DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; System of Records

AGENCY: Department of Veterans Affairs. **ACTION:** Notice of amendment to an existing system of records.

SUMMARY: The Privacy Act of 1974 (5 U.S.C. 552(e)(4)) requires that all agencies publish in the **Federal Register** a notice of the existence and character of their systems of records. Notice is hereby given that the Department of Veterans Affairs (VA) is amending the system of records entitled "Litigant, Tort Claimant, EEO Complainant and Third Party Recovery Files—VA" (16VA026) as set forth in full in the **Federal Register** on January 13, 1982 [47 F.R. 1463]. This system was subsequently amended in the **Federal Register** on April 25, 1983 [48 F.R. 17687] to add several new routine uses.

VA is amending the system by revising the routine uses of records maintained in the system, combining three existing uses into one, deleting five old routine uses, and adding five new routine uses. The name of system of records is being changed to "Litigation Files—VA" to more closely encompass the complete scope of matters handled in VA litigation and administrative investigations carried out by OGC attorneys. This system contains records of Merit System Protection Board (MSPB) and Federal Labor Relations Authority (FLRA) disputes, contract litigation, Privacy Act and Freedom of Information Act litigation at the appellate level as well as EEO disputes, torts, and third party litigation. VA is republishing the system notice in its entirety.

DATES: Interested persons are invited to submit comments, suggestions, or objections regarding these changes. To assure consideration, written comments on this revised system of records must be postmarked no later than April 15, 2009, and written comments hand delivered to the Department and comments submitted electronically must be received as provided below, no later than 5 p.m. Eastern Time on April 15, 2009. If no public comment is received, the system will become effective April 15, 2009.

ADDRESSES: Written comments may be submitted through http:// www.Regulations.gov; by mail or handdelivery to the Director, Regulations Management (02REG), Department of Veterans Affairs, 810 Vermont Ave., NW., Room 1068, Washington, DC 20420; or by fax to (202) 273-9026; or e-mail to "VAregulations@va.gov." Copies of comments received will be available for public inspection in the Office of Regulation Policy and Management, Room 1063B, between the hours of 8 a.m. and 4:30 p.m. Monday through Friday (except holidays). Please call (202) 461-4902 for an appointment. In addition, during the comment period, comments may be viewed online through the Federal Docket Management System (FDMS).

FOR FURTHER INFORMATION CONTACT: Susan Sokoll, Privacy Officer, (202) 461–7623, Office of the General Counsel (026H), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420.

SUPPLEMENTARY INFORMATION:

The system of records, "Litigation Files—VA" (16VA026), was amended and published in full January 13, 1982, at 47 **Federal Register** 1460. A subsequent amendment on April 25, 1983, at 48 **Federal Register** 17687, involved publication of proposed new routine uses.

I. Description of the System of Records

The VA Litigation Files contain the working files for OGC attorneys representing the agency in cases involving torts, contracts, personnel and labor issues, patents, real and intellectual property, Veterans' benefits and claims, and administrative investigations.

II. Proposed Amendments to Routine Use Disclosures of Data in the System

VA is amending, deleting, rewriting and reorganizing the order of the routine uses in this system of records. Accordingly, the following changes are made to the current routine uses and are incorporated into the amended system of records notice.

Current routine uses 2 through 4 are being combined and revised into new routine use 4. This routine use is amended to more accurately reflect the conditions under which VA, on its own initiative, may disclose information from this system of records for law enforcement purposes.

New routine use number 2 is being added to authorize disclosure to the National Archives and Records Administration and the General Services Administration in records management inspections conducted under authority of Title 44, Chapter 29, of the United States Code.

New routine use 3 is added to reflect VA's authorization to disclose individually-identifiable information to contractors or other entities that will provide services to VA for which the recipient needs that information in order to perform the services.

Current routine uses 5 through 8 are maintained as they are. In determining whether to disclose records under this routine use, VA will comply with the guidance promulgated by the Office of Management and Budget (OMB) in a May 24, 1985, memorandum entitled "Privacy Act Guidance—Update" currently posted at *http://* www.whitehouse.gov/omb/inforeg/ guidance1985.pdf.

VA is adding a new routine use 9 that authorizes the circumstances, and to whom, VA may disclose records in order to respond to, and minimize possible harm to, individuals as a result of a data breach. This routine use is promulgated in order to meet VA's statutory duties under 38 U.S.C. 5724 and the Privacy Act, 5 U.S.C. 552a, as amended.

VA is moving existing routine use 9 to routine use 12. This routine use allows VA to disclose information to the Equal Employment Opportunity Commission when requested in connection with investigations of alleged or possible discriminatory practices, examination of Federal affirmative employment programs, or for other functions of the Commission as authorized by law or regulation.

VA is adding new routine use 11 to disclose information to the Merit Systems Protection Board or the Office of Special Counsel, where officials of those agencies determine, or VA determines the disclosure is necessary to perform duties imposed by 5 U.S.C. Sections 1205 and 1206, or as may be authorized by law.

VA is adding new routine use 13 to disclose information to the Federal Labor relations Authority, where officials of those agencies determine, or VA determines the disclosure is necessary to perform duties imposed by the enabling statutes and legislation of that agency.

Existing routine uses 11 through 15 have been eliminated as they no longer are legally valid.

III. Compatibility of the Proposed Routine Uses

Release of information from these records, pursuant to routine uses, will be made only in accordance with the provisions of the Privacy Act of 1974. The Privacy Act of 1974 permits agencies to disclose information about individuals, without their consent, for a routine use when the information will be used for a purpose for which the information was collected. VA has determined that the disclosure of information for the above purposes in the proposed amendment to routine uses is a proper and necessary use of the information collected by the Litigation Files.

The report of intent to publish and an advance copy of the system notice have been sent to the appropriate Congressional committees and to the Director of the Office of Management and Budget (OMB) as required by 5 U.S.C. 552a(r) (Privacy Act) and guidelines issued by OMB (65 FR 77677), December 12, 2000.

Approved: February 24, 2009.

John R. Gingrich,

Chief of Staff, Department of Veterans Affairs.

DATES: Comments on the deletion of the system of records must be received no later than April 15, 2009. If no public comment is received during the period allowed for comment or unless otherwise published in the Federal **Register** by the VA, the system will be deleted effective April 15, 2009, or 40 days after the notice was approved, whichever is latest. Veterans Health Administration (VHA) Privacy Officer, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420; telephone (704) 245–2492.

SUPPLEMENTARY INFORMATION: VA provides health care services to many of America's Veterans through the Veterans Health Administration. During the course of providing health care, VHA collects medical and health information on Veterans. In order to protect Veteran's medical or health information VHA is adding two routine uses to three existing systems of records (93VA131, 105VA131, and 108VA11S).

Additional Routine Uses

The routine use added to 93VA131, 105VA131, and 108VA11S would permit VA to make disclosures to other Federal agencies to assist such agencies in preventing and detecting possible fraud or abuse by individuals in their operations and programs.

This routine use permits disclosures by the Department to report a suspected incident of identity theft and provide information and/or documentation related to or in support of the reported incident.

The second routine use allows VA, on its own initiative, to disclose any information or records to appropriate agencies, entities, and persons when (1) VA suspects or has confirmed that the integrity or confidentiality of information in the system of records has been compromised; (2) the Department has determined that as a result of the suspected or confirmed compromise, there is a risk of embarrassment or harm to the reputations of the record subjects, harm to economic or property interests, identity theft or fraud, or harm to the security, confidentiality, or integrity of this system or other systems or programs (whether maintained by the Department or another agency or entity) that rely upon the potentially compromised information; and (3) the disclosure is to agencies, entities, or persons whom VA determines are reasonably necessary to assist or carry out the Department's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or
