Company's stamp:

City, Date

Signature

Your data is processed for handling your membership according to Art. 6 1(1) lit. b GDPR for the performance of a contract and according to cooperative law. The processing results in direct communication which arise from the cooperative's commitments and information obligation, e.g. the invitation to the general assembly. For these purposes the following data is stored during the membership period and data relevant for accounting like membership fees will be stored for 10 years due to legal retention requirements: first name, last name, e-mail address, street and street number, other address component, postal code, city, country, date of birth, type of membership (regular/investing), if you are a member of another collecting society, if so of which, and the number of cooperative shares purchased.
