

GOVERNMENT OF MANIPUR
ACTION PLAN

100 ACTION POINTS FOR FIRST 100 DAYS

MARCH 2022

In recognition of the trust of the people of Manipur, and to carry forward the development of the State, this new government will:

- Strengthen **Citizen-centric governance** - to directly meet the needs of the public,
- Fill gaps in **critical infrastructure**, and
- Strive for **inclusive development** of the entire State &
- Frame policies for **rapid economic growth** and promotion of **revenue generation**.

As a first and immediate step towards these objectives, **100 Action Points** are identified for the first **100 days** of the government.

These Action Points will provide momentum to the new government to serve the people of Manipur effectively throughout the five years.

STRENGTHEN CITIZEN-CENTRIC GOVERNANCE

In recognition of the trust of the people of Manipur, and to carry forward the development of the State, this new government will:

- 1 (a) **All Deputy Commissioners, SPs, DFOs and all employees will henceforth remain within jurisdiction of their district.** DC/SP/DFO and shall leave the district only with prior permission of the Chief Secretary/DGP/PCCF.
(b) Sub Division Development Mission will be launched. There will be designated Prabashi officers for regular monitoring and competitive ranking of progress.
- 2 Expanding the concept of 'Meeyamgi Numit', the Deputy Commissioners shall earmark one day every month for **District Meeyamgi Numit** – where the general public can bring their specific grievances or suggestions. SP, DFO and District level officers will attend the meetings.
- 3 **Scale up CMHA Scheme** (Chief Minister's Health for All).
