### Alabama Partner Spotlight

Rural Health Medical Program (RHMP) is dedicated to ensuring everyone has access to quality, affordable healthcare regardless of their ability to pay. Delta Dental's support will enable RHMP to expand its dental program and staff in each location where oral health services are provided, expand dental care to all of its locations and, over the next five years, double the number of dental encounters - currently at 15,000 per year. This expansion is pivotal as RMHP looks to double the number of patients it serves across its programs and locations to make quality healthcare available to everyone across Alabama's Blackbelt.

Since 2011, the Foundation, the philanthropic arm of Delta Dental of California, has awarded more than \$80 million across 15 states and the District of Columbia in the form of:
