

# Relational Coordination in the VA Program

Investigator, Denver/Seattle Center of Innovation  
Rocky Mountain Regional VA Medical Center  
Assistant Professor, Colorado School of Public Health

**VA**

U.S. Department  
of Veterans Affairs

# RC in VA Program

- ◆ Free access to Relational Coordination Survey
- ◆ Free access to Relational Coordination Collaborative (RCC)
- ◆ RC in VA program application:  
<https://www.seattledenvercoin.research.va.gov/education/rc/>
- ◆ Contact [Brigid.Connelly@va.gov](mailto:Brigid.Connelly@va.gov)

# VA Challenges

- ◆ VA is a **complex system**
- ◆ Veterans have **complex needs**
- ◆ **VA MISSION ACT**
- ◆ Technical, structural, relational systems to support **care coordination**

# Relational Coordination

## Relationships

### Shared Goals

The extent to which other workgroups are seen as having shared goals for the work process.

### Shared Knowledge

The extent to which other workgroups are seen as understanding the role of others in the work process.

### Mutual Respect

The extent to which other workgroups are seen as valuing and respecting the role of others in the work process.

## Communication

### Frequent Communication

The extent to which communication from other workgroups is seen as sufficiently frequent.

### Timely Communication

The extent to which communication from other workgroups is seen as on time, received when needed.

### Accurate Communication

The extent to which communication from other workgroups is seen as accurate.

### Problem-Solving Communication

When problems arise, the extent to which other workgroups are seen as seeking solutions more so than placing blame.

# Positive Impact on Organizational Performance

## Performance Outcomes

### Quality

- Increased patient satisfaction with care
- Reduced family complaints
- Reduced medication errors
- Reduced hospital acquired infections
- Improved on-time performance

### Efficiency

- Reduced turnaround time
- Increased employee productivity
- Increased profits, sales and market share
- Reduced length of hospital stay
- Reduced total cost of hospital care
- Reduced costs of chronic care

### Worker Engagement

- Increased job satisfaction
- Reduced burnout/emotional exhaustion
- Increased work engagement

### Client Engagement

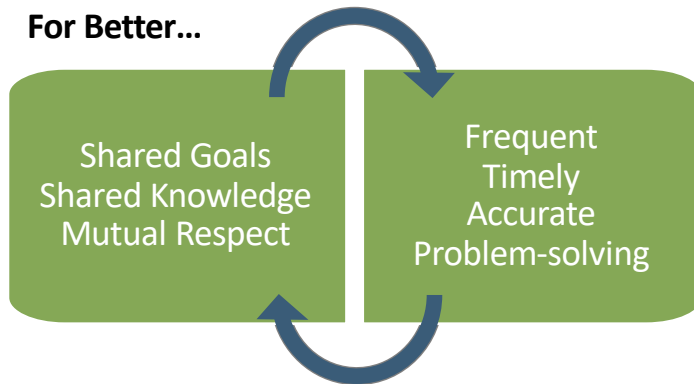

- Increased family preparation for caregiving
- Increased family engagement in evaluation and retention
- Increased trust and confidence in care team

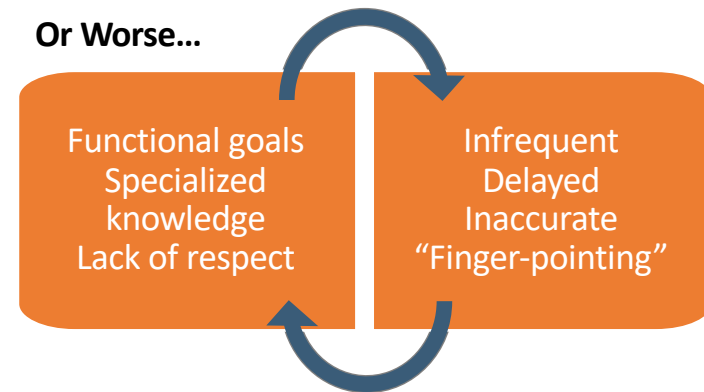

# A Relational Theory of Performance

1. Relationships shape the communication through which coordination occurs.

For Better...

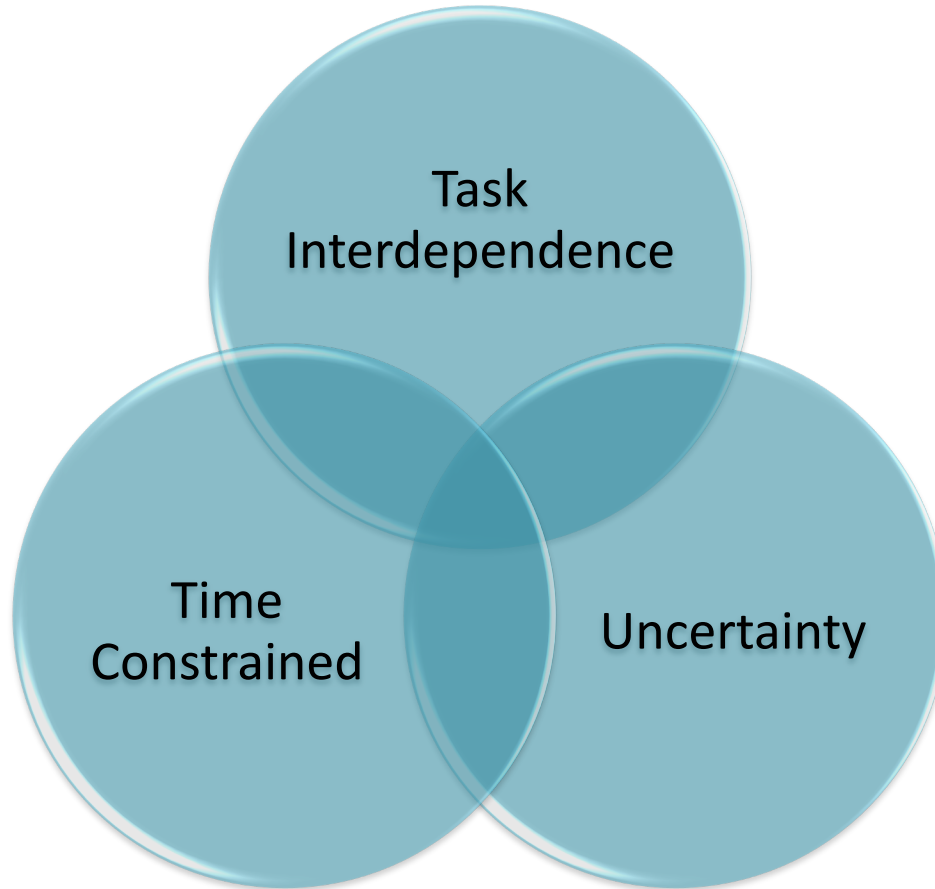

Or Worse...

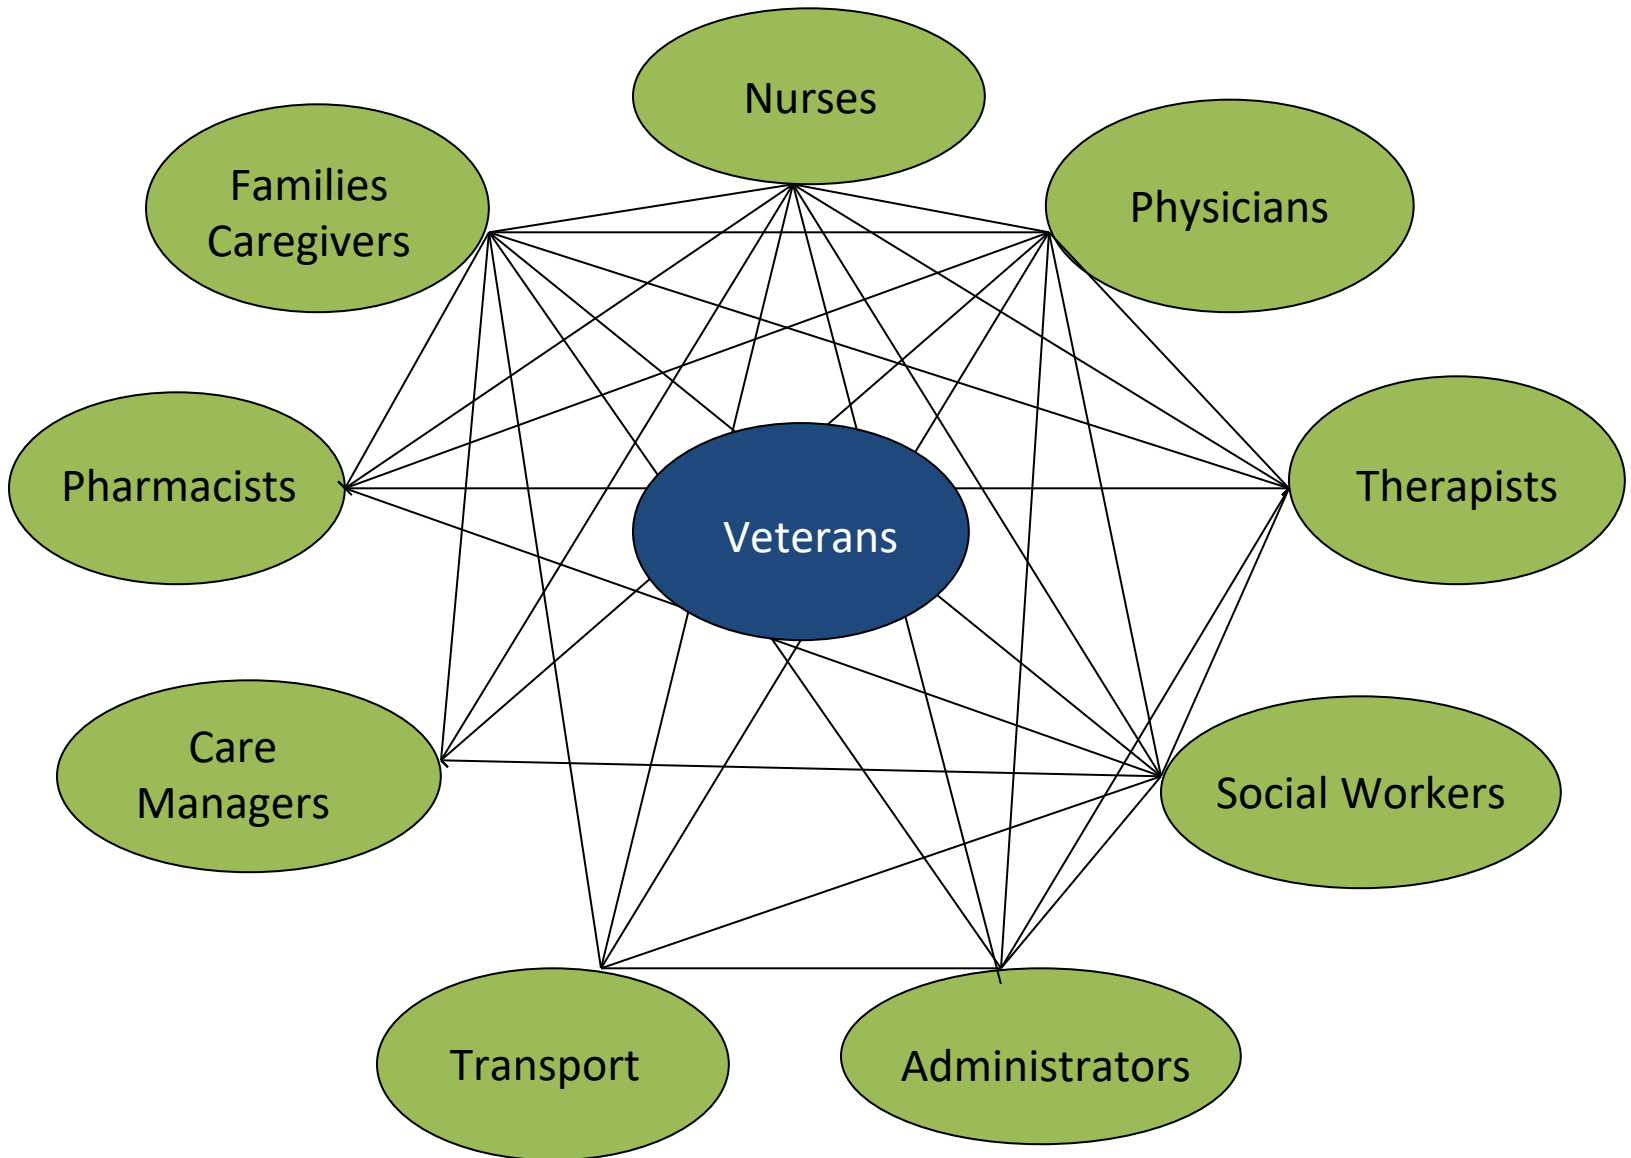

*Communicating and relating for the purpose of task integration*

# A Relational Theory of Performance

RC matters most for work that is complex, uncertain and time constrained.

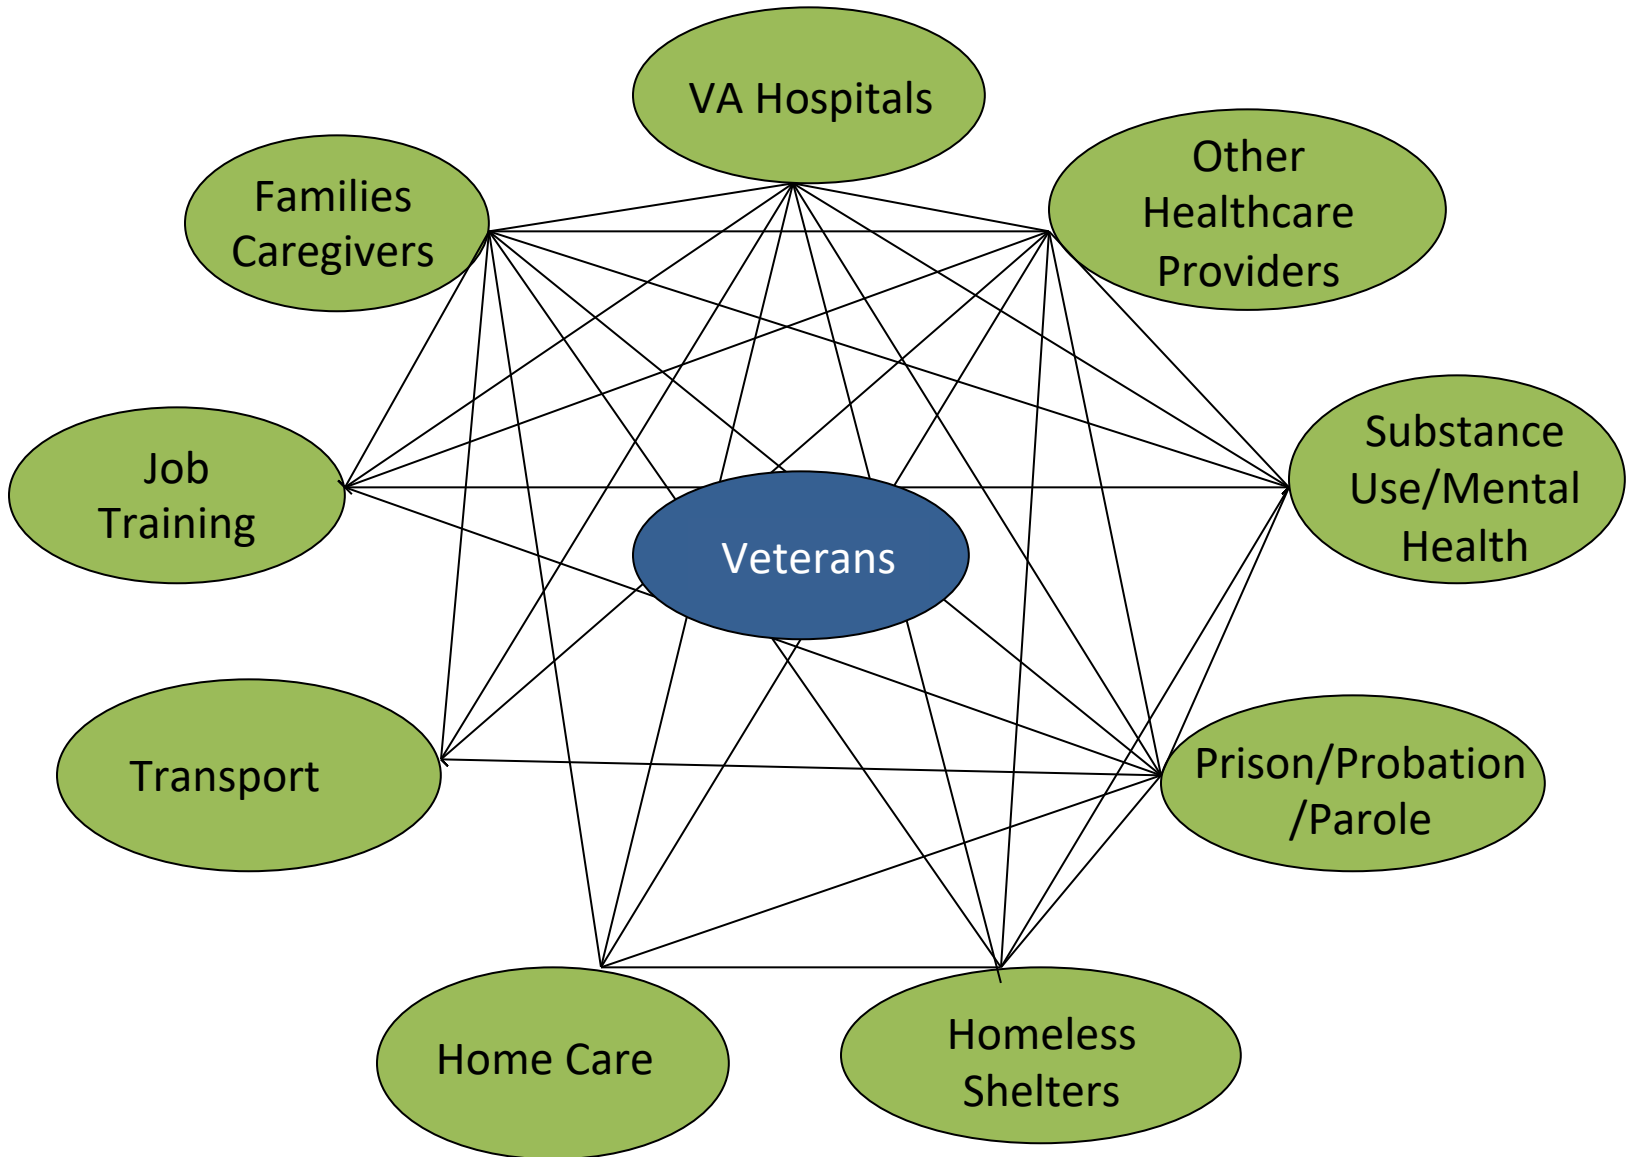

# VA Inpatient Care

# VA Community Care

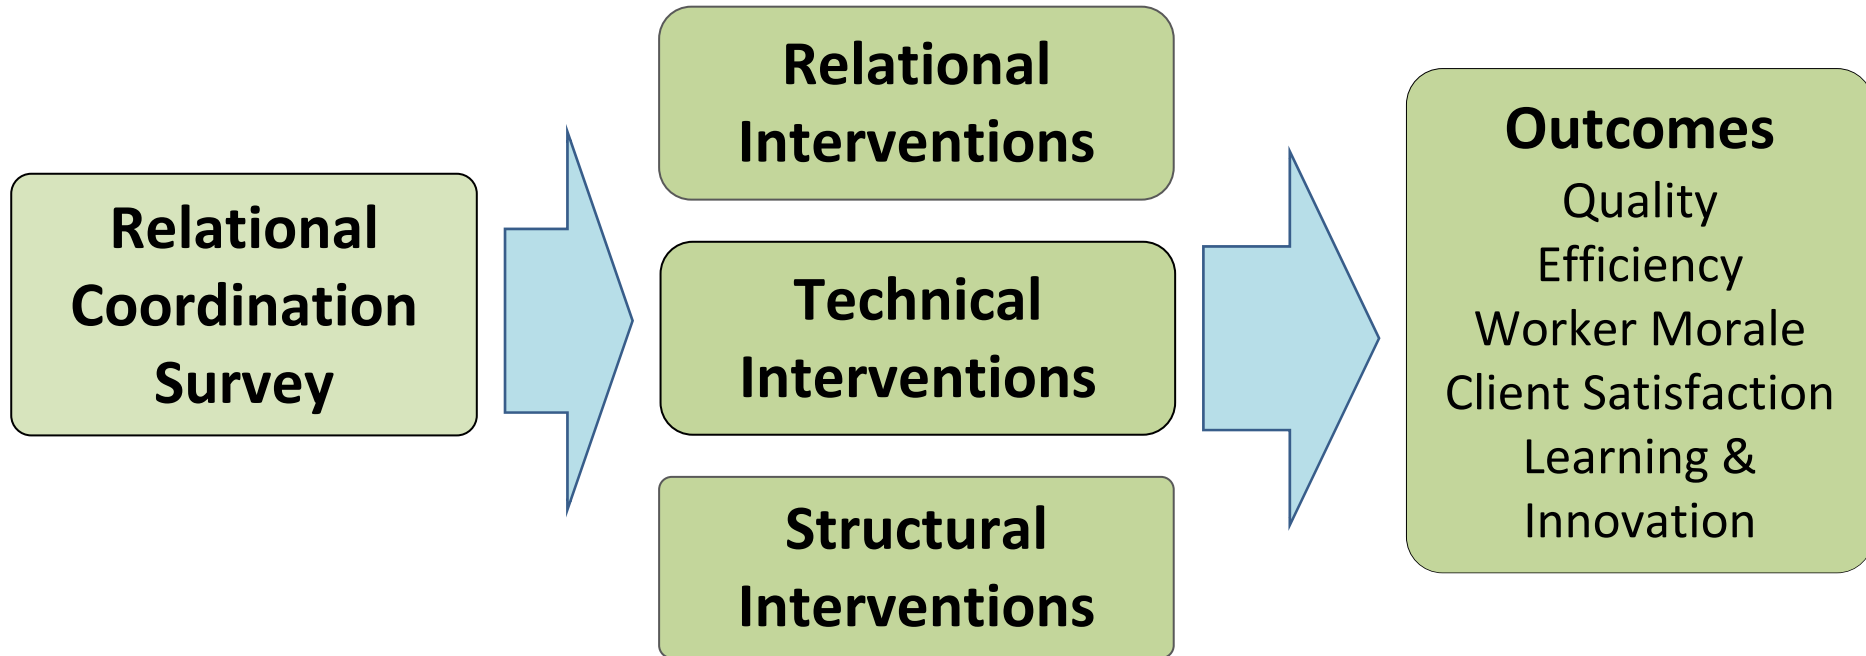

# Relational Coordination for High Performance

- ◆ **Culture** that supports process improvement
- ◆ Visualization of **connections**
- ◆ **Relationships** = positive emotions

# Relational Coordination

## Assessment to Interventions to Outcomes

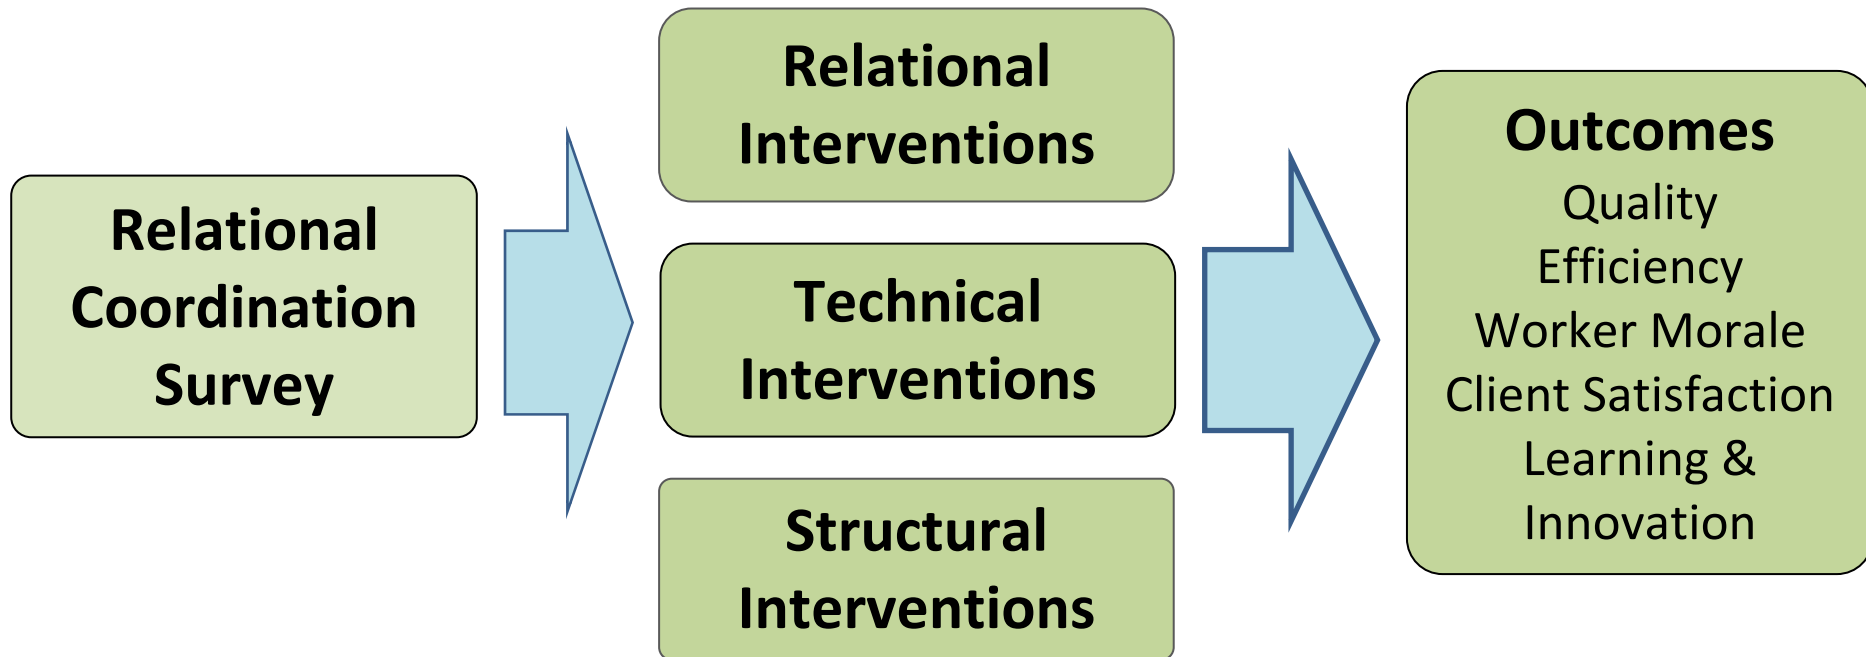

# Relational Coordination Survey

COMMUNICATION	Frequent Communication	How <i>frequently</i> do people in each of these groups communicate with you about [work process]?
	Timely Communication	Do they communicate with you in a <i>timely</i> way about [work process]?
	Accurate Communication	Do they communicate with you <i>accurately</i> about [work process]?
	Problem Solving Communication	When there is a problem in [work process], do people in each of these groups blame others or work with you to <i>solve</i> the problem?
RELATIONSHIPS	Shared Goals	Do people in each of these groups <i>share your goals</i> for [work process]?
	Shared Knowledge	Do people in each of these groups <i>know</i> about the work you do with [work process]?
	Mutual Respect	Do people in each of these groups <i>respect</i> the work you do with [work process]?

# Relational Coordination in the VA

Now Accepting Applications to Use Survey Through End of 2022!

Relational Coordination in the VA Program

## Is your workplace like this?

PATIENT: Why hasn't anyone told me when I'll be discharged?

PROVIDER: Why hasn't this patient been discharged yet?

## Or is it like this?

PROVIDER: I'm really happy to be a part of this team!

CAREGIVER: My mom's care team has been so coordinated!

## Performance Outcomes of Relational Coordination
