1/ Components of income and taxes are derived from "complete income reporters" only; see glossary at <http://www.bls.gov/cex/csxgloss.htm>

2/ As of 1997 "At least one vehicle owned" was changed to include leased vehicles.

Note: All values have been rounded, and as a result some cell values have been rounded to zero. This is particularly evident in the characteristic section. When data are not reported or are not applicable (i.e., missing values), tabulated cell values have been set to zero. Also note, some data are likely to have large sampling errors.
