# AIR FREIGHT SOLUTIONS

That caters for all your needs

## AirFlex:

### Reliable and tailored product handling

Our tailored AIRFLEX service provides back-to-back or direct service for all possible commodities and dimensions carried by passenger or freight airlines.

## AirFast: For time-sensitive shipping

Our AIRFAST service is a perfect solution for goods that are time-sensitive or highly urgent. With a pre-defined transit time of between 1-3 days, your shipment will travel in the first available capacity, preferably on scheduled passenger services.

## AirSave: The most cost-effective solution

If your main priority is cost, our AIRSAVE service is a great economy solution. This service uses GEODIS Freight Forwarding's preferred partners and our own carrier and routing options for branch-to-branch shipping of your general cargo.
