PMF CLASS OF 2023 APPLICATION INFORMATIONAL WEBINARS

During the months of August/September 2022, the Presidential Management Fellows (PMF) Program Office will be hosting informational webinars for potential applicants about the upcoming PMF Class of 2023 Application.

These informational webinars will provide a general overview of the PMF Program, details about the 2023 application cycle (including changes to the application and assessment process effective with this year's cycle), and, if time permits, allow for any questions. Please note that several of the webinars have a specific focus related to strategic recruitment goals, but all will cover the basics of the program, the 2023 application cycle, and are open to all majors. The webinars will **not** be recorded for later publishing or viewing. Please check for any updates as some webinars are subject to change.
