

WSJ Digital Guide

WHAT'S INSIDE WSJ.COM: TIME-SAVING FEATURES

1. Get Up To Speed Quickly

Read the **Latest Headlines** located at the top of the homepage, highlighting the most important and timely news.

2. Simplify Your Company Research

Enter the company name in the search box in the upper right-hand corner of the homepage to access the latest news stories.

3. Increase Your Business Acumen

Delve into **industry-specific news**. Click on the tabs located on the homepage to select your topic of choice, from Business and Markets to Tech and Economy.

4. Go Global

Find WSJ's international news by clicking on the **World** tab and selecting the region.

5. Track Markets, Funds and Institutions

Get comprehensive real-time financial news and data by clicking on the **Markets** tab.

6. Sharpen Your Skills

Try our online "**How-to**" **Guides on Small Business, Personal Finance, Careers, Management and Health**. Located at the bottom of any page in the Tools & Features section - click on Guides.

7. Keep Up

Access the latest political news, polls and opinions by clicking on the **Politics** tab at the top of the homepage.

8. Enliven the News with Videos and Podcasts

Choose from a myriad of topics. Click on **Video** or **Podcasts** at the top of the homepage under The Wall Street Journal logo.

9. Explore the E-Reader and Article Archives

Click on **Today's Paper** in the middle of the top of the homepage for today's print paper and an archive of 7 days of prior papers. Click on **News Archive** under More at the bottom of any page or do an **Advanced Search** to access a four-year article archive.

10. Manage Your Personal Finances

Learn the tricks of managing your money by visiting **Personal Finance** located on the Markets tab.

11. Become a Great Hire

Explore the trends in the job market by clicking on the **Business** tab and choosing Management from the drop-down box, then choose **Careers** further into the site.

12. Be a Forward-Thinker

Stay ahead of the curve and up-to-date with innovations by visiting **The Future of Everything**. Follow our technology columnists (**Columns and Blogs**). Both features are located under the Tech tab.
