipments destined for anyone at an Embassy are regarded as diplomatic shipments and Saudi Customs can only clear when they receive an original letter from the recipient or Embassy. If the shipment is not a document, a letter from the ministry of foreign affairs is required. Please note that this may take an additional ten (10) days to clear.
- Shipments that do not clear Customs (due to any reason) will be confiscated or returned to shipper; billing all related charges to the shippers account. Destroy requests from shipper/recipient cannot be entertained. Customs is not equipped with destroy facilities.
- A Certificate of Conformity is required for certain commodities at the origin, regardless of the value and quantity. Genuine samples with limited quantity, items for laboratory testing and temporary import do not require a Certificate of Conformity. For detailed information, please visit <http://www.customs.gov.sa>. Certificate of Conformity eligibility is identified strictly through the Harmonized Code and shippers required to obtain the same from an authorized agent such as Intertek and SGS prior to move the shipments.
- Shipments consigned to individuals valued at \$266 US Dollars or higher, will require the National ID (for Saudi nationals) or Iqama (for non-Saudi citizens).
- Shipments consigned for commercial or governmental entities valued at \$266 US Dollars or higher will require:
 - A Company Commercial Registration or letter stating commodity ownership from the governmental entity.
- The Country of Origin certificates is no longer required for Commercial and Personal shipments valued under \$2499 USD as long as the Country of Manufacture is engraved on the product. If not, the Country of Origin certificates will be required except for shipments originating from countries that have bilateral trade

agreements.

- - A Company Commercial Registration or letter stating commodity ownership from the governmental entity.
- Commercial shipments will require a copy of the Importers Commercial Registration showing that their business relates to the type of commodities imported.
- Shipments identified as undervalued by customs may require proof of payment to determine the declared value of the shipment.

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- Customs in Entebbe has phased out old Taxpayer Identification Numbers. Any recipient importing a commodity whose Invoice is more than \$1,000 US must have a new Taxpayer Identification Number. Under declared or over declared commodity is given a penalty of 50% of the total value of the cost of the commodity.
- The Air Waybill (Shipping Label) should always be completed with company name before the contact name, care of or attention name. Entebbe Customs rejects shipments with contact name shown before company name.
- Any shipment with declared value above \$50 US will have to go through Customs clearance process and some delay is expected.
- All non-document shipments are subject to verification from Customs regardless of the value or commodity.
- Commercial shipments cleared require PAX Transport Ltd to be appointed by registering with them online. This includes shipments to: Diplomatic Organizations, Government Institutions, Non-Government Organization and etc.
- All shipments weighing less than 50 kgs (111 lbs) will be charged a handling fee of 32000 Uganda Shilling (approximately \$12 US). For shipments weighing more than 50 kgs (approximately 111 lbs), a fee of 399 Uganda Shilling (approximately 0.15039 US) per Kg will be charged.
- The Commercial Invoice must be itemized to show all commodities. Failure to comply could cause penalties, additional taxes and clearance delays. All consignments of regulated products must go through the Pre-Export Verification of Conformity Process. A Certificate of Conformity is a mandatory requirement for Custom clearance at Uganda ports to ensure that the commodities demonstrate compliance with the Ugandan technical regulations and mandatory standards or approved equivalents. If documents are missing, a penalty may be assessed based on the Cost, Insurance & Freight value for non-compliance. Expect clearance delays.

- HIGH VALUE limit for PRIVATE PEOPLE: Declared value more than 150 EUR (approximately \$164 US): Duties & Value Added Tax applicable: 32% from difference between the shipment Declared Value and 150 (approximately \$164 US) (duty-free limit). Duties & Value Added Tax can be paid by recipient/shippers/third party. Recipient has to submit all needed permissions, passport copies and Letter of Authorization for Customs Broker Services. There will be a minimum of \$23 USD Customs brokers service charge. Recipients has the option to do self-clearance.
- The Electronic Commercial Invoice is not accepted. Only original Invoices are accepted. The Invoice must show a detailed description i.e device models, memory, market value (preferably in USD or EUR) for each commodity. A Customs broker fee of \$23 USD will be applicable for e-mail or fax copies of the Invoice, expect clearance delays up to 2 weeks.
- HIGH VALUE shipments addressed to Embassies are Customs cleared in Customs Diplomatic Department. A special procedure is needed which must be initiated by the recipient.
- Shipments that cannot be cleared must be returned (transport + storage billed to shipper). Overgoods, destruction or abandon is not possible due to Customs regulations. Expect customs processing delays. For return shipments valued over \$100 US, storage fee (\$50 US) must be paid.
- All shipments addressed to recipients in other served cities except Kiev require additional time for Customs Clearance.
- Shipments held for up to 30 days will be returned at the shipper's expense.
- A Company name should not be indicated on Air Waybill (Shipping Label) and Invoice for shipments address to private people. Otherwise Clearance procedures for Legal entities (business) will be applied with corresponding duties & tax payments (usually higher than for private people and additional broker service charges (\$23 US)).
- Low value shipment limit for Legal entities (business): Declared value + transport charges less than 150 EUR (approximately \$200 US) is duty-free. Commodities requiring special (authorities) permission cannot be cleared under low value category.
- LOW VALUE shipment limit for PRIVATE PEOPLE: Declared value (DV) less than 150 EUR (approximately \$200 US) is duty-free. Commodities requiring special (authorities) permissions cannot be cleared under low value category. Multiple shipments arriving to 1 consignee on 1 day and from the same shipper will be considered by Customs as 1 shipment. If total value for all shipments is more than 150 EUR (approximately \$200US), duties & taxes must be paid.
- Recipient's contact phone number must be indicated on Air Waybill (Shipping Label) and Invoice.
- Customs inspectors have the right to hold Low Value (duty-free) shipments (value < 150 EUR) approximately \$200 US and request value confirmation from recipient/shipper such as: bank transfer statement from recipient to seller, reference to manufacture site with price list & etc.
- High Value limit for Legal Entities (business): Declared value + transport charges more than 150 EUR (approximately \$200 US): Duties /Taxes applicable based on Harmonized System + Value Added Tax (20% from customs value) + duties. Documents required from recipient: Customs accreditation cards, Tax inspection cards, invoices translated into Ukrainian /Russian languages, contracts between shipper and recipient, state authorities permission (if applicable). If Shipment is non-commercial, it should be indicated in Invoice/Proforma Invoices. Warehouse storage fee: \$2

UKRAINE (UA) - (continued)

UNITED KINGDOM (GB) - (continued)

Footnotes:

- 44 Controlled drugs and psychotropic substance are prohibited.
- 53 Horror comics are prohibited.
- 79 The Commercial Invoice must declare the alcohol content by volume in the form of a percentage. An Import License (wine only) for Common Agricultural Policy (CAP) is required for shipments exceeding 3000 Litres. Form VI 1 is required (EC/883/2001 refers) for commercial imports (non-EU) . VI 1 exemption for personal imports is 100L.
- 111 If donated, statement to this effect required on Commercial Invoice.
- 244 All audio visual commodities must have a Commercial Invoice indicating length, width, duration, a brief but satisfactory synopsis of contents and reason for importation.
- 247 Import License may be required of consignee depending on substance. Substance must be in a sealed container and have clear description of substance appearing on container. If goods are for research purposes only, a statement making this claim should appear on Air Waybill and Commercial Invoice plus a letter from shipper should accompany shipment, which has a clear description of the contents and also contains the claim for research purposes. To prevent delays or deterioration of shipments, it is suggested that License Requirement/non-requirement be determined prior to shipment. Licenses covering substances are issued by the Department for Environment Food and Rural Affairs.
- 292 Commercial Invoice should separately state (a) value of a blank diskette/computer tape/compact disc/digital video disc and (b) value of data on diskette/computer tape/compact disc/digital video disc.
- 417 Persons moving permanently to the UK and overseas students are required to complete a Transfer of Residence form. This is obtained from HMRC web site:
<https://www.gov.uk/government/publications/application-for-transfer-of-residence-tor-relief-tor01>
- 432 Statement indicating reason for import required of consignee.
- 456 Pre-shipment approval by the Port Health Official is recommended; Otherwise regulatory control may effect delivery.
- 459 Products of Animal Origin, Animal Blood and Blood products can only be cleared at Border Inspection Post approved Airports, Stansted, Heathrow and Manchester.
- 490 End user number from the office of H M customs and excise required of consignee at the time of importation for shipments from Non-European Union (EU) countries (see page A1 for Member Country List) in order to receive duty free entry.
- 551 Shipments containing controlled substances and all medicines for resale require of consignee an Import License from the Home Office and/or Medicine Control Agency (Department of Health). Expect 2 to 4 weeks delay in obtaining the license if not available prior to shipping. For all prescription drugs, the invoice should provide a full description of all constituent parts. For prescription drugs for personal use, it is recommended to include a copy of the doctor's prescription with the shipment, attached to the invoice. Delays may be expected due to customs inspection for controlled substances.
- 552 Import License from the Trade Department required of consignee for shipments of CB radios, radio telephonic transmitters, walkie talkies and microbugs. Expect 2 to 4 weeks delay in obtaining this license.
- 893 Beer, wine and spirit samples are accepted and will be assessed for customs duty, excise, and Value Added Tax (VAT). Consignee can expect very high duties/taxes.
