# Contribute to the Circular Economy

The simple way to contribute to environmental sustainability and make management easier. Integrating our payment solutions into your business strategy can contribute to your environmental sustainability targets and have a positive impact on the environment.

When you choose a Technology Rotation solution from Dell Technologies, you are contributing to the circular economy through these processes:

## REFURBISHMENT & REMARKETING

**95%** of hardware is refurbished after data sanitization, gaining a second life by being resold<sup>2</sup>

## RESPONSIBLE RECYCLING

The remaining **5%** are recycled in adherence with local regulatory guidelines such as the EPA in USA<sup>2</sup>

\*\*Payment solutions provided and serviced by Dell Financial Services L.L.C., Dell Financial Services Canada Limited or their affiliates or designees ("DFS") for qualified customers. Offers may not be available or may vary in certain countries. Where available offers may be changed without notice and are subject to product availability, applicable law, credit approval, documentation provided by and acceptable to DFS and may be subject to minimum transaction size. Offers not available for personal, family or household use. Dell Technologies and the Dell Technologies logo are trademarks of Dell Inc. Restrictions and additional requirements may apply to transactions with governmental or public entities. **Technology Rotation:** At the end of the fair market value ("FMV") contract, the customer may 1) purchase the equipment for the then FMV, 2) renew the lease or 3) return the equipment to DFS.

**Technology Rotation Promotion:** Applicable for 36-month FMV contract. The total of customer's required monthly contract payments (excluding taxes, fees, shipping or other charges) during the initial term will be less than the original acquisition cost of the products. For qualifying Dell OptiPlex, Latitude, Precision systems, Dell PowerEdge servers, Dell storage (PowerVault and Compellent), Dell networking (switches), Dell Storage, Dell Networking and PowerStore.
