Mind the Digital Gap, 11/06/2020

Theory of change (most abridged)

Electoral processes

Direct democracy

Deliberative processes

Transformation of
the Administration

Open Government

Engagement Ecosystem

New actors & new spaces

Improve efficacy and efficiency
of public policies

Understanding the complexity of
public decision-making

Reduce populism (fascism)

Foster a shift towards a
technopolitical paradigm
of collective action

Vision & Mission of Citizen Participation

Vision

The Administration keeps a constant dialogue with citizens.

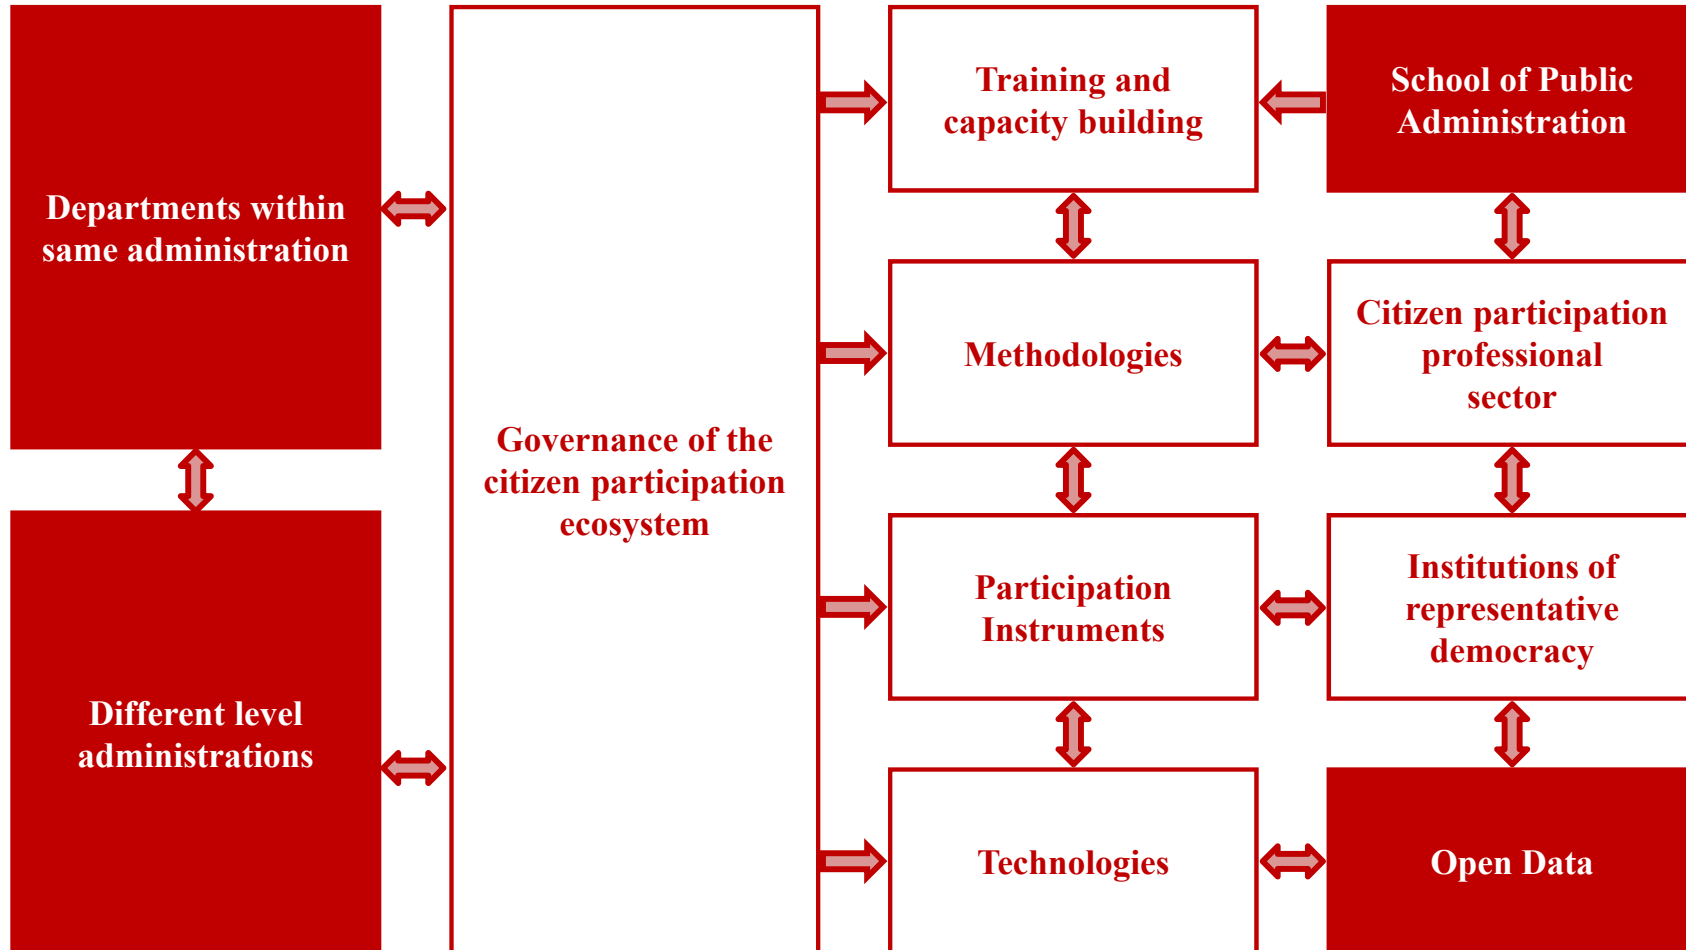

Mission

To transform the Administration by means of citizen participation, and to transform the Administration to enable citizen participation.

Ecosystem of citizen participation

- Nationwide** ecosystem of citizen participation, coherent and consistent in methodology and infrastructures, efficient and effective
- Space of **coordination** and exchange of knowledge
- Foster **instruments** collectively
- Coordinate **training** activities
- Promote **synergies** between public bodies

A citizen participation ecosystem

Open infrastructures for community building

ParticipaCatalunya.cat

A meeting virtual space for **all actors** working in the field of citizen participation.

Implemented

Stage 2

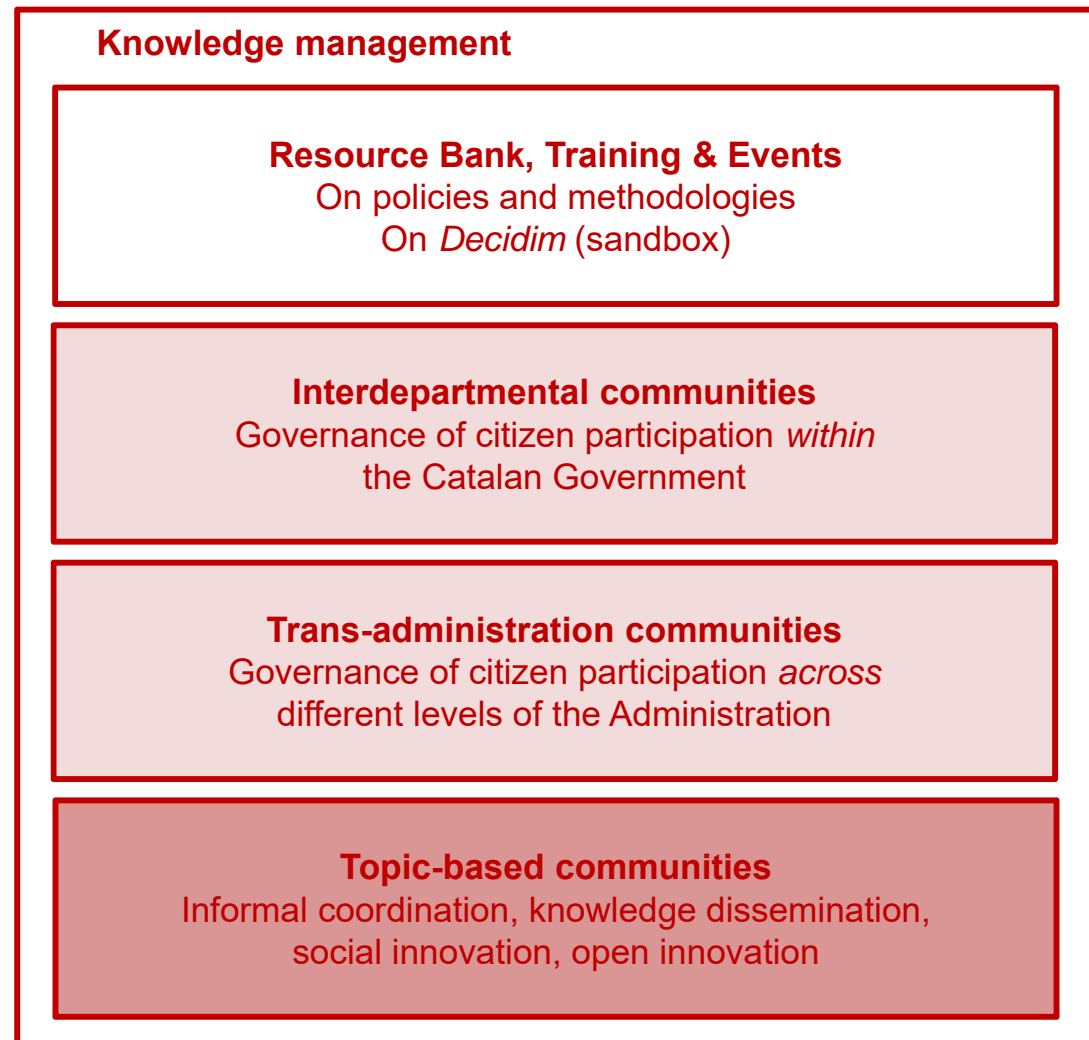

Implementing

Stage 3

Governance of the ecosystem of citizen participation

Communities of practice and learning

Methodological and technological support to articulate and facilitate communities of practice and learning at several levels for **governance and knowledge management** in the ecosystem of citizen participation.

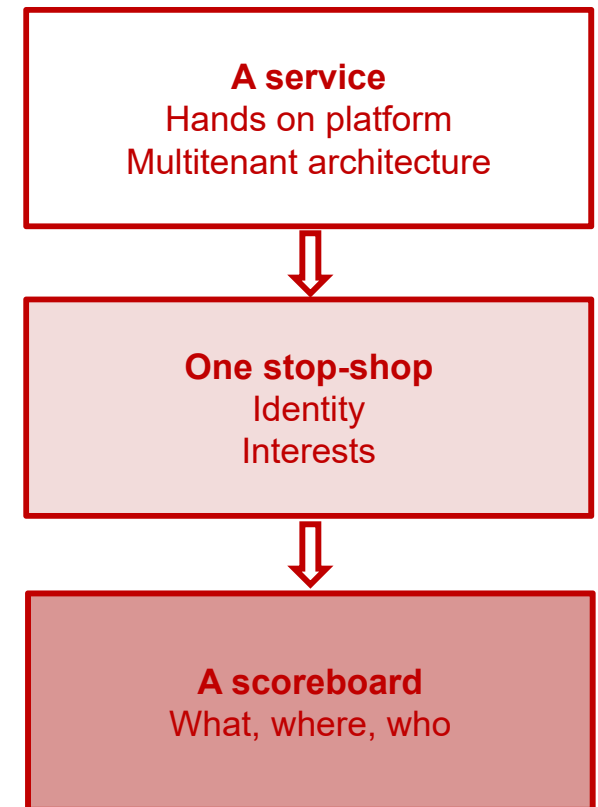

The Citizen Participation Observatory

Decidim Catalunya

The online platform for citizen participation management and online deliberation.

- A tool for a **methodology**: Technology is *NOT* neutral
- A **service** for all and from all
- 1 solution for everybody
 - Economies of scale (saving 90% of costs)
 - Economies of network
- Build on the models of e-Administration and Transparency
- Digital **identity**
 - 1 citizen, 1 single digital identity
 - 1 citizen, 1 multilevel identity
- An actor with their own voice in a big community
