

GEP KICKS OFF PARTNER SUMMIT TO DISCUSS VISION AND ROAD MAP FOR GEP'S INDUSTRY-LEADING PROCUREMENT AND SUPPLY CHAIN SOFTWARE

- **GEP's partner ecosystem has doubled in size since 2021, with addition of new global and regional consulting firms, system integrators and technology innovators**

Clark, N.J., Sept. 12, 2022 — [GEP®](#), a leading provider of supply chain software and services to Fortune 500 and Global 2000 enterprises worldwide, announced its [GEP PARTNER SUMMIT 2022](#), being held on September 13-14 in New York City. The must-attend event for all GEP partners brings together consulting firms, systems integrators and channel and technology providers, including [EcoVadis](#), [Microsoft](#), [Fluxym](#), [KPMG](#), [Optis Consulting](#), [Pagero](#), [PwC](#), [RapidRatings](#), [RiseNow](#), [TealBook](#), [Whatfix](#), and [Xinergy](#), to discuss how to better leverage [GEP SOFTWARE™](#), the industry-leading procurement and digital supply chain platform.

"We're convening this two-day partner summit to meet the rapidly growing needs of global companies seeking digital solutions to address inflation, supply chain uncertainty and achieve ESG goals," explained Ken Legge, GEP vice president, alliance & partnerships. The [GEP PARTNER SUMMIT 2022](#) is exclusive to GEP partners and features GEP's software vision, product road map vision and technology updates. It provides a forum for partners to share their expertise addressing the most pressing challenges facing GEP's customers, including sky-high costs, sustainability and diversifying

suppliers. It is taking place as a lead-in to GEP's annual global customer conference, [GEP INNOVATE 2022](#), on September 14-16.

"We've doubled the size of our partner base in the last 12 months to make it even easier for companies to deploy GEP's AI-driven software, and transform their procurement and supply chain capabilities," said Legge. [GEP's PARTNER UNITED](#) program offers:

- **Plug-and-play best-in-class third-party technology solutions** in areas such as supplier risk, compliance and collaboration
- **Faster time to market**, leveraging global and local GEP-certified implementation and channel partners

The [GEP PARTNER UNITED](#) program provides alliance partners with a range of benefits, including:

- **Customer growth** by leveraging **GEP SOFTWARE**, led by its AI-powered unified source-to-pay solution [GEP SMART™](#), named the world's best procurement software for the second year in a row, and [GEP NEXXE™](#), the next-generation supply chain unified platform
- **The Partner Academy Learning Management System**, with the same technical training, certification and accreditation that GEP's professional services team receives
- **Industry technical experts**, sales resources, and co-marketing resources to drive demand and revenue, including access to a secure Partner Portal with a Partner Resource Center, deal registration and software documentation and release notes

About GEP

GEP® delivers transformative supply chain solutions that help global enterprises become more agile and resilient, operate more efficiently and effectively, gain competitive advantage, boost profitability and increase shareholder value.

Fresh thinking, innovative products, unrivaled domain expertise, smart, passionate people — this is how [GEP SOFTWARE™](#), [GEP STRATEGY™](#) and [GEP MANAGED SERVICES™](#) together deliver supply chain solutions of unprecedented scale, power and effectiveness.
