Legislative Provisions

SEC. 8049. None of the funds available in this Act may be used to reduce the authorized positions for military technicians (dual status) of the Army National Guard, Air National Guard, Army Reserve and Air Force Reserve for the purpose of applying any administratively imposed civilian personnel ceiling, freeze, or reduction on military technicians (dual status), unless such reductions are a direct result of a reduction in military force structure.

SEC. 8051. Funds appropriated in this Act for operation and maintenance of the Military Departments, Combatant Commands and Defense Agencies shall be available for reimbursement of pay, allowances and other expenses which would otherwise be incurred against appropriations for the National Guard and Reserve when members of the National Guard and Reserve provide intelligence or counterintelligence support to Combatant Commands, Defense Agencies and Joint Intelligence Activities, including the activities and programs included within the National Intelligence Program and the Military Intelligence Program: Provided, That nothing in this section authorizes deviation from established Reserve and National Guard personnel and training procedures.

SEC. 8058. (a) Notwithstanding any other provision of law, the Chief of the National Guard Bureau may permit the use of equipment of the National Guard Distance Learning Project by any person or entity on a space-available, reimbursable basis. The Chief of the National Guard Bureau shall establish the amount of reimbursement for such use on a case-by-case basis. (b) Amounts collected under subsection (a) shall be credited to funds available for the National Guard Distance Learning Project and be available to defray the costs associated with the use of equipment of the project under that subsection. Such funds shall be available for such purposes without fiscal year limitation.

SEC. 8064. Notwithstanding section 12310(b) of title 10, United States Code, a Reserve who is a member of the National Guard serving on full-time National Guard duty under section 502(f) of title 32, United States Code, may perform duties in support of the ground-based elements of the National Ballistic Missile Defense System.

SEC. 8066. Notwithstanding any other provision of law, the Chief of the National Guard Bureau, or his designee, may waive payment of all or part of the consideration that otherwise would be required under section 2667 of title 10, United States Code, in the case of a lease of personal property for a period not in excess of 1 year to any organization specified in section 508(d) of title 32, United States Code, or any other youth, social, or fraternal nonprofit organization as may be approved by the Chief of the National Guard Bureau, or his designee, on a case-by-case basis.

Items of Interest

SEC. 8120. Of the amounts appropriated in this Act under the heading “Operation and Maintenance, Defense-Wide”, \$75,000,000, to remain available until September 30, 2025: Provided, That such funds shall only be available to the Secretary of Defense, acting through the Office of Local Defense Community Cooperation of the Department of Defense, to make grants to communities impacted by military aviation noise for the purpose of installing noise mitigating insulation at covered facilities: Provided further, That \$56,250,000 shall be allocated to address programs at or near active military installations: Provided further, That \$18,750,000 shall be allocated for programs at or near reserve component installations, of which \$5,000,000 shall be for grants to communities for which a nearby military installation has transitioned to a new type or model of aircraft after January 1, 2019: Provided further, That, to be eligible to receive a grant under the program, a community must enter into an agreement with the Secretary under which the community prioritizes the use of funds for the installation of noise mitigation at covered facilities in the community: Provided further, That as a condition of receiving funds under this section a State or local entity shall provide a matching share of ten percent: Provided further, That grants under the program may be used to meet the Federal match requirement under the airport improvement program established under subchapter I of chapter 471 and subchapter I of chapter 475 of title 49, United States Code: Provided further, That, in carrying out the program, the Secretary of Defense shall coordinate with the Secretary of Transportation to minimize duplication of efforts with any other noise mitigation program compliant with part 150 of title 14, Code of Federal Regulations: Provided further, That, in this section, the term “covered facilities” means hospitals, daycare facilities, schools, facilities serving senior citizens, and private residences that are located within one mile or a day-night average sound level of 65 or greater of a military installation or another location at which military aircraft are stationed or are located in an area impacted by military aviation noise within one mile or a day-night average sound level of 65 or greater, as determined by the Department of Defense or Federal Aviation Administration noise modeling programs.

Items of Interest

ARMY GUARD MULTI DOMAIN OPERATIONS

The Army has not validated any of their division formations as Multi-Domain Operation (MOO) capable, including the eight Army National Guard (ARNO) divisions. The Secretary of the Army is directed to provide a report to the House and Senate Appropriations Committees not later than 30 days after the enactment of this Act and every six months thereafter on which MOO capabilities, either enduring or future, can be incorporated into the ARNO, what further equipment divestitures the Army might require of the ARNO, and the timeframe for the backfill of those divestitures with deployable assets.
