**Re: Notice of Breach of .JOBS Registry Agreement**

Dear Gary:

I am writing to confirm our conversation on 26 April 2011. I understand that your client, Monster.com, is interested in the discussions between ICANN and Employ Media regarding ICANN's 27 February 2011 Notice of Breach letter. As I noted during our call, ICANN has posted relevant information relating to the status of the Notice of Breach letter on its correspondence page (*see* <http://www.icann.org/en/correspondence/>). While ICANN continues discussing compliance with its contracted party, Employ Media, it will post further relevant information as is appropriate. Accordingly, you may want to check the correspondence page from time to time for other publicly posted updates. Thank you.

Sincerely,

Eric P. Enson
