## User Testimonial

They are really true partners.  
They have helped us avoid penalties.  
They made our lives much easier.  
We're growing our businesses together.  
They are supply chain system enablers.  
There's no substitute for experienced professionals.  
They are on top of our changing business requirements.  
They knew just what to do.  
They launched a private online auction marketplace for us.  
We now have greater capacity to serve our residents.  
We have complete logistical expense data now.  
They help our supply chain run smoothly.  
They have been an instrumental enabler and flexible partner.  
They have consistently excelled at everything.  
Clients get money-saving advice.  
We haven't found a better 3PL.  
Now we can prepare more accurate forecasts.  
They are familiar with all of our Asian and European partners.  
They streamlined our supply chain and made our entire process efficient.  
Their solution was the perfect recipe for us.  
They facilitated a great multichannel customer experience.  
They saved us money and improved our logistics model.  
We're positioned now for further growth.  
They swiftly reacted to our transportation crisis.  
They really helped boost our productivity.  
We knew they were focused on our business.  
They enabled our operational and strategic planning.  
They supported us during every opportunity and challenge.  
They substantially increased the turnaround of quotes to customers.  
Our picking productivity has increased.  
They simplified the way we manage global commerce.  
Their value-add is in data visibility, networking optimization and project management.  
They resolve any issues in a timely manner.  
We could not have been more pleased with a provider.  
They are very detail-oriented.  
They have helped us tremendously.  
They are very helpful and responsive.  
We are so glad we picked the right partner.  
They helped us avoid a big problem.  
They know the food and beverage supply chain business.  
They always look to add value.  
This company values excellence.  
Their tool gave us real-time decision support.  
They're committed to open and consistent communication.  
We find their knowledge invaluable.  
They gave us a comprehensive menu of logistics services.  
They clearly explained the needed supply chain changes.  
We have seen big productivity gains.  
They helped us tie up less cash in inventory.  
They strive to offer the best logistics services.

## User Testimonial

We have found their work to be top-notch.  
 They have great capabilities and connectivity options.  
 They gave us the tools to align all the facets of the supply chain.  
 A real synergy formed between our companies.  
 They make it easy to navigate through the process.  
 We value the post-project relationship with them.  
 They understood our needs better than we did.  
 Now we can maintain audit and compliance records.  
 Efficiency and a global network.  
 Excellent at supply chain fulfillment and freight forwarding.  
 Great service and rapid response.  
 They manage our import data very well.  
 A reliable partner for our strategic sourcing needs.  
 More than technology experts, they are logistics professionals as well.  
 Their team is keenly aware of our business needs.  
 Though they have grown, they have not forgotten the personal touch.  
 They deserve the recognition.  
 Helped us make the most of our truck fleet.  
 They understood every nut and bolt of our distribution process.  
 We've been able to scale to more than 800 trailer visits a day.  
 Through their distribution and warehouse solutions, we've grown sales by more than \$300,000.  
 They have an outstanding record in the industry.  
 They've raised the bar for other transportation service providers.  
 We now have insights into our sub-tier supply chain.  
 We have more than risk management, we have risk control.  
 Their customer service is structured to fit our needs.  
 Their solutions give us the insight to better anticipate customer demand.  
 We outsourced all logistics needs, and we're glad we did.  
 Helped us improve data transition between databases.  
 They helped us grow the LTL segment of our business.  
 They helped us achieve our objectives.  
 An agile and extremely proactive team.  
 As our logistics needs evolved, they were right there.  
 They do their work with enthusiasm.  
 The visibility they enabled will be a game changer for us.  
 They have highly flexible solutions.  
 Their Forecasting Benchmark Study is very helpful.  
 They helped our omnichannel initiative.  
 If there is a problem, they are quick to find the solution.  
 Whatever the project, they were up to it.  
 They ensure regulatory compliance and on-time delivery.  
 It has a knowledgeable staff eager to assist.  
 Creative, reliable and innovative.  
 With them, we knew our inventory was accurate and protected.  
 They helped our supply chain evolve.  
 They're large but personal.  
 Everything was configured to our requirements.  
 They got us to where we needed to be.  
 They played a major role in our success.  
 They made significant contributions to our DC design concepts.
