MEMORANDUM FOR ALL SUBORDINATE COMMANDS AND JBSA TENANT UNITS

SUBJECT: JBSA COVID-19 Guidance Memorandum #64 – Implementation HPCON BRAVO PLUS,
Categorical Exceptions to Guidance on Use of Masks and Isolation/Quarantine Protocols

1. The local incidence rate for COVID-19 has increased significantly in the last 8 days and will likely continue to increase in the coming weeks. To better protect our JBSA community while preserving our ability to perform our vital missions, I am changing the Health Protection Condition (HPCON) from BRAVO to BRAVO PLUS effective 0001 hours 6 January 2022.
2. The key measures implemented with this transition to HPCON BRAVO PLUS include:
 - Leaders should maintain less than 40 percent of normal occupancy in the workplace
 - Limit indoor social gatherings NOTE: Commander's Calls and official functions to include promotion and retirement ceremonies are considered official gatherings, not social events
 - Limit in-person meeting attendance as applicable
 - Be prepared to limit access or cancel events or exercises
 - Military commanders may restrict off-duty military personnel from off-installation venues
 - Wear your mask properly (covering the nose and mouth), enforce physical distance standards, and maintain good personal and workplace hygiene practices at all times
3. The CDC has published updated guidance. Follow current CDC guidance for testing and isolation requirements. Additional information and more specific guidance can be found here:
