IMPORTANT INFORMATION ABOUT YOUR ORDER

DO NOT use this form for any request relating to post-1912 military service in World War I or II, or subsequent service. Write to: *National Personnel Records Center, 1 Archives Drive, St. Louis, MO 63138*. For additional information about these later records, visit eVetrecs at www.archives.gov/veterans.

Military service records rarely contain family information. Federal pension files may be requested on NATF Form 85. Pension application files generally are most useful to those who are doing genealogical research and contain the most complete information regarding a soldier's military career. We suggest that you first request copies of a soldier's pension file. You should request copies of a bounty-land warrant file or a military record only when no pension file exists. If the veteran's service was during the Revolutionary War, bounty-land warrant applications have been consolidated with pension application papers. You can obtain both files by requesting the pension file only. We will copy complete compiled military service and bounty-land application files. More information about the availability of records pertaining to military service or family histories may be found in our free genealogical information leaflets and forms. You may request these, as well as order additional copies of this form, online at www.archives.gov/contact or by writing to: *Archival Operations Washington D.C., Form 86 – Military, National Archives and Records Administration, 700 Pennsylvania Avenue, NW, Washington, DC 20408-0001*. Electronic versions of this and other forms are available on the NARA website, www.archives.gov.

The success of our search depends on the completeness and accuracy of the information you provide in blocks 1-13 on this form. Please note that each NATF Form 86 is handled separately. When you send more than one form at a time, you may not receive all of your replies at the same time.

**USE NATF FORM 85 TO OBTAIN COPIES OF
FEDERAL PENSION AND BOUNTY LAND WARRANT APPLICATIONS****INSTRUCTIONS FOR COMPLETING THIS FORM**

Print your name (last, first, MI) and address in the box provided at the bottom of the form. This serves as your mailing label. **We destroy requests without return addresses.** Please enter the Card Validation Code, found on your card, in the space provided on the form (three or four digits). We will make reproductions of records that relate to your request. We accept Master Card, VISA, American Express, and Discover credit cards. Do NOT send cash or check. TYPES OF RECORDS THAT CAN BE ORDERED WITH THIS FORM

ARMY SERVICE RECORDS

Military service records are based on service in the UNITED STATES ARMY (officers who served before June 30, 1917, and enlisted men who served before October 31, 1912) and CONFEDERATE ARMED FORCES (officers and enlisted men, 1861-65). In addition to persons who served in regular forces raised by the Federal Government, volunteers fought in various wars chiefly in the Federal Government's interest from the Revolutionary War through the Philippine Insurrection, 1775-1902.

Compilations of information concerning Army service in volunteer organizations during the nineteenth and early twentieth centuries are available. Such records were not compiled for Regular Army officers who served before 1863 and for Regular Army enlisted men who served during most of the nineteenth century. Records pertaining to that service tend to be limited. We will copy those records which pertain to the soldier in question that can be retrieved by name. This will not represent all of the information scattered among a variety of records. We are not able to undertake the research required to locate all such documents.

The record of an individual's service in any one organization is entirely separate from his record of service in another organization. We are unable to establish accurately the identity of individuals of the same name who served in different organizations. If you know that an individual served in more than one organization and you desire copies of all of the military service records, submit a separate form for the service record in each organization.

Discharge certificates are not usually included as a part of a compiled military service record. Before 1944, Army regulations allowed the preparation of an original discharge certificate only, which was given to the soldier. Confederate soldiers in service at the time of surrender did not receive discharge certificates. They were given paroles, and these paroles became the property of the soldier.

NAVY OR MARINE CORPS SERVICE RECORDS

There are no compiled service records for Navy or Marine Corps personnel. Do not use this form to obtain information about obtaining reproductions of records relating to Navy or Marine Corps service. You may obtain information by contacting us online at www.archives.gov/contact or by writing to *Archival Operations Washington D.C., Form 86 – Military, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001*.

RETURN POLICY: Due to various factors, it is occasionally difficult for NARA to make a legible reproduction. NARA will notify customers and ask for approval to proceed if we anticipate a reproduction of questionable legibility. As a result, NARA does not provide refunds except in special cases. If a customer requests a refund, we review the order to determine if we properly notified the customer of the questionable nature of the original and if the product is a true representation of the original. If the product is a true representation of the original, we will not issue a refund. If you feel we processed your order incorrectly or it contains errors, please contact us within 30 days of your delivery date to have your issue verified. Once we verify the issue, we will correct the error and resend the documents. If we cannot correct the error, you will receive a refund.

ELECTRONIC TRANSFER: Electronic transfer allows you to download your files from a site, as opposed to having them mailed to you. You will be sent a link for the download. Click the link and download the file to a location of your choosing. Download speeds will vary based upon file size and your internet connection. A valid email address is necessary for electronic transfer. Total file transfers can be up to 5 GB. However, files of that size are typically separated into multiple, smaller files. Files will be available for 30 days from date of upload; downloads of the files should take place within that period. To ensure electronic receipt of your order, please add electronic.delivery@nara.gov to your trusted senders list. In some cases, certain email applications will move your reproduction orders to your spam box. Please monitor your spam box while awaiting your order.
