Doctoral School

University of Alicante

*A PhD represents the highest academic grade granted by the university.
PhD studies in Spain are regulated by Royal Decree 99/2011.*

● Undertake your PhD at the University of Alicante

The Doctoral School of the University of Alicante offers 29 verified and high-quality PhD degrees in all areas of knowledge.

The internationalization of our PhD programs is a reference of quality that contributes to strengthen the outstanding role that future doctors must play in all sectors of society.

● Access requirements:

- European Higher Education Area: Undergraduate degree certificate + master's degree certificate, with at least 300 ECTS.
Former second-cycle undergraduate degree / architecture degree / engineering degree certificates (level 3 of the Spanish Framework for Higher Education Qualification).
- Geographical areas other than EHEA: University degree giving access to the PhD degree in the country where the degree certificate was issued.

● Access, pre-registration and registration information:

<https://edu.ua.es/en/information/students/admission-and-registration/pre-registration/2021-2022/first-phase-pre-registration-period.html>

● Specific information on doctoral programs:

<https://edu.ua.es/en/phd-degrees/phd-programmes.html>

● Information on academic services fees:

<https://edu.ua.es/en/information/students/on-phd-degrees/phd-fees.html>

● Doctoral thesis with international joint supervision (cotutela internacional):

International joint supervision allows candidates to prepare and defend their doctoral thesis in cooperation with other foreign universities and getting the PhD certificate by both universities.

<https://edu.ua.es/en/information/phd-thesis/phd-thesis-with-international-joint-supervision.html>

● Doctoral thesis with International PhD Endorsement or with Industrial PhD Endorsement

It is possible to request the **inclusion of the International PhD Endorsement or the Industrial PhD Endorsement** in the PhD degree certificate, provided candidates meet the requirements established by Royal Decree 99/2011 of January 28 (BOE No. 35 of 10/02/2011) and subsequent modifications, regulating official PhD studies.

PhD programs offered in the 2020/2021 academic year:

PhD PROGRAMMES	UNIVERSITY BODY IN CHARGE	COORDINATOR
Water and Sustainable Development	• Institute of Water and Environmental Sciences	DANIEL PRATS RICO

PHD PROGRAMMES	UNIVERSITY BODY IN CHARGE	COORDINATOR
Biodiversity and Preservation	• Institute of Biodiversity CIBIO	JOSÉ RAMÓN VERDÚ FARACO
Experimental and Applied Biology	• Physiology, Genetics and Microbiology Department • Agrochemistry and biochemistry Department	NICOLÁS CUENCA NAVARRO
Materials Science	• Institute of Materials	DIEGO CAZORLA AMORÓS
Health Sciences	• Faculty of Health Sciences	MARÍA FLORES VIZCAYA MORENO
Marine Science and Applied Biology	• Marine Sciences and Applied Biology Department	LUIS VICENTE LÓPEZ LLORCA
Experimental and Biosanitary Sciences	• Faculty of Sciences	MONTSERRAT HIDALGO NÚÑEZ
Conservation and Restoration Ecosystems	• Ecology Department	SUSANA BAUTISTA AGUILAR
Law	• Faculty of Law	ÁNGELES RÓDENAS CALATAYUD
Economics	• Fundamentals of Economic Analysis Department • Applied Economic Analysis Department	MARÍA DOLORES COLLADO VINDEL
Economics <i>Interuniversity program with the following Spanish universities: Murcia, Miguel Hernández, UNED, and Politécnica de Cartagena.</i>	• Quantitative Methods and Economic Theory Department	MARÍA DOLORES GUILLÓ FUENTES
Electrochemistry Science and Technology <i>Interuniversity program with the following Spanish universities: Autónoma de Barcelona, Autónoma de Madrid, Politécnica de Cartagena, Barcelona, Burgos, Córdoba, Lleida, Murcia, Sevilla, and Valencia.</i>	• Faculty of Sciences	ENRIQUE HERRERO RODRÍGUEZ
Business, Economics and Society	• Faculty of Economic and Business Sciences	JOSÉ A. MIRANDA ENCARNACIÓN
Historical and Social Studies on Science, Medicine and Scientific Communication <i>Interuniversity program with the following Spanish universities: Valencia and Miguel Hernández (Elche).</i>	• Community Nursing, Preventive Medicine, Public Health and History of Science Department	ANTONIO GARCÍA BELMAR
Interdisciplinary Gender Studies <i>Interuniversity program with the following Spanish universities: Autónoma de Madrid, Huelva, Alcalá, La Laguna, Illes Balears, Jaume I, and Rey Juan Carlos.</i>	• Institute for Research in Gender Studies	MÓNICA MORENO SECO
Philosophy <i>Interuniversity program with the following Spanish universities: Murcia, Almería, Castilla la Mancha, La Laguna, and Zaragoza.</i>	• Contemporary Humanities Department	ELENA NÁJERA PÉREZ

PHD PROGRAMMES	UNIVERSITY BODY IN CHARGE	COORDINATOR
Philosophy and Arts	• Faculty of Arts	JUÁN MANUEL ABASCAL PALAZÓN
Physics Applied to Sciences & Technologies	• Physics Applied to Science and Technologies Institute	CRISTIAN NEIPP LÓPEZ
Humanities and Social Studies of Latin America	• Institute of Social Studies of Latin America	JAVIER VIDAL OLIVARES
Computer	• Institute for Computer Research	JOSÉ GARCÍA RODRÍGUEZ
Materials, Structures and Landscape Engineering: Sustainable Construction	• Civil Engineering Department	ISIDRO SÁNCHEZ MARTÍN
Chemical Engineering	• Chemical Engineering Department	IGNACIO MARTÍN GULLÓN
Educational Research	• General Didactics and Specific Didactics Department • Developmental Psychology and Didactics Department • Didactics Innovation and Training Department	JUAN LUIS CASTEJÓN COSTA
Mathematical Methods and Modelling for Sciences and Engineering	• Applied Mathematics Department • Mathematics Department	JOSÉ MANUEL FERRÁNDIZ LEAL
Nanoscience and Nanotechnology <i>Interuniversity program with the following Spanish universities: Valencia, Jaume I, La Laguna, and Castilla la Mancha.</i>	• Applied Physics Department	CARLOS UNTIEDT LECUONA
Organic Synthesis	• Institute of Organic Synthesis	ALBERT GUIJARRO PASTOR
Translation Science, Professional and Audiovisual Translation <i>Interuniversity program with the Spanish University of Valladolid.</i>	• Translation and Interpreting Department	PEDRO JOAQUÍN MOGORRÓN HUERTA
Intercultural and Historical Transfers in the Mediterranean Medieval Europe	• Faculty of Arts	VICENT MARTINES I PERES
Tourism <i>Interuniversity program with the following Spanish universities: Antonio de Nebrija, Cádiz, Complutense de Madrid, Extremadura, La Laguna, Málaga, Oberta de Catalunya, Rey Juan Carlos, Santiago de Compostela, Sevilla, and Vigo.</i>	• Institute of Tourism Research	JOSÉ FERNANDO VERA REBOLLO

● Management team

Ángeles Sirvent Ramos (Doctoral School Dean)
Carmen Pire Galiana (Doctoral School Academic Secretary)
Mercedes Núñez Grañón (Quality Coordinator of the EDUA)
