Zoom link to follow registration

**Day 2: Monday, June 27, 2022**

11:00a.m. - 1:00p.m. MT

Community Event: Lunch-and-Learn

University of Colorado Anschutz Medical Campus  
Fulginiti Pavilion (Gossard Forum)

Various community organizations will be present to share information and create opportunities to build connections aimed at preventing suicide among women Veterans. Lunch will be provided.

- ★ Women Veterans are an underserved and often overlooked population.
- ★ Firearm suicide among women Veterans is a growing problem both nationally and in the state of Colorado.
- ★ Increasing awareness among clinicians, researchers, and other stakeholders is critical to decreasing suicide and other firearm-related injuries in this population.
