Affiliation and current position:

Parsons & Internet Infrastructure Consultancy (IIC)

Position: Principal Networking Scientist

Additional Note: The vast majority of my ICANN activities are 'contributions for the good of the Internet', i.e., it is not work for my employers.

Type(s) of work performed:

Parsons provides engineering, construction, technical, cyber, and professional services to a wide range of industries with a focus on transportation, environmental/infrastructure, defense/security, and resources. For more about Parsons, please visit www.parsons.com. Within Parsons, I am responsible for overall management of a group of researchers, engineers and developers whose primary mission is improving the security of the Internet infrastructure. IIC provides consultancy services for various activities including occasional work for ICANN and its stakeholders - I am the IIC principal.

Please list financial or other material relationship beyond de minimus stock ownership that you, your employer, or an immediate family member/significant other has with ICANN or with any individual, company, or other entity that to your knowledge has a current or planned financial or other material relationship with ICANN:

Parsons has no financial or material relationship with ICANN. IIC provides occasional consultant input to ICANN.
