4 As described in the UPS Rate and Service Guide and the UPS Tariff/Terms and Conditions of Service.

5 Applies to customers who (1) shipped more than 1,000 total packages in any week after February 2020, or (2) shipped more than 10 combined Large Packages or packages requiring Additional Handling in any week after February 2020, or (3) signed up for a new UPS account after December 31, 2020. If any of these criteria are met, the Peak Surcharges apply until further notice to all Large Packages and packages requiring Additional Handling. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.

6 Applies to customers whose combined volume of Ground Residential and SurePost packages have exceeded 25,000 packages in any week after February 2020, regardless of the volume of customer's shipments for any particular service level. Once this threshold has been met, the Peak Surcharges apply until further notice to both service levels. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion. The Peak Surcharges apply to all Ground Residential and SurePost packages in any weekly invoice period exceeding 110% of the customer's average weekly volume for the applicable service level for February 2020 (February 2 through February 29, 2020). For holiday weeks that are not full UPS operating weeks, the surcharge will apply to all packages in that weekly invoice period exceeding 110% of the customer's average daily volume for the applicable service level for February 2020 multiplied by the number of full UPS operating days in that week. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.

7 As described in the UPS Rate and Service Guide and the UPS Tariff/Terms and Conditions of Service.

8 Applies to customers whose combined volume of Ground Residential, SurePost, Next Day Air Residential, and All Other Air Residential packages have exceeded 25,000 packages in any week after February 2020, regardless of the volume of customer's shipments for any particular service level. Once this threshold has been met, the Peak Surcharges apply until further notice to all service levels. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion. The Peak Surcharges apply to all Ground Residential, SurePost, Next Day Air Residential, and All Other Air Residential packages in any weekly invoice period exceeding 110% of the customer's average weekly volume for the applicable service level for February 2020 (February 2 through February 29, 2020). For holiday weeks that are not full UPS operating weeks, the surcharge will apply to all packages in that weekly invoice period exceeding 110% of the customer's average daily volume for the applicable service level for February 2020 multiplied by the number of full UPS operating days in that week. If customer's average weekly volume for the applicable service level from August 29, 2021 through October 2, 2021 is less than 80% of its average weekly volume from February 2, 2020 through February 29, 2020, as determined by UPS in its sole and unlimited discretion, then customer's average weekly volume from August 29, 2021 through October 2, 2021 will be used for purposes of applying the Peak Surcharge for that service level for the remainder of the Peak Period. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.
