

# Your Guide to the E-Paper

The E-Paper is a digital replica of The Post and Courier print edition **available to subscribers at no charge**. Flip through the pages of the E-Paper and enjoy an interactive experience. Access **bonus content** available only on the E-Paper including complete stock market pages and more puzzles and games.

## 1. Activate your digital subscription

If you have not yet activated your digital subscription go to [postandcourier.com/account](http://postandcourier.com/account), "Get Started." Access the E-Paper at the top of the screen.

Get Started

## 2. Start enjoying!

The E-Paper looks exactly like the print newspaper.

- Flip through the pages using the arrow keys at the top of the page or swipe using your mouse or finger on a tablet.
- Use the magnifying glass to zoom in or out.
- Double-click on a headline to read the article in text version.
- Toggle between the sections on the task bar, or use the Table of Contents in the left hand corner.
- Bonus puzzles and complete stock market reports can be found on the task bar at the top of the page.
- Ad inserts can be found in the table of contents under "Circulars."
