Re: Tier III Silver Certification of Operational Sustainability of the DataPro LLC – DataPro
Moscow 1, Stage 1 Data Center

Dear Mr. Soldatov,

Uptime Institute Professional Services is pleased to announce the Tier Certification of Operational Sustainability of the DataPro LLC – DataPro Moscow 1, Stage 1 Data Center as fulfilling Tier III Silver criteria. This Certification recognizes DataPro Moscow 1, Stage 1 Data Center Operational Sustainability as realizing the full uptime potential of the Tier III installed infrastructure. Evident Management & Operations and Building Characteristics behaviors along with low site risks were observed during the Uptime Institute Professional Service audit 16-17 August, 2017.

Adherence to these behaviors and mitigation of site risks have been proven to minimize opportunities for human error – the number one cause of data center downtime.

Overall, the Operational Sustainability of the DataPro Moscow 1, Stage 1 Data Center meets the requirements for a Silver rating. This rating is good for 2 years from the date of this letter.

Congratulations on this achievement.

Sincerely,

R. Lee Kirby
President
