U.S. Department of Veterans Affairs

—

Veteran Health Administration

The Veterans Health Administration is a trailblazer in delivering access to essential homeless program services.

Advanced, FedRAMP-authorized query system on the cloud. Status Query and Response System (SQUARES), a search engine-style database, allows authorized users to:

- Look up a person in need of service.
- Identify them as a Veteran – quickly and reliably.
- Determine their VHA eligibility status.
