

success WITH LESS

Beyond the Book: Success With Less Experiences

Accelerate your path toward realizing "Success With Less" with inspirational and immersive experiences that bring the concepts in the book to life. From keynotes to hands-on workshops, customize the engagement that energizes your audience and provides the tools they need to succeed personally and professionally.

Keynote:

Inspiring insights to open or close a workshop, conference or meeting aligned to your key themes.

Keynote with Panel:

Inspiring insights paired with a moderated panel discussion that features experts relevant to your audience.

Accelerate Your Career Workshop:

A hands on workshop where each participant will leave better equipped to describe his / her strengths, accomplishments, aspirations, and asks.

Dare to Dream Workshop:

A hands on workshop where each participant will leave with a clear focus on one big goal along with a plan to make progress toward realizing success with that goal.

Hybrid:

Combine options to maximize inspiration and the ability to take immediate action.

Pricing:

Available upon request. Dependent on event duration, audience size and travel requirements.
