Any new pricing strategy or material changes to an Edition or Support will be communicated at least three (3) months before it will come into effect.

6. INTELLECTUAL PROPERTY RIGHTS

- (a) Company represents and warrants to the best of its knowledge and belief that it is the sole and exclusive owner of all Intellectual Property rights relating to any Products and Support, and/or that it has the rights and licenses to commercialize such Products and Support from Switzerland, as well as those rights and licenses directly or indirectly necessary therefor. No rights, licenses or warranties are provided to any of Company's Intellectual Property rights, save as are covered by the License to use any Products and receive any Support that are provided for by this Agreement.

In the unlikely event of such a claim ever being alleged against Client that is based on the use of any Product on its own (and not on how it interacts with other software or hardware), Company will use its reasonable best efforts within ninety (90) days to replace or modify at its option the Product so that it is no longer allegedly infringing any third party's copyrights, patents or trade secrets. Should such a solution not be found, Client shall be free to terminate this Agreement and request a pro-rated refund for the remaining term of the License for that Product and any Support that may have been purchased with it. Subject to the foregoing, all Products and Support are provided on an "as is" basis, without any warranties or representations regarding freedom to operate or non-infringement of any Intellectual Property rights of any third parties.

- (c) Each Party recognizes that any closed source code or data it receives from the other Party that is not publicly available should be considered as confidential information belonging to the disclosing Party.

- (d) Company and Client shall not disclose one-another's confidential information to any third party without the prior written consent of the disclosing Party.
- (e) Company and Client further undertake:
 - (i) not to disclose to any third party any confidential information obtained as a result of having entered into this Agreement, or any confidential information that contains any technical, scientific or commercial data, or other related information, which is not available in the public domain;

 - (iii) to disclose to their employees, consultants and subcontractors only such confidential information as is reasonably necessary for the performance of this Agreement; and
 - (iv) to take commercially reasonable measures to ensure that their employees, consultants and subcontractors comply with the confidentiality provisions of this Agreement.
- (f) These confidentiality provisions shall not apply to information or documents that were already in the public domain or entered into the public domain through no fault of Client or Company, or were made publicly available by third parties.
- (g) Any confidentiality provisions apply worldwide and for two (2) years following expiration or termination of any License.

 - (v) only use an unmodified version of a SonarQube and/or SonarLint tool that was downloaded from <https://www.sonarlint.org/> or <https://www.sonarqube.org/>.
- (b) Client is not authorized to operate any Products on any SonarQube Instance in which any part of the Edition shall have been modified by Client or any third party. Client shall further be responsible for ensuring compliance with all of the provisions contained in Sections 10 (Prohibited Use and Restrictions) and 11 (Unauthorized Use or Distribution) below, whether by itself, its agents, employees, consultants or any subcontractors. Any violation of Client's abovementioned obligations shall lead to an automatic termination of all Licenses obtained by that Client. In the event that Client seeks to modify any version of any part of an Edition, Company may cease providing Support, and Company shall no longer have any obligations whatsoever to Client. Client shall be solely responsible for all consequences of any modifications made by it to any part of an Edition.
- (c) Client is responsible for its own use of any Products and for verifying the absence of any viruses, spyware or malicious programming.

10. PROHIBITED USES AND RESTRICTIONS

- (a) Company's Editions may be used for lawful purposes only, and Client shall only request Support for lawful purposes. Client shall use all Editions in compliance with all local and international applicable laws or regulations as may apply. Any transmission, storage, or distribution of any information, data, or material in violation of any such applicable laws or regulations is expressly prohibited.

 - (iv) publish, promote, broadcast, circulate or otherwise seek to make any commercial use of Company's name, trade name, trademarks, service marks or logo, without the prior written consent of Company which may be withheld without cause; or

- (v) commit any malicious act or permit any such act, by action or omission, the likely result of which would be that Company's reputation might be brought into disrepute or which act or omission could reasonably be expected to be prejudicial or have a material adverse effect on Company's interests.

11. UNAUTHORIZED USE OR DISTRIBUTION

(a) Except as set forth herein, Client:

- (i) may not, whether through deliberate or negligent act or act of omission of its employees, consultants or subcontractors or otherwise, resell, distribute or cause the distribution of any Product to any third party other than for an Authorized Use, or use any Product on any SonarQube Instance other than the SonarQube Instance for which it was originally purchased (in which case separate Products should be bought for those other SonarQube Instances);
- (ii) shall prohibit, by appropriate measures, any unauthorized resale, access to, or use of any Product on any other SonarQube Instances than the one for which a License was obtained;
- (iii) shall not use the Product to analyze code outside of its SonarQube Instance, which is not already analyzed in its SonarQube Instance;

- (v) shall report the discovery of any violations of Sections 10 or 11 of this Agreement to Company in writing, within thirty (30) calendar days of discovering any such violation.

(b) Any of the aforementioned violations will entitle Company, in addition to any other rights or claims that Company may have against Client or other third parties, and in addition to any other undisputed fees payable by Client under this Agreement, to retroactively charge Client a fee calculated on the basis of the number of prohibited distributions or uses multiplied by the respective list prices that Company charges for related Support or Products for each SonarQube Instance.

12. REPRESENTATIONS AND WARRANTIES

(a) Company represents and warrants that its Products do not, and will not, knowingly contain any computer code that:

- (i) is designed to disrupt, disable, harm, modify, spy on, delete or otherwise impede in any manner, including aesthetic disruptions or distortions, the operations of any of Client's software, firmware, hardware, computer systems or networks (sometimes referred to as "viruses" or "worms");
- (ii) would disable the Products or Client's systems or impair their operation based on the elapsing of a period of time or for exceeding the maximum numbers of Lines of Code during the effective period of any License; or
- (iii) would permit Company or any third party to access a Product or Client's systems, whether or not to cause disablement or impairment (sometimes referred to as "trap doors," "access codes" or "back door" devices).

(b) Company represents and warrants to the best of its knowledge and belief that:

- (i) it has obtained all rights, approvals and consents necessary to perform its obligations and grant all rights licensed to Client under this Agreement;
- (ii) all Products and Support will correspond to their descriptions on the Website; and
- (iii) Company is authorized to sell or perform, as the case may be, any Product and/or Support purchased.

(c) If Client discovers the non-conformance of any Products or Support to any of the above representations or warranties under Clauses 12(a) or (b) above, Client may within twenty (20) days, at its sole option but without cost or liability to Company:

- (i) cancel the relevant Product or Support;
- (ii) cancel any other Products or Support or pending orders for such other Products or Support previously ordered by Client from Company that Client would be unable to use as a result thereof; and
- (iii) request a pro-rata refund for the remaining term during which Client will be unable to benefit from use of the Products or Support in question, upon providing substantiating evidence of such non-conformance under this Section 12, which would prevent it from being able to use such Products or Support.

(d) Company shall not be liable for any non-conformance under this Section 12 of which it had no actual knowledge.

13. DISCLAIMER

(a) Save as may be expressly provided otherwise in this Agreement, all Products and Support are provided on an "as is" basis and on an "as available" basis without any warranties or representations, whether express or implied, oral or written, of any kind or nature, including, but not limited to, any warranties of quality, performance, non-infringement, merchantability or fitness for any particular purpose. Company hereby expressly excludes

- (b) Company does not warrant that its Products are error-free or that they will operate without interruption. Nor does Company make any warranty or representation with respect to the performance, quality, reliability, or security of any of its Products or Support.
- (c) Company makes no guarantee as to the availability of its Products and Support and Company shall not be responsible for any loss resulting from the loss or deletion of any data or information resulting from the use of any Products or Support, or any network or system outages, file corruptions, or for any other alleged consequences of having used any Products or Support.
- (d) Company does not make any warranties or representations regarding freedom to operate or non-infringement of any Intellectual Property rights of any third parties with respect to any Products or Support, save for the statements of belief made in Clauses 6(a) and (d) above. Subject to the foregoing, Client shall be solely responsible for any such occurrence and Company expressly disclaims any responsibility or liability in such cases.
- (e) Company assumes no liability hereunder for any uses of any Products or Support by Client, and Company shall have no obligation to indemnify or defend Client or to pay any costs, damages or attorneys' fees for any claims based upon Client's use of or modifications to any Product or any combination of any Product with any other products purchased, developed, done by or for the Client on its own or with third parties.

14. LIMITATION OF LIABILITY

- (a) Save for willful breach of this Agreement or gross negligence by either Party, or a breach by Client of its obligations under Sections 10 (Prohibited Uses and Restrictions) or 11 (Unauthorized Use or Distribution) of this Agreement, neither Party will be liable for any lost profits nor for any special, indirect, incidental or consequential damages, costs or expenses, regardless of the form of action, even if such Party is advised of the possibility of such damages in advance. The foregoing liability limitations shall apply to the maximum extent allowed by the applicable law of this Agreement.
- (b) Save for willful breach of this Agreement or its gross negligence, in no event will Company's aggregate liabilities under any claims arising out of this Agreement exceed the fees paid by Client under this Agreement within the previous twelve (12) months for that Product or Support.
- (c) Should any of the foregoing liability limitations not be allowed by the applicable law of this Agreement, then the liability of Company, and the remedy of Client, shall be limited to:
 - (i) the re-supply of any defective Product or Support; or
 - (ii) the refund of any amounts paid by Client for such defective Product or Support.

15. REVOCABLE PUBLICITY RIGHTS

- (a) Client grants Company the revocable right to include Client's name and/or logo in a list of its customers, which may be publicly displayed on the Website, together with other customers of Company.
- (b) Client may revoke the publicity right granted in Clause 15(a) above at any time, or request to cease appearing on Company's Website at any time, by submitting a written request via e-mail to: contact@sonarsource.com, or by regular mail sent to the address indicated above. Company shall comply with such a termination or revocation request within ten (10) business days from receipt of such notice.

16. ASSIGNMENT

- (a) Company and Client shall be entitled to assign or transfer their rights and/or obligations under this Agreement to a purchaser of all or a substantial part of its assets, without the other Party's consent.

- (a) The term of this Agreement shall be one (1) year from the Commencement Date for each Product or Support that is purchased by Client. Client may renew this Agreement by renewing or ordering a new Product or Support prior to or on the expiration date for the original Product or Support.
- (b) Company and Client may terminate this Agreement by written mutual agreement at any time. Client may terminate this Agreement unilaterally, at any time and without cause, by providing at least three (3) months' prior written notice to Company. Company may also terminate this Agreement unilaterally, at any time and without cause, by providing prior written notice to Client at least three (3) months before the expiration date of any License currently in effect. In any of these events, amounts paid by Client will not be refundable except where Company is found to be in material breach of this Agreement, or other special circumstances exist to be determined at the sole discretion of Company. Any such permitted refunds shall be on a pro-rata basis only, for the remaining period of the Agreement.
- (c) Company may terminate this Agreement unilaterally at any time without prior notice if Client commits a material breach that is not cured within thirty (30) days following receipt of notice or Client being aware of this breach. Failure to fulfill the obligations of Sections 5 (Payment), 6 (Intellectual Property Rights), 8 (Confidentiality), 9 (Client's Obligations), 10 (Prohibited Use and Restrictions) and 11 (Unauthorized Use or Distribution) will be considered a material breach and may, at the sole discretion of Company, be cause for termination of this Agreement at Client's expense. In such an event and subject to the exceptions set out in Clause 6(d) and Clause 12(c)(iii), amounts paid by Client will not be refunded and Company reserves the right to bring claims for damages and to deactivate Client's account and delete any records relating to the account. Immediately upon receipt of notification of termination from Company (which may be oral or in writing), Client shall:
- (i) cease using the Product;
 - (ii) cease requesting Support;
 - (iii) destroy any corresponding Activation Keys; and
 - (iv) provide Company with written confirmation of such destruction within fifteen (15) days from the date of termination.
- (d) Sections 5 (Payment), 6 (Intellectual Property Rights), 7 (Personal Information), 8 (Confidentiality), 9 (Client's Obligations), 10 (Prohibited Use and Restrictions), 11 (Unauthorized Use or Distribution), 13 (Disclaimer), 14 (Limitation of Liability), 15 (Revocable Publicity Rights), 19 (Governing Law and Jurisdiction) and 21 (General Conditions) shall survive termination of this Agreement for any reason.

18. FORCE MAJEURE

Neither Party shall be deemed in default or otherwise be liable under this Agreement (except for payments due) as a result of its inability to perform its obligations hereunder by reason of any fire, earthquake, flood, substantial snow storm, epidemic, accident, explosion, casualty, strike, lock-out, labor controversy, riot, civil disturbance, act of public enemy, embargo, war, act of God, or any municipal, county, state, provincial, territorial or national ordinance or law, or any executive, administrative or judicial order (which order is not the result of any act or omission which would constitute a default hereunder) or any failure or delay of any transportation, power or communication system or any other similar cause beyond that Party's control.

19. GOVERNING LAW AND JURISDICTION

- (a) This Agreement is deemed to have been made under and shall be governed by and construed in accordance with Swiss law.
- (b) Any dispute, controversy or claim arising under, out of or relating to this Agreement and any subsequent amendments of this Agreement, including, without limitation, its formation, validity, binding effect, interpretation, performance, breach or termination, as well as non-contractual claims, shall be submitted to mediation in accordance with the WIPO Mediation Rules in effect at that date. If, and to the extent that, any such dispute, controversy or claim has not been settled pursuant to the mediation within ninety (90) days of the commencement of the mediation, it shall, upon the filing of a Request for Arbitration by either Party, be referred to and finally determined by arbitration in accordance with the WIPO Expedited Arbitration Rules in effect at that date.
