

# Contributor day

Welcome & Thank You

Please bring your laptop and charger

Please register for a **WordPress.org Account**.

Create a **WordPress Slack Account**.

- Login with your wordpress.org account on this link. [make.wordpress.org/chat/](https://make.wordpress.org/chat/)
- Scroll on that page to “Joining the WordPress team on Slack” and enter your email address.
- If you can, make your Slack and WordPress.org Usernames the same.
- After you sign up for WordPress Slack, the email associated with your Slack username will be [wporgusername]@chat.wordpress.org. This is important if you forget your password.
- Find the right channel and join.
- Bonus points for uploading a photo so people recognize you.

You may need to refer to the **Trac Onboarding Guide**.

<https://make.wordpress.org/core/handbook/tutorials/trac/new-user-quick-start/>

You may need to create a **Trello Account**.

Some teams like Design and Marketing use Trello to manage tasks.

<https://trello.com/signup>
