YOUR PERSONAL DATA – WHAT IS IT?

Personal data relates to a living individual who can be identified from that data. Identification can be by the information alone or in conjunction with any other information in the data controller’s possession or likely to come into such possession. The processing of personal data is governed by [the General Data Protection Regulation 2016/679 (the “GDPR”)]

WHY WE PROCESS YOUR PERSONAL DATA

We use your personal data for the following purposes:

- Marketing and service information.
- Payments
- Servicing our contractual obligations to you as set out in our contract with you.

THE CATEGORIES OF PERSONAL DATA

We process the following categories of your data:

- Name
- Email address
- Static IP address

We have obtained your personal data from you directly.

In order to post comments and help moderate comments on this Web site, you must first create an account with a username and password. That information is used to provide you with access to your profile and comments. The registration system also requires that you provide a valid email address to confirm your account. Separately, when you email Threatpost.com, we retain your address and correspondence, which may be used to raise and respond to issues and inquiries of all types.

If you send us an email, we may collect your name, your email address, and any other information which you choose to give us. Any information that you provide is used by Threatpost Inc. solely for the purposes for which it is provided. If we do collect any personal data, it will be processed and stored securely, for no longer than is necessary in light of the reasons for which it was first collected. We will comply with our obligations and safeguard your rights under the GDPR at all times.

WHAT IS OUR LEGAL BASIS FOR PROCESSING YOUR PERSONAL DATA

Our lawful basis for processing your general personal data:

- Consent of the data subject.
- Processing necessary for the performance of a contract with the data subject or to take steps to enter into a contract.

- Processing necessary for compliance with a legal obligation.

SHARING YOUR PERSONAL DATA

We may disclose your personal data as follows:

Aggregate Information (non-personally identifiable)

We share aggregated demographic information about our reader base with our third-party advertising partners including browser information and traffic statistics. We do not link this data to individual readers' accounts or personally identifiable information.

Personally identifiable information

We will not collect any personal information about you on this website without your consent. Any personal information which you volunteer to us will be treated with the highest standards of data security and confidentiality, strictly in accordance with GDPR.

We do not share personally identifiable information with third parties, with one limited exception: we may disclose personally identifiable information about you if we have a good faith belief that doing so is required by law, such as pursuant to a subpoena or other judicial or administrative order.

Cookies

A cookie is a small text file that is stored on a user's computer for record-keeping purposes. We use cookies on this site. The information we store in cookies is, in some cases, linked to readers' accounts. No special attempt to harvest cookie data is being made on this site, and no attempt is ever made to correlate visitor data with real people or identities.

We use both short-term cookies and persistent cookies. A short-term cookie expires within a limited period of time. We use session cookies so that readers with accounts can navigate and contribute to our site without logging in multiple times over a short period of time. A persistent cookie remains on your hard drive for an extended period of time. We use persistent cookies to recognize account holders and present the site accordingly.

You can remove cookies by following directions provided in your Internet browser's "help" file. If you reject cookies, you may still use our site, but your ability to use some areas of our site, such as comments, will require logging in for each action you want to take.

Third-party Advertisers

Third Party Advertisers may place or recognize unique cookies on your browser and use information about your visits to this and other Web sites in order to provide advertisements on this site and other sites about goods and services. The information collected does not include personally identifiable information like your name, address, email address or telephone number. It does include IP addresses, though these are not tied to individual readers' accounts. No attempt is ever made to link source IP addresses to any information that is personally identifiable.

Links to Other Sites

This Website contains links to other sites that are not owned or controlled by Threatpost Inc. Please be aware that we are not responsible for the privacy practices of these other sites. This privacy statement applies only to information collected by Threatpost.com.
