

18 December 2019

Subject: SSAC2019-10: Appointment of SSAC Representative to the RZERC

To: Duane Wessels, RZERC Chair

CC: Russ Mundy, Outgoing SSAC Representative to the RZERC  
Geoff Huston, Incoming SSAC Representative to the RZERC  
Steve Sheng, Senior Director, Policy Development Support  
Danielle Rutherford, Policy and Technology Analyst

In 2016, ICANN formed the Root Zone Evolution Review Committee (RZERC) to review proposed architectural changes to the content of the DNS root zone. At the time, the SSAC appointed Russ Mundy to the RZERC for a term concluding on 31 December 2019.

The RZERC's charter leaves the appointment of members (including their term length and term limits) to each organization's/group's internal process.

Notice is hereby given that the SSAC has appointed Geoff Huston as its representative to the RZERC for the term 1 January 2020 - 31 December 2022.

Rod Rasmussen  
Chair, ICANN Security and Stability Advisory Committee
