DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
April 30, 2021.

I hereby appoint the Honorable ANTHONY G. BROWN to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Almighty God, in Your most sacred presence, who can stand? Who can come near Your holy mountain? And yet, we dare approach You in this moment, asking that You give us the strength to live this day without blame, that we would do what is right; and in opening our hearts to Your truth, that we would speak it.

May our words, our conversations, do no harm, neither to a stranger nor to friend or loved one.

Call us out when our lives turn toward wickedness, but we pray for Your approval when what we do, what we say, and how we live honors Your righteousness.

May we keep the vows we have made to You, to our spouses, to our country.

To each, may we give of ourselves without asking for more in return. And may we be faithful and merciful in our dealings with the innocent.

In the living of our lives this day, cause not our feet to stumble. In Your most holy name we pray.

Amen.

EXTENSIONS OF REMARKS

RECOGNIZING THE SOUTH IRON PANTHERS

HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. SMITH of Missouri. Madam Speaker, I rise today to honor the South Iron Panthers of Annapolis who are the 2021 Missouri Class 1 Boys Basketball Champions.

The Panthers achieved a 25–4 record for their season and in the game for the top prize they beat Mound City 69–50. That gave South Iron their first state championship since 1965.

Coach Dusty Dinkins praised his team for their hard work and passion to play their best. Indeed, that dedication to excellence paid off on the court.

I offer my heartfelt congratulations to Coach Dinkins, Assistant Coaches Delbert Jackson, Jason McMurry and Jared Middleton, and their championship players Jermarco Burse, Jr., Jermarquis Burse, Drenin Dinkins, Kolton Dinkins, Jacob Leverett, Luke Lunyou, Champ McMurry, DJ Prater, Gabe Ruble, and Brock Wakefield.

It is my great privilege to recognize the South Iron High School Panthers as the Class I Missouri State Championship Boys Basketball team today before the United States House of Representatives.

INTRODUCTION OF THE HOMELAND PROCUREMENT REFORM ACT OF 2021

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. CORREA. Madam Speaker, I am proud to reintroduce this bipartisan legislation to reform the way the Department of Homeland Security procures uniforms and protective equipment for its personnel. The aim is to improve the quality of uniforms and equipment issued to Department frontline personnel by encouraging the procurement of domestically sourced uniform items.

Today, OHS has tens of thousands of uniformed officers, but not all of those uniforms are made here in the United States. Under this legislation, at least a third of OHS funds spent on uniforms are to be used to purchase goods manufactured by American small businesses.

Madam Speaker, my bill is good for homeland security, and it is good for small American businesses.

Additionally, in response to concerns expressed by frontline personnel about how quickly they exhaust their annual uniform allowances, my bill directs the Secretary of Homeland Security to take a hard look at the adequacy of the allowances. In studying the issue, the Secretary is required to determine

what improvements can be made to the current allowances and what impacts the current allowances have had on employee morale and retention

RECOGNITION OF HOPE OF DETROIT ACADEMY

HON. RASHIDA TLAIB

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Ms. TLAIB. Madam Speaker, I rise today to recognize the students at Hope of Detroit Academy for their outstanding achievement in STEM and being recognized as a Samsung Solve for Tomorrow competition semifinalist.

Under the guidance of their teacher Ms. Allie Langwald, students Abraham Salas, Yaritza Campos, and Itzel Martinez worked diligently to find innovative solutions to address issues in their community in Southwest Detroit. I had the opportunity to meet with them earlier this year and was impressed with their dedication to addressing environmental issues, like illegal dumping and abandoned buildings open to trespass.

Their hard work culminated in the creation of the Green Warrior app which utilizes technology to help residents quickly and easily report illegal dumping sites in need of clean up and dangerous buildings. In partnership with the City of Detroit and other community-based organizations, their app will ensure that neighborhood streets and parks are cleaned up and dangerous building boarded up so the community can enjoy the use of public spaces.

Please join me in recognizing the hard work of Hope of Detroit on behalf of the communities of Detroit, Wayne County, and Michigan’s 13th Congressional District and congratulate them on this well-deserved honor.

HONORING CABARRUS COUNTY LIBERTY BELL AWARD RECIPIENT HOWARD IRVIN

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. HUDSON. Madam Speaker, I rise today to honor Howard Irvin on receiving the Cabarrus County Bar Association Liberty Bell Award.

A native of North Carolina, Mr. Irvin graduated from the University of North Carolina at Chapel Hill Law School before beginning his legal career in 1965 as a lieutenant in the Judge Advocate General’s Corps for the United States Navy. After his service to our nation, Mr. Irvin joined the law practice of his father, E. Johnston Irvin, before limiting his practice to real estate law in 1971.

Mr. Irvin is a consummate professional and boasts over fifty years of legal service to his

community and has continuously adapted to changes in real estate law to best protect his clients. He has handled over thirty-five thousand real estate closings during his career.

The Liberty Bell Award is presented to an individual that goes forth to educate on and upholds laws that support American freedom. Throughout his involvement in Cabarrus County, Mr. Irvin has helped many people regain their confidence in our judicial system by being a constant resource of knowledge. There is no doubt in my mind that Mr. Irvin will continue to help the people of Cabarrus County with his unwavering commitment to the law and serving others.

Madam Speaker, please join me today in congratulating Howard Irvin as the Cabarrus County Bar Association Liberty Bell Award recipient and wish him well as he continues to uphold our American freedom.

TRIBUTE TO SHELIA PAYTON

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Ms. MOORE of Wisconsin. Madam Speaker, I rise today to recognize Shelia Payton who is retiring from my district office on April 30, 2021, after 16 years of dedicated and distinguished service to my office and the constituents of the 4th Congressional District.

I have known Shelia for over 30 years. She joined my district office in 2005 immediately after I began my first term in the House of Representatives where she worked as a caseworker on the following issues: small business and minority business matters, Internal Revenue Service concerns and outreach to business groups and faith-based organizations. She assisted constituents in obtaining their money on their federal returns and she created awareness and shared resources to small businesses and minority businesses looking for opportunities. Over the years, she established and maintained strong working relationships with many federal agencies, business groups, business chambers, and community based and faith-based organizations. Shelia took immense pride in her work product and throughout her tenure in my office ensured the constituents of the 4th Congressional District were well served.

I am happy that Shelia will start a new chapter in her life having had such an illustrious career as a journalist, business owner, marketing and copy freelance producer, author, playwright, and most recently as a public servant in my office.

Shelia began her career by earning a bachelor’s degree in Journalism from Syracuse University and working for the Miami Herald. She also received a master’s degree in Urban Affairs from the University of Wisconsin-Milwaukee. She worked in public relations for Miller Brewing and went on to work for the University of Wisconsin-Milwaukee Minority Entrepreneurship Program. She also held jobs as a

freelance producer for Milwaukee Profiles, a program on Milwaukee Public Television. She has owned the Wisconsin Black Pages for the last two decades, which not only serves as a directory for African-American owned businesses, but also provides resources to the community.

Shelia's belief in the power of education inspired her and her parents to create the Payton-Price Family Scholarship Fund. The scholarship helps African American students from the City of Milwaukee pursue higher education at historically black colleges and universities. It is clear that Shelia has a passion for education, community, advancing the economic power of African Americans and people of color.

She also possesses a strong interest and numerous accomplishments in the creative arts. She authored two non-fiction books, *Cultures of America: African Americans and What Counts Most Is How You Finish: Thoughts on Living Life to the Fullest*. As a playwright she wrote her first professionally produced play, *Facing the Shadow*, which was staged in 2012 at the Black Rep in St. Louis. Shelia has also written a libretto for an African American themed opera, *Black Caesar*.

Shelia is devoted to family, especially her mother, brother, sister-in-law, niece, nephew, and other extended family members. She was close to her late father and serves as a loving companion and sometimes caregiver to her elderly mother, Gertrude Payton. Shelia is very active in the community and her church. In addition to previously being an avid skier, Shelia loves writing, attending the theater, traveling, and other hobbies.

Madam Speaker, after 16 years of dedicated service on my staff, I wish Shelia well in her retirement and continued success in all her future endeavors. I am so proud to honor my dear friend and thank her for her service to the constituents of Wisconsin's 4th Congressional District. While she has closed this door, another one is opening for her so that she may pursue life at her own pace.

SUPPORTING H.R. 1996

HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. STIVERS. Madam Speaker, I include in the RECORD the following letters of endorsement for H.R. 1996, the SAFE Banking Act of 2021.

DUE PROCESS INSTITUTE.
Washington, DC.

SUPPORT H.R. 1996—SAFE BANKING ACT

Due Process Institute supports the SAFE Banking Act, H.R. 1996, and urges you to vote in support of this bipartisan bill when it comes to the House floor this evening.

Nearly every state has legalized a form of marijuana, including medical marijuana or cannabidiol (CBD). Seventeen states and the District of Columbia have either decriminalized marijuana or legalized recreational use for adults. The cannabis industry is growing. The American cannabis industry saw \$17.5 billion in sales in 2020, a 46 percent increase over the previous year. The industry, which already supports 250,000 jobs, is expected to continue to grow, particularly as more states legalize marijuana.

Although nearly every state has taken some step to liberalize marijuana laws, Con-

gress has not yet taken action to support their self-governance, which creates a problem for businesses operating legally under state law. Because of the federal treatment of marijuana, the owners or employees of legitimate cannabis-related state businesses are forced to make cash-only sales rather than doing business with federally regulated banks. Additionally, proceeds from any legitimate state cannabis-related business can currently be considered unlawful "proceeds" from a crime and subject to federal anti-money laundering and forfeiture laws.

The SAFE Banking Act provides safe harbor and other protections for financial institutions—banks and credit unions—that transact with legitimate cannabis-related and hemp-related businesses. (Hemp was federally legalized in 2018.) The bill also protects ancillary business entities that transact with legitimate cannabis-related legitimate businesses and creates a regulatory framework.

The legislative history of the SAFE Banking Act shows broad bipartisan support. In the 116th Congress, the SAFE Banking Act passed with 229 Democrats and 91 Republicans voting for the bill. The SAFE Banking Act the House will vote on this evening has 168 co-sponsors, boasting diverse support from across the ideological spectrum.

Due Process Institute encourages Members to vote YES on the SAFE Banking Act, H.R. 1996.

Due Process Institute is a bipartisan non-profit that works to honor, preserve, and restore principles of fairness in the criminal legal system.

DEAR REPRESENTATIVES PERLMUTTER, VELÁZQUEZ, STIVERS, AND DAVIDSON AND SENATORS MERKLEY AND DAINES:

On behalf of the members of the Electronic Transactions Association (ETA), I am writing in support of the bipartisan Secure and Fair Enforcement Banking Act of 2021 (SAFE Banking Act). We appreciate your leadership on addressing the conflict between federal and state laws to allow states that have legalized medical or recreational use of cannabis to bring that commerce into the banking system.

ETA is the leading trade association for the payments technology industry, representing over 500 companies that offer electronic transaction processing products and services. ETA's members include financial institutions, mobile payment service providers, payment processors, mobile wallet providers, and non-bank online lenders that make commercial loans, primarily to small businesses, either directly or in partnership with other lenders. ETA member companies are creating innovative offerings in financial services, revolutionizing the way commerce is conducted with secure, convenient, and rewarding payment solutions and lending alternatives—employing millions of Americans and enabling over \$22 trillion in payments in 2019.

Forty-seven states, four U.S. territories, and the District of Columbia have legalized some form of recreational or medical cannabis, including CBD. Yet current law restricts legitimate licensed cannabis businesses from accessing financial industry services and products, resulting in businesses operating in all cash—posing a serious public safety risk for communities.

The conflict between state and federal laws forces businesses to operate on a cash-only basis and has created significant legal and compliance concerns for financial institutions that wish to provide banking services to cannabis related businesses in states where it is currently legal. The SAFE Banking Act would allow legitimate cannabis businesses to access the safety and security of the banking ecosystem in states that have legalized cannabis. This legislation is an important step toward enabling financial services for cannabis-related businesses. By directing FinCEN and the federal banking regulators to issue for financial institutions doing business with cannabis-related legitimate businesses. Having access to the banking system makes it easier for businesses to track revenues for taxation purposes, decreases a public safety threat as cash intensive businesses are often targets for criminal activity, and allows proper tracking of finances for BSA/AML compliance.

ETA takes no position on the legalization or decriminalizing cannabis at the state or federal level for medicinal or recreational uses. However, ETA does support legislation that would resolve the conflict between state and federal laws to allow financial institutions to serve cannabis related businesses in states where these businesses are legal under state law.

ETA is pleased to support the SAFE Banking and urges Congress to quickly consider this important issue.

Sincerely,

JEFF PATCHEN,
Manager of Government Affairs.

NATIONAL ARMORED CAR ASSOCIATION,
Washington, DC, April 19, 2021.

Hon. NANCY PELOSI,
Speaker of the House, House of Representatives,
Washington, DC.

Hon. KEVIN MCCARTHY,
Minority Leader, House of Representatives,
Washington, DC.

DEAR SPEAKER PELOSI AND MINORITY LEADER MCCARTHY: On behalf of the National Armored Car Association (NACA), I write to express our support for H.R. 1996, the Secure and Fair Enforcement (SAFE) Banking Act of 2021. While NACA's members do not take a position in favor of or opposed to the legalization of cannabis or marijuana, we support H.R. 1996 because it would address the existing conflict between federal and state law with respect to proceeds from marijuana-related businesses and allow for safer transportation, storage and oversight of such proceeds.

Formed in 1929, NACA is a business association that brings together the three major companies of the armored car industry—Brink's, GardaWorld, and Loomis—with a focus on protecting and promoting the common interests of the industry. These three organizations comprise approximately 90% of the armored car industry in the United States, and NACA members have handled virtually every dollar and coin in circulation. They provide secure transportation and cash management services for the Federal Reserve, financial institutions, state and local governments, and private businesses and individuals across the United States and internationally.

Currently thirty-six states and several territories, including the District of Columbia, Guam, and Puerto Rico, have legalized the

use of cannabis to some extent. However, federal law prohibits cultivation, distribution, and possession of marijuana imposing significant legal risks to financial institutions and ancillary businesses that might consider providing financial services to the marijuana industry. Consequently, hundreds of millions of dollars in cash are being transported and stored outside our banking system and often without adequate security and oversight. The lack of available vendors to provide secure transport and storage of cash increases the risk of criminal activity that can pose a danger not only to those involved in the cannabis industry, but the general public. H.R. 1996 would provide NACA member companies with the needed legal protection and clarity to safely and securely transport cash in states that have legalized and regulated cannabis.

We urge members of the House to support H.R. 1996.

Sincerely,

BASIL THOMSON,
Executive Director, NACA.

INDEPENDENT COMMUNITY
BANKERS OF AMERICA,
March 18, 2021.

Hon. ED PERLMUTTER,
House of Representatives,
Washington, DC.

Hon. WARREN DAVIDSON,
House of Representatives,
Washington, DC.

Hon. STEVE STIVERS,
House of Representatives,
Washington, DC.

Hon. NYDIA VELÁZQUEZ,
House of Representatives,
Washington, DC.

DEAR REPRESENTATIVES PERLMUTTER, WARREN, STIVERS, AND VELÁZQUEZ: On behalf of community banks across the country, with more than 52,000 locations, I write to thank you for introducing the Secure and Fair Enforcement Banking Act of 2021 (SAFE Banking Act). In the last Congress, the SAFE Banking Act passed the House by a broad bipartisan vote. We are pleased to reiterate ICBA's strong support for this legislation, which is essential for the ongoing ability of community banks to effectively serve their communities.

The 2020 election saw Arizona, Montana, New Jersey, and South Dakota join 12 states and the District of Columbia in fully legalizing adult recreational cannabis use. Virginia followed suit in 2021. Cannabis is legal for medical use in 36 states. As more states legalize cannabis for medical and/or recreational use, it is critically important that cannabis-related businesses (CRBs) have access to services provided by the traditional banking system.

The current conflict between state and federal law with regard to cannabis has created increasingly significant legal and compliance concerns for banks that wish to provide banking services to CRBs in jurisdictions where cannabis is legal. Legal and regulatory uncertainty has curtailed access to the traditional banking system for CRBs and forced them to operate mostly in cash. Cash-only businesses, especially those with a high volume of revenue, pose a significant risk to public safety.

The SAFE Banking Act would create a safe harbor from federal sanctions for financial institutions that serve cannabis-related businesses (CRBs) in states and other jurisdictions where cannabis is legal. Importantly, this safe harbor would extend to banks that serve the many ancillary businesses that serve CRBs such as landlords, accountants, utilities providers, and others that may be paid in funds ultimately derived from cannabis sales. These ancillary businesses may

be difficult to identify in states that have legalized cannabis, and potentially create a legal and regulatory challenge for even those banks that choose not to serve CRBs directly.

Thank you for introducing the SAFE Banking Act of 2021. We look forward to working with you to advance this important legislation.

Sincerely,

REBECA ROMERO RAINERY,
President & CEO.

INSURED RETIREMENT INSTITUTE,
Washington, DC, March 31, 2021.

Hon. ED PERLMUTTER,
House of Representatives,
Washington, DC.

Hon. STEVE STIVERS,
House of Representatives,
Washington, DC.

Hon. NYDIA VELÁZQUEZ,
House of Representatives,
Washington, DC.

Hon. WARREN DAVIDSON,
House of Representatives,
Washington, DC.

DEAR REPRESENTATIVES PERLMUTTER, STIVERS, VELÁZQUEZ, AND DAVIDSON: The Insured Retirement Institute (IRI) writes to express our support for H.R. 1996, the Secure and Fair Enforcement (SAFE) Banking Act of 2021. The bill would provide protection and insulation from liability for both participants and institutions offering and administering retirement plans or individual retirement accounts for the employees of cannabis companies and associated businesses regulated and licensed by a state.

Nearly all the states have enacted laws which have either legalized or decriminalized marijuana for medical and recreational use by individuals. As states continue to legalize cannabis and license and regulate associated industries, projections estimate the legal cannabis industry will reach a value of \$100 billion by 2030, a 63.9 percent increase over its 2020 estimated worth. With this projected financial growth, consequently the number of Americans employed in this field is also anticipated to rapidly increase. In their Jobs Report 2021, Leafy found that the legal marijuana industry supports 321,000 full-time equivalent jobs as of January 2021. In 2020 and despite the impacts of the COVID-19 pandemic, the legal cannabis industry saw a 32 percent increase in year-over-year job growth or more than 77,000 jobs. As a result, more Americans are now employed in the legal cannabis industry than as electrical engineers, Emergency Medical Technicians, or dentists.

However, as marijuana remains a Schedule I Substance under the Controlled Substances Act and an illegal substance at the federal level, access to essential financial and banking services is essentially blocked for this growing workforce. The risk of running afoul of provisions contained in the Bank Secrecy Act and federal anti-money laundering laws has left many financial institutions unwilling to provide their services to this industry including the offering of retirement savings plans as a benefit to the employees.

In addition, we are witnessing a continuing shift away from employers providing defined-benefit pensions as a benefit for their employees. As a result, the responsibility of preparing for retirement is being placed squarely on the shoulders of America's workers. However, recent research conducted by IRI has shown that savings rates among workers remain low. In fact, only 45 percent of Baby Boomers and 40 percent of Generation Xers have nothing saved for retirement and of the Millennials with retirement savings, half have saved less than \$10,000.

A significant factor contributing to the lack of savings is that most workers do not

have access to an employment-based savings plan. Research conducted by the Bureau of Labor Statistics has shown that 60 percent of full-time workers at small and medium-sized businesses—of which many legal cannabis businesses would qualify as—do not have access to one of the many types of employment-based retirement plans.

By simply having access to workplace retirement savings opportunities, workers are more likely to participate and save. According to a report by the PEW Charitable Trust, 72 percent of all workers aged 22 and up who are eligible for participation will enroll in a workplace defined contribution plan when one is offered. Enrollment increases to 85 percent of those 22 and older and eligible if an employer-matching contribution is available. Enabling workers at small and medium-sized businesses—particularly those in an industry growing as rapidly as legal cannabis—will help put more of America's workers on the path toward a financially secured and dignified retirement and help alleviate the anxiety many are feeling about their future financial security during their retirement years.

IRI has a long history of supporting and advocating for the enactment of bipartisan, common-sense solutions to help expand opportunities for workers to save for their retirement. As such, providing clarity and certainty to better facilitate the offering of retirement plans for the workers of legally licensed cannabis companies through the enactment of the SAFE Banking Act was included in our 2021 Federal Retirement Security Blueprint. As Congress considers this legislation to enable greater access to retirement savings for Americans, we welcome the opportunity to work with you and your staff to advance this measure.

We thank you for your leadership in pursuing this legislation.

Sincerely,

PAUL RICHMAN,
Chief Government and
Political Affairs Officer.

MARCH 18, 2021.

DEAR REPRESENTATIVES PERLMUTTER, STIVERS, VELÁZQUEZ, AND DAVIDSON: We, the undersigned U.S. trade associations, write to express support for the SAFE Banking Act of 2021. Collectively, we represent a majority of the companies, agents, and brokers offering property-casualty, life, title, and reinsurance (collectively, "insurers") in the U.S. We appreciate your leadership in seeking needed clarity for insurance transactions related to cannabis businesses that are otherwise permissible under state law.

The insurance industry is potentially exposed to liability arising from the differences of the legal treatment of cannabis and cannabis products under federal and state law and regulation at the state level. However, with the inclusion of key language from the Clarifying Law Around Insurance of Marijuana Act, sponsored by Representatives Velázquez and Stivers and Senators Menendez, Paul, and Merkley, the SAFE Banking Act's safe harbor provisions would prevent federal criminal prosecution of and civil liability for agents, brokers, and insurers, their officers, directors or employees when engaging in the business of insurance in states that have legalized cannabis in some form.

By resolving the legal uncertainty presented by the dueling state and federal treatment of cannabis, the insurance industry can serve both cannabis-related legitimate businesses (CRLBs) and other commercial and personal lines consumers who may have a direct or indirect relationship to state-legalized cannabis, and still be in compliance with the law. Insurers must also continue to

satisfy all applicable state statutory or regulatory requirements, such as those pertaining to consumer protections and claims payments.

We greatly appreciate your leadership, and we look forward to continuing to work with you and Congress to ensure our industry is not caught between conflicting obligations under federal and state law.

Sincerely,

American Land Title Association (ALTA), American Council of Life Insurers (ACLI), American Property Casualty Insurance Association (APCIA), The Council of Insurance Agents & Brokers (CIAB), Independent Insurance Agents & Brokers of America (IIABA), National Association of Mutual Insurance Companies (NAMIC), National Association of Professional Insurance Agents (PIA), Reinsurance Association of America (RAA), Wholesale & Specialty Insurance Association (WSIA).

RECOGNIZING THE REMARKABLE
LIFE OF DOROTHY M. SWEENEY

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. PERRY. Madam Speaker, I'm honored and humbled to recognize the remarkable life of Mrs. Dorothy M. Sweeney, who left our earthly bounds on April 7, 2021. "Mother Sweeney," as she affectionately was called,

leaves behind an eternal and meaningful legacy not only to her family and loved ones, but to the entire York County Community.

Mother Sweeney's life began on January 16, 1934, born to Eddie and Rhoda Hawkins. She was the youngest child—and only girl—in a household of older brothers, Edward Jr., Clyde, and Herman.

Mother Sweeney married Arthur Sweeney in 1951, when they planted their roots in York. Together, they raised four wonderful children—Takanii, Tomoa Tanya, Tanoue Onishi, and Arleta Maria—with a resilient sense of love and respect for their legacy.

After a tragic work-related accident claimed the life of her beloved husband, Mother Sweeney was thrust into single parenthood. As obstacles were placed along her path, she persevered—like her mother, Rhoda Hawkins.

Mother Sweeney would go on to graduate from York College with a degree in Nursing, all while managing a household of four beautiful, albeit sometimes unruly, children. She raised her children with a strong and powerful image of womanhood. She served as the head nurse at York County Homes, and as a private duty nurse while also volunteering for the local PTA—later serving as its president for over six years. She would go on to accept a position with Lincoln Intermediate Unit No. 12 as a teacher for special needs children.

Mother Sweeney made sure that her children knew their elders and family history, making sure to surround her daughters with family and love, as well as a connection to their roots. Her family soon began to grow, as her daughters welcomed children of their own. Her oldest, Takanii, had 11 children (Damaine, Tak, TakaKhan, Asaii, Ishni, Kiya, Azijah, Adonysha, Zebulon, Masata, and Amasa), Tomoa had four children (Angela, Yahselah, Nashon, and Ashir), Tanoue had one son (Emneko), and Arleta had five children (Tazaa, Taza Todd, Tyleta, T-Hara, and Tynaketa).

When Mother Sweeney retired professionally, she certainly was kept busy with 21 grandchildren—and all the birthdays, holidays, and celebrations a large family brings. When asked about the number of great-grandchildren she has, Dorothy's response was, "after 10, I stopped counting." The branches of her great family tree have continued to grow with 45 great-grandchildren—and counting.

Mother Sweeney was always an energetic and active young lady, serving her family, church, and community. As a faithful and dedicated member of Emmanuel COGIC in York—of which her mother was one of the founding members—she has served under founding pastor Elder Wise until his home going. Until now, Mother Sweeney was the only living founding member. Remaining steadfast under the leadership of Pastor Leighton McMillan, she held various leadership positions, including Sunday school teacher, chair of the Pastors Aide Committee, a member of the nurses unit, vice president of the Deaconesses, and was appointed as Mother of Grace.

Civically, Mother Sweeney was an active member of the State Democratic Committee, president of the Democratic Club of York, vice president of Lincoln Charter School Board, Past Matron of the Queen Esther Temple IBPOE, positions in Eastern Stars PJA, Daughters of Isis—and numerous other community organizations. Whenever possible, Mother Sweeney loved traveling to Florida to

be with her "Sunshine State" family—the Burton/Nealy family, Pastor & First Lady Speed, Elder & Mother Combs, Pastor & First Lady Mays, Bishop Theadore and First Lady Hall, BAM International Fellowship. During the COVID-19 pandemic, Mother Sweeney enjoyed being a part of Hurst Chapel AME Parking Lot Posse, enjoying Sunday morning service in the church parking lot.

Mother Sweeney was a matriarch, a pillar of truth, and a true shining light. With words of wisdom, her strong Christian values, and her loving heart, she guided and nurtured her family and her community. She took pride in knowing that her beloved family remains strong and ever-growing, just as she and Arthur had envisioned. Mother Sweeney was and will always be all that a virtuous woman should be, and truly sets the standard for all to follow.

With great honor and thanks, I'm humbled to acknowledge the life and legacy of Mrs. Dorothy M. "Mother Sweeney" of York, Pennsylvania. I wish her Godspeed.

INTRODUCTION OF THE VA MEDICINAL
CANNABIS RESEARCH ACT

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. CORREA. Madam Speaker, I have met with multiple veterans in my congressional district who attest to the therapeutic benefits of medical cannabis in managing their pain.

According to the American Legion, a significant number of veterans across the country—not just in my district—are currently using medical cannabis as an alternative treatment. With so many veterans using cannabis for therapeutic purposes, it is important that physicians have the information and research necessary to fully advise on the potential impacts of medical cannabis usage on post-traumatic stress and chronic pain. The U.S. Department of Veterans Affairs is uniquely positioned to pursue that vital research.

To that end, I am introducing the bipartisan VA Medicinal Cannabis Research Act, which requires VA to conduct clinical research on the safety and effectiveness of medical cannabis, in varying forms and delivery methods, for treating veterans diagnosed with post-traumatic stress disorder (PTSD) and veterans with chronic pain. The legislation requires VA to submit annual reports to Congress on the implementation of this bill for five years. The VA Medicinal Cannabis Research Act is a pragmatic and sensible approach to the need for additional research and could potentially save veterans' lives.

HONORING THE LIFE OF FIRE-FIGHTER PEYTON MORSE OF LA FARGEVILLE, NY

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Ms. STEFANIK. Madam Speaker, I rise today to honor the life of Firefighter Peyton Morse of the Watertown Fire Department. On March 12, 2021, Peyton tragically passed away after suffering a medical emergency during a training exercise at the New York State Academy of Fire Science.

Peyton's lifelong dream was to become a firefighter and help others in any way that he could. During his time at Siena College, he participated in the associate firefighter program to gain hands-on experience training with the Shaker Road Loudonville Fire Department. When he had the opportunity to attend the fire academy, Peyton took a leave of absence from his final semester to pursue his passion and eventually became a permanent member of the Watertown Fire Department. Peyton officially received his firefighter badge, Badge No. 94, while hospitalized in the Intensive Care Unit as he fought to recover from his tragic accident.

Peyton's colleagues remember him as an exceptionally dedicated firefighter who was always enthusiastic in his role. He had a true servant's heart and always put others above himself, even after he passed on as an organ donor. The recent celebrations of Peyton's life are proof of the impact he made on those in his community. Hundreds of North Country firefighters, police and other emergency responders gathered to welcome Peyton's motorcade home. The community rallied together to pay their respects and show their support for Peyton's family by placing yellow hearts in the windows of homes and businesses. Siena College will posthumously present Peyton's family with his diploma at a ceremonial graduation on May 1, 2021.

On behalf of New York's 21st district, I am honored to recognize Peyton for his selfless service to his community. It is my hope that his fearless spirit and positivity will be carried on by those who knew and loved him, and I ask this House to remember his sacrifice and legacy forever.

Mr. SMITH of Missouri. Madam Speaker, I rise today to honor the Arcadia Valley Tigers who are the 2020 Missouri Class 2 Girls Cross Country Team Champions.

The 2020 Tiger Cross Country team is the first in the history of Arcadia Valley to win the state championship title. In addition to the state title the Tigers were district champions with six girls being named all district including the Individual district champion, Erica Standefer.

Coach Don Barzowski praised his team for their hard work and dedication. Indeed, that dedication to excellence paid off on the track.

I offer my heartfelt congratulations to Coach Barzowski and Assistant Coach Paul Royer, and their championship athletes Erica Standefer, Trinity Russell, Ella Weber, Mary Tevis, Alyssa Glanzer, Avery Jones, Emma Dettmer and Natalie Stricklin.

It is my great privilege to recognize the Arcadia Valley Tigers as the Class 2 Missouri State Championship Girls Cross Country Team today before the United States House of Representatives.

RECOGNIZING DESSERAY "DEZ" VEGA AND ALUM ROCK COUNSELING CENTER ON THE OCCASION OF PRESIDENT BIDEN'S JOINT ADDRESS TO CONGRESS

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Ms. LOFGREN. Madam Speaker, I rise today to recognize Desseray "Dez" Vega, a Program Manager at Alum Rock Counseling Center (ARCC) in my Congressional district. I was proud to invite Ms. Vega to be my virtual guest to President Biden's Joint Address to Congress on Wednesday, April 28, 2021.

ARCC provides behavioral health and community support services for more than 10,000 children and families in Santa Clara County each year. Before the Joint Address, I spoke to Ms. Vega about the effect the COVID relief bills have had on ARCC, the counselors she manages, her clients, and her family. I was glad to hear that the Paycheck Protection Program (PPP) kept ARCC from laying off around 80 people, helping both the employees and their families as well as the children they serve.

Ms. Vega works one-on-one with in-need children in San Jose and manages a team of 15 counselors as part of ARCC's Prevention and Early Intervention program. Ms. Vega said, "I was able to see firsthand how the PPP really made a difference. Having income and stability helps us [counselors] be more present and helps our clients and their families. During the pandemic, there has been trauma for the families we serve, and everything has been inconsistent except for the therapy we provide. From my personal experience, I'm so grateful" for COVID relief legislation.

Madam Speaker, the truth is, it is us who should be grateful for Ms. Vega, counselors like her, and organizations like ARCC that serve our communities. It is my pleasure to recognize Ms. Vega and her positive contributions to the lives of children and families in my Congressional district before, during, and after the pandemic. I also call on all my colleagues to join me in continuing to meet the needs of communities across the country during and after the COVID-19 pandemic.

HONORING FORT WAYNE WORLD WAR II VETERAN DON THEURER

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. BANKS. Madam Speaker, I rise today to honor the service of Mr. Don Theurer of Fort Wayne.

Mr. Theurer just celebrated his 100th birthday on Monday, April 26. Congratulations on this wonderful occasion. I hope his heart is filled with joy knowing he has experienced our country's greatest blessings, including the affection of family and friends over a long, well-lived life.

Our Nation owes Mr. Theurer a debt of gratitude for his dedicated service to our country. Serving in the United States Army during World War II, he landed at Normandy less than 20 days after D-Day, saw combat in Holland and took part in the Allied liberation of Western Europe and occupation of Germany.

After the war, Theurer returned home to northeast Indiana, where he attended college, married his sweetheart Thelma, and began work at Magnavox, for whom he would work the entirety of his career. A longtime, active member of Messiah Lutheran Church, Theurer today remains in good health, as he reads daily and drives frequently.

As one of the oldest veterans in Indiana, I, and the entirety of Congress, send to him best wishes as he celebrates this historic milestone.

The story of Don Theurer is the story of American greatness. As a patriot who served his country in war and community in peace, this record is a testament to his commitment to the American people and ideals to which our Nation strive.

RECOGNIZING THE ANNIE E. COLBERT-ROSENWALD SCHOOL TEXAS HISTORICAL MONUMENT DEDICATION

HON. BRIAN BABIN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. BABIN. Madam Speaker, I rise today to recognize the dedication of the Annie E. Colbert-Rosenwald School Texas State Historical Marker in Dayton, Liberty County, Texas. The text of marker reads as follows:

BY 1883, LIBERTY COUNTY MAINTAINED 53 SCHOOLS, INCLUDING 19 AFRICAN AMERICAN SCHOOLS. THE AVERAGE SCHOOL TERM WAS THREE MONTHS FOR AGES 8-14 BUT THE ONLY SCHOOL FOR CHILDREN IN DAYTON WAS LOCATED NEAR THE SETTLEMENTS OF STILSON AND FOUTS

IN THE LATE 1890S, THE SCHOOL DISTRICT HIRED THEIR FIRST AFRICAN AMERICAN TEACHER, ANNIE (FAIRCHILD) COLBERT (1866-1961). BORN IN HOUSTON, SHE ATTENDED HOUSTON SCHOOLS AND THEN TILLOTSON INSTITUTE IN AUSTIN. SHE TAUGHT AT THE GREGORY SCHOOL UNTIL SHE MARRIED RAILROAD PORTER TONY COLBERT.

FORBIDDEN TO TEACH SCHOOL IN HOUSTON AS A MARRIED WOMAN, THEY MOVED TO DAYTON WHERE ANNIE ACCEPTED A POSTION AT A ONE-ROOM SHACK. UPON ARRIVAL, SHE GATHERED HER STUDENTS AND, TOGETHER, THEY BUILT AN IMPROVED ONE-ROOM FRAME SCHOOLHOUSE NEAR LUKE AND PRATER STREETS. MRS. COLBERT CONTINUED TO TEACH THE AFRICAN AMERICAN STUDENTS OF DAYTON UNTIL 1918, INSTILLING THE VALUE OF EDUCATION IN HER STUDENTS AND WITHIN THE COMMUNITY.

IN 1918, THE AFRICAN AMERICAN SCHOOL RELOCATED TO A SITE NEAR

THE ST PAUL AFRICAN METHODIST EPISCOPAL CHURCH UNTIL 1927, WHEN THE SCHOOL DISTRICT BUILT THE DAYTON COLORED SCHOOL. SADLY, IT BURNED IN 1929. THAT SAME YEAR, THE SCHOOL DISTRICT AND COMMUNITY PARTNERED WITH THE ROSENWALD SCHOOL BUILDING PROGRAM TO CONSTRUCT A SCHOOL FOR THE AFRICAN AMERICAN COMMUNITY. THE NEW FOUR-ROOM ROSENWALD SCHOOL WAS DEDICATED IN 1934 AND NAMED IN HONOR OF ANNIE COLBERT, A PIONEER IN AFRICAN AMERICAN EDUCATION IN SOUTHEAST TEXAS.

After the integration of black and white students in the late 1960s, the Colbert School expanded to serve all of Dayton Independent School District's fifth and sixth grade students. As Dayton's student population increased, and other schools were built, the Colbert School became the prekindergarten campus.

As a former member of the Texas Historical Commission, I know that this is a great honor for the community, Colbert School alumni, and the Dayton Independent School District.

BRIAN BABIN, D.D.S.,
Member of Congress.

INTRODUCTION OF IMPROVING
MENTAL HEALTH ACCESS FOR
STUDENTS ACT OF 2021

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mr. CORREA. Madam Speaker, unfortunately, in 2017, there were more than 47,000 suicides nationwide, making it the tenth-leading cause of death. The COVID-19 pandemic

has only worsened an already serious problem.

Tragically, among teenagers and young adults, the suicide rate is particularly alarming, with suicide the second-leading cause of death for people between the ages of 15 and 24.

For people experiencing suicidal thoughts or emotional distress, the National Suicide Prevention Lifeline and Crisis Text Line provide free and confidential round-the-clock support. Many colleges and universities also offer mental health resources on campus.

To raise awareness of these available resources, the bill simply requires colleges and universities to provide the contact information for the National Suicide Prevention Lifeline; Crisis Text Line; and a campus mental health center, if applicable, on student identification cards. For colleges and universities that do not provide identification cards to their students, schools must ensure that the information is available on their website.

Suicide is a major public health problem. Providing information on existing suicide prevention resources can help students experiencing suicidal thoughts or emotional distress and potentially save lives.

IN RECOGNITION OF THE 100TH
BIRTHDAY OF HELEN BANDYKE

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, April 30, 2021

Mrs. DINGELL. Madam Speaker, I rise today to recognize Helen Bandyke of Dearborn on the occasion of her 100th birthday. Her contributions to our community as a Rosie the Riveter are worthy of commendation.

Born in Detroit, Michigan on March 29, 1921, Mrs. Bandyke attended Cass Technical High School, but moved to Dearborn in 1952 with her young family to be closer to her sister May. During World War II she worked at the Chrysler DeSoto factory building warplanes while her husband Ted served in the war.

Mrs. Bandyke recalls being told by her supervisors to "slow down" as she was working too fast for the production line. To this day she objects to the request because she was determined to singlehandedly win the war and bring her husband home. Beyond her efficient riveting of the plane wings, she frequently gave blood at the Red Cross. As a Rosie the Riveter, Helen's hard work, grit, and patriotism not only sustained the American war effort, but paved a path for the next generation of working women. After her time on the factory floor ended, she worked as an optician until the age of 81.

An active member of her church, St. Anselm's Parish in Dearborn Heights, Mr. and Mrs. Bandyke served as chaperones for the teen club. She is known for being a friendly face at the Arab American Museum and Wayne County Regional Library for the Blind and Physically Handicapped, where she served as a volunteer. Her lifelong commitment to service reminds us all of the impact that the Rosies have had on our state and nation.

Madam Speaker, I ask my colleagues to join me today in celebrating Helen Bandyke on her 100th birthday. I join with her family—including her three children Sylvia, Mary, and Martin—and friends in extending my best and warmest wishes to her on this special day. I am proud to honor her life, her accomplishments, and her invaluable contributions to our nation.
