 Previous determination(s). File no. and date of response letter: [Click here to enter text.](#)
 Applicable/supporting case law: [Click here to enter text.](#)
 Applicable/supporting scientific literature: [Click here to enter text.](#)
 Other information (please specify): August 3, 2018 Site Visit

B. REQUIRED ADDITIONAL COMMENTS TO SUPPORT JD. EXPLAIN RATIONALE FOR DETERMINATION THAT THE REVIEW AREA ONLY INCLUDES DRY LAND: The site was visited on 8-3-2018 by USACE staff and agent. The site would be limited to Park Ridge Road right of way. There were multiple culverts along the road. However, the drainage areas did not develop bed, bank, or ordinary high water marks. The site did not contain any waters and was determined to be dry land.

¹ This form is for use only in recording approved JDs involving dry land. It extracts the relevant elements of the longer approved JD form in use since 2007 for aquatic areas and adds no new fields.
