Frequently Asked Questions

1. Can I get my own workspace/studio within PRNHS?

We discourage this, especially if you are working on a commercial project. If however your project is attractive and suitable to our culture, you can still try by sending us an email.

2. Do you offer a group membership?

We normally discourage group membership such as start-up teams which require their own dedicated space and want all members to socialize with other members. If however you join with a goal to build something together, you are welcome.

3. Can I borrow the equipment out of the Hackerspace?

No. The equipment of the Hackerspace should only be used inside the Hackerspace and is not allowed to be taken out of it.
