D5-CORPORATE HAS COME WITH **07 + 01** BONUS COLOR SCHEMES

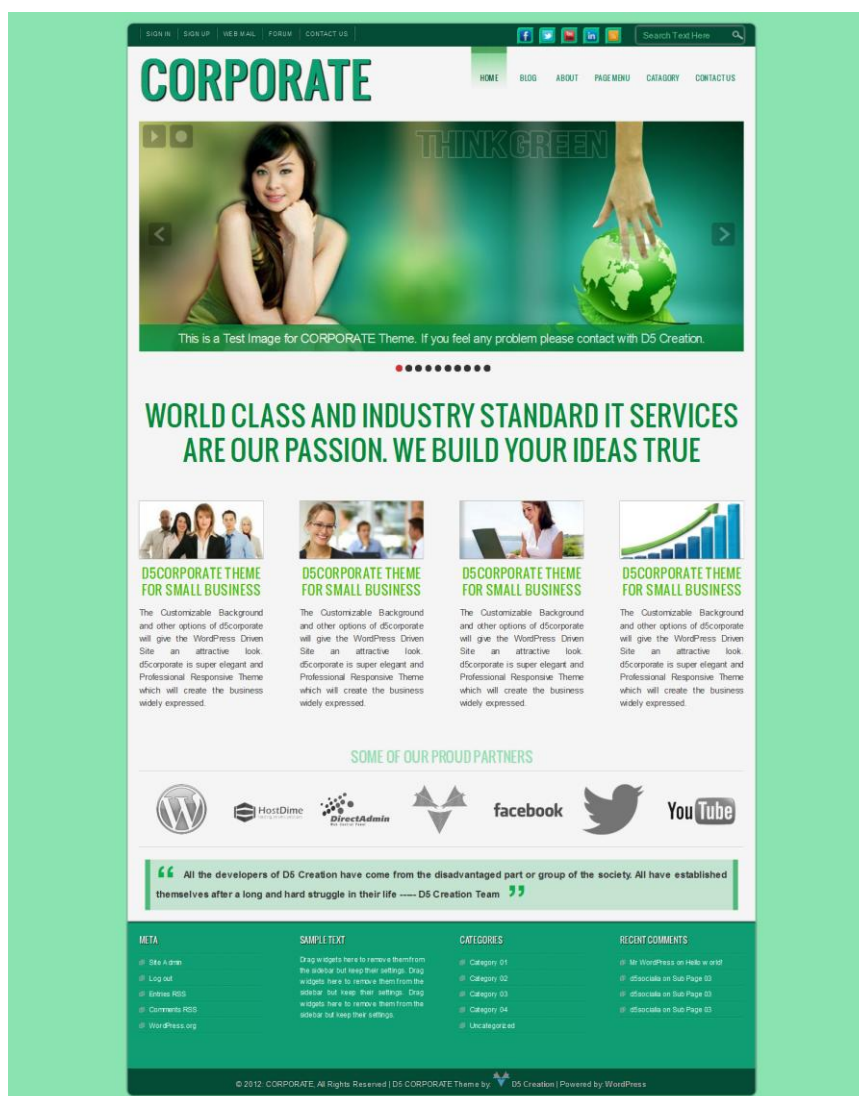

SETUP PROCESS

STEP 01

- Go to <http://d5creation.com>
- Log in to D5 Creation Site with your User ID and Password. You will find the Login Box in the top right corner of D5 Creation Site.
- Go to <http://d5creation.com/theme/corporate>
- Download the Pro Version of the Theme.

STEP 02

- Install and Activate the Theme CORPORATE. You will find the Instruction of Installation in this link: <http://d5creation.com/themefaq>
- If you visit your site now the site will look like the following image.

- The default **Color Scheme** is **Green**. There will be 10 default Sliding Images with Sample Caption. If everything normal the Images will be starting Sliding and the Sliding Effects will be Random.

STEP 03

- Go to WordPress Dashboard. And Select **Appearance > Menus**
- D5 CORPORATE has two different Menu Locations. Main Menu is the Primary Menu which may show your main Pages. Top Menu is the Secondary Menu which may show your sub items like Contact Information. Main Menu Supports Child Menus but Top Menu doesn't support Child Menus.

The image shows the WordPress dashboard's 'Menus' settings page and the resulting website header. The 'Menus' page is titled 'Menus' and has tabs for 'Main_Menu' and 'Top_Menu'. Under 'Theme Locations', it says 'Your theme supports 2 menus. Select which menu appears in each location.' The 'Main Menu' dropdown is set to 'Main_Menu' and the 'Top Menu' dropdown is set to 'Top_Menu'. A 'Save' button is visible. Below this is the 'Custom Links' section with fields for 'URL' (http://) and 'Label' (Menu Item). On the right, the 'Main_Menu' is configured with items: Home, Blog, Clearing, About, Level 1, and Level 2. Two red arrows point from the 'Main Menu' dropdown in the settings to the 'HOME' and 'BLOG' links in the website header. The website header features a dark blue navigation bar with 'SIGN IN', 'SIGN UP', and 'CONTACT US' links, social media icons, and a search bar. Below this is a light blue header with the word 'CORPORATE' in large blue letters and a navigation menu with 'HOME', 'BLOG', 'CLEARING', 'ABOUT', 'PARENT PAGE', and 'LOREM IPSUM' links. A banner image with the text 'BLUE INSIDE' is visible at the bottom.

- Create those Two Menus. You can find the instructions in this link: <http://en.support.wordpress.com/menus>

STEP 04

- Go to WordPress Dashboard. And Select **Appearance > Widgets**
- D5 Corporate has 06 Widget Areas. Primary and Secondary Sidebars will display the Widgets in Right Side of your Site. And Footer Area One, Footer Area Two, Footer Area Three, Footer Area Four will display the Widgets in the Footer Area.

The screenshot displays the WordPress Widgets management interface. The 'Available Widgets' section lists various widget options, including Archives, Calendar, Categories, Custom Menu, Links, Meta, Pages, Recent Comments, Recent Posts, RSS, Search, and Tag Cloud. The 'Inactive Widgets' section is empty. The 'Primary Sidebar' and 'Secondary Sidebar' sections are empty. The 'Footer Area One' through 'Footer Area Four' sections are empty. Red arrows point from the 'Available Widgets' section to the corresponding widget areas in the footer of the site preview below. The site preview shows a footer with four widget areas: 'RECENT COMMENTS', 'SAMPLE TEXT', 'RECENT POSTS', and 'ARCHIVES'. A 'CALENDAR' widget is also visible in the main content area.

- Design the Widgets. This link may help you:
<http://en.support.wordpress.com/widgets>

STEP 05

- Go to WordPress Dashboard. And Select **Appearance > Background**
- You can edit or change the Background of your Site. It is not recommended if you don't really need it. The CORPORATE 08 Color Schemes are designed with best possible Color Combinations.

The screenshot shows the WordPress Custom Background settings page. On the left is a sidebar menu with options: Dashboard, Posts, Media, Links, Pages, Comments, Appearance (selected), Themes, Widgets, Menus, Theme Check, D5 CORPORATE Options, Header, Background Editor, Plugins, and Users. The main content area is titled 'Custom Background' and is divided into three sections: 'Background Image', 'Display Options', and a 'Save Changes' button. The 'Background Image' section includes a 'Preview' area, a 'Select Image' section with options to 'Choose an image from your computer' (via a 'Browse...' button and 'Upload' button) and 'Or choose an image from your media library' (via a 'Choose Image' button). The 'Display Options' section includes a 'Background Color' field with a '#' symbol and a 'Select a Color' link.
