

Dell Technologies Proven Professional Program Top 10 Questions

CertTracker - Dell Technologies' Certification Tracking Tool

How do I get a CertTracker account?

For Customers, Partners, and Industry Professionals

A CertTracker account is automatically created if you have:

- Taken a Dell Technologies Proven Professional proctored exam at Pearson VUE
- Completed all course requirements for earning a Dell Technologies SE or Sales Accreditation

Look out for an informative email from Dell Technologies Education regarding your account, subject: Dell Technologies Education Activity Result. This email is sent once your results have transferred over and your CertTracker account is created. You will not be able to log into CertTracker until your data has transferred over. Please allow 5 business days for this data to appear in CertTracker.

For Dell Technologies/subsidiary employees:

A CertTracker account is automatically created if you have:

- Taken a Dell Technologies Proven Professional proctored exam at Pearson VUE

Look out for an informative email from Dell Technologies Education regarding your account, subject: *Dell Technologies Education Activity Result*. This email is sent once your results have transferred over and your CertTracker account is created. You will not be able to log into CertTracker until your data has transferred over. Please allow 5 business days for this data to appear in CertTracker.

A CertTracker account can be manually created if you:

- Need to track Industry Certifications

Employee badge number is required. If you are a Dell Technologies/subsidiary employee and you need to register for a CertTracker account you can [register here](#).

How do I log into CertTracker for the first time?

- Access the [CertTracker website](#)
- Select the Never logged in before? option
- Enter the email address you registered with when you completed the exam
- An email will be sent to you from Dell Technologies Education
- Follow the instructions to reset your password

How do I log into my existing CertTracker account?

- Access the [CertTracker website](#)
- Enter your CertTracker DELLID & password
- Having trouble? Select the Forgot your password or CertTracker DELLID? option

I am able to log into my CertTracker account. However, I do not see my exams or credentials. Where did they go?

Please allow 5 business days for exam data to appear in CertTracker. You will receive an email from Dell Technologies Education, subject: *Dell Technologies Education Activity Result* once your results have transferred over.

If you log into [CertTracker](#) after 5 business days and are not able to see the *Exams* or *Credentials* tabs then you MUST update/confirm your demographic information by following the below steps.

- From the top menu bar Select Demographics
- Update information (i.e. relation to Dell Technologies, email address, phone number)
- Scroll to the bottom of the page and click Update/Confirm

Once you update/verify your demographic information you will be able to see the *Exams* and *Credentials* tabs with your history listed.

Certificates and Dell Technologies Proven Professional Polo shirts

I have not received my certificate. Can you send it to me?

Certificates can be downloaded and are not emailed or mailed out. To view or download your certificates, log into your CertTracker account and go to the *Credentials* tab. All awarded Certificates are reflected under *My Active Credentials*.

I passed the exam so why is my certificate not available and my credential showing as in progress?

If you do not see a Certificate and your credential is showing as in progress, then you have not met all the requirements. Please click on the credential to see what other requirements may be needed.

Please note: The Dell Technologies Proven Professional Program is based on accumulative knowledge. A valid Associate Level certification must be held prior to earning a Specialist or Expert certification. A valid Associate Level and Specialist Level certification must be held prior to earning an Expert certification. Further information can be located in our policies and guidelines document accessed from the [Education Portal](#).

I have earned a Dell Technologies Proven Professional Certification and have not received my shirt. Where is it?

Shirts are awarded for those who earn their first Specialist Certification and for those who earn any Expert Certification. If you have been awarded a Dell Technologies Proven Professional shirt then you can check your fulfillment status under the *Fulfillment* tab in your CertTracker account.
