Intelligent PCs with Intel vPro® platform.

\*Based on Dell analysis, October 2020. <sup>1</sup> Dell Optimizer available in 2020 and 2021 devices, not available in OptiPlex 3000 series, OptiPlex 7070 Ultra, Latitude 3310 2-in-1 and Latitude Chromebook Enterprise. Feature availability and functionality varies by model. <sup>2</sup> Dell Optimizer ExpressResponse must be enabled in the Applications feature. DO learns how user uses the selected application(s) over several hours. Based on Dell testing using Sysmark 2018 benchmark on a Latitude system running productivity applications; and using performance evaluation benchmarks on Precision mobile workstations running ISV applications, March 2020. Improvement will vary based on product configuration, use, application and other factors. <sup>3</sup> Available on Latitude 9000 and select 7000 series; Precision mobile workstations 7000 and select 5000 series. See product details for availability. <sup>4</sup> ExpressCharge with Dell Optimizer (DO) requires 7 days to learn the user's behavior, then dynamically applies appropriate battery settings. DO Adaptive Battery setting must be enabled in the Power feature settings labeled "Adaptive Battery Performance". Improvement will vary based on product configuration, use, software, operating conditions, power management settings and other factors. Improvements may decrease over time. System performance may be impacted. <sup>5</sup> Within Dell Power Manager, selecting ExpressCharge can re-charge system battery from 0% up to 80% within 60 minutes. After charging has reached 80% capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging time may vary +/-10% due to system tolerance. <sup>6</sup> ExpressConnect available with Dell Optimizer software version 2.0 and onwards. Download the latest at <https://www.dell.com/support/home>. <sup>7</sup> Based on Dell analysis, September 2020. Percentage of recycled content by weight.
