Experience two days and nights of discovery and fun in a one-of-a kind galactic adventure.

If you've ever imagined what it would be like to actually enter the world of *Star Wars*—here's your chance. On *Star Wars: Galactic Starcruiser* which launches March 2022 at *Walt Disney World*® Resort, you can become part of the *Star Wars* world like never before.

## **A FIRST-OF-ITS-KIND EXPERIENCE**

While passengers are onboard the glamorous *Halcyon* starcruiser, they are fully immersed in the world of *Star Wars* and have the ability to choose their own path as the story unfolds. Passengers

can interact with the Characters and become part of the story in ways like never before.

## **HOW IT BEGINS**

When you arrive at the terminal at *Walt Disney World*® Resort you'll be escorted to a launch pod where you will travel to the *Halcyon* starcruiser. You'll not only stay among an eclectic collection of *Star Wars* Characters, but most importantly, interact and experience adventures with them.

After getting settled in your cabin with its views of space, you will be invited to a muster, where you'll meet many of the Characters and your fellow passengers. From there, what happens next during your stay is up to you.

## **INTERACTING WITH CHARACTERS**

Guests will have plenty of opportunities to interact with the Characters which can lead to many interesting adventures. For instance, you may find yourself sipping a relaxing drink in the lounge one minute, only later to be involved in a

job smuggling coaxium from the planet Batuu. You wanted an adventure—you're getting it!

### IMMERSED IN A DIFFERENT WORLD

Even what you eat and the entertainment you watch feels as if it's all from a different galaxy. The *Star Wars: Galactic Starcruiser* chefs have created delicious foods and beverages that combine a galactic look with tantalizing tastes. Each bite or sip you enjoy reflects the world you're in, and the story in which you're immersed. And if you've never enjoyed galactic musicians, now's the time to tap your toes to out-of-this-world tunes performed by some truly interstellar stars.

### TAKE AN EXCURSION TO BATUU

One of the highlights of your voyage is a planet excursion to Batuu where you will complete exclusive missions in *Star Wars: Galaxy's Edge*. Stories that began on the starcruiser may play out here, putting you in touch with more Characters leading you down new and unexpected story paths.

### STORYTELLING THAT SPANS THE *STAR WARS* GALAXY

Disney Imagineers carefully designed the stories that take place on *Star Wars: Galactic Starcruiser* to intersect with *Star Wars: Galaxy's Edge*. In fact, the teams were working on the stories simultaneously while both *Star Wars: Galaxy's Edge* and *Star Wars: Galactic Starcruiser* were in development. The team also worked closely with Lucasfilm so the Characters and actions on the starcruiser connect with the actions and Characters *Star Wars* fans know and love, as well as introduce them to new ones. It's a completely integrated world with incredible depth and breadth.

### PARTICIPATE YOUR OWN WAY

Whether you're a *Star Wars* expert or just someone seeking a little galactic travel, the experience has been designed for everyone to share and enjoy. Guests can choose to engage in the fun as much as they want. Some may want to be very active, while others may prefer to simply watch the story unfold. # A Show High in the Sky, Disney KiteTails

Enjoy an enchanting dance of wind, water, color and imagination during Disney KiteTails, at the Discovery Island Theater at *Disney's Animal Kingdom*® Theme Park.<sup>9</sup>

When a new show was requested at *Disney's Animal Kingdom*® Theme Park for the 50<sup>th</sup> anniversary celebration of *Walt Disney World*® Resort, the initial directions were clear: create a daytime show that's colorful, unique, focuses on Disney animal Characters and oh, by the way, uses kites. That initial direction sent Mark Renfrow, Show Director, and the creative team on a two-year exploration that turned out to be uplifting in every sense of the word.

Guests can experience the awe-inspiring results during Disney KiteTails, a new experience which performs multiple times throughout the day at the Discovery Island Theater at *Disney's Animal Kingdom*® Theme Park at *Walt Disney World*® Resort.

From the moment Guests enter the theater area, they'll be excited by a preshow. Feather banners, wind catchers and wind socks representing 24 different Disney animal Characters, dance in the breeze. As a rhythmic world-music-inspired score fills the air, towering kites come to life and begin interacting with Guests.

**“Disney KiteTails combines the magic of the Disney Characters, natural elements and Disney storytelling like never before.”**

*-Mark Renfrow, Show Director*

When the actual experience begins, hang onto your mouse ears, because you've never seen anything quite like it. Disney animal Characters are captured in a variety of kite forms. During the two different experiences which happen throughout the day, you can see eight to 30-foot, three-dimensional inflatable kites featuring either some favorite Characters from *The Lion King* or *The Jungle Book*. Dozens of kites linked in what

Renfrow calls “kite trains” depict monkeys cavorting over the banks of the Discovery River. “One of my personal favorites is a kite train of gigantic elephants that march through the theater,” Renfrow says. “I also love the finale when a 40-foot-long, three-dimensional adult Simba kite appears,” Renfrow says. “It's so awe-inspiring. I love watching our Guests react to KiteTails. It's an experience that always lifts their spirits!”

As you experience the wonder of the 50<sup>th</sup> anniversary offerings like Disney KiteTails, remember to take home special mementos of your visit celebrating this milestone. **Be sure to use your 10% off select merchandise purchases of \$50 or more at select locations throughout *Walt Disney World*® Resort.**<sup>4, 8</sup>

# Flavors to Please Every Palate from Sweet to Savory, Light to Hearty

Discover a banquet of new recipes at the *2022 Disney California Adventure*® Food & Wine Festival at the *Disneyland*® Resort.<sup>9</sup>

When you're hungry, what do you reach for first—a salty snack, a sweet treat, or something creamy, savory or tangy? Whatever your favorite taste sensation, you'll find something delicious to satisfy all your cravings at the Food & Wine Festival at *Disney California Adventure*® Park running March 4<sup>th</sup> through April 26<sup>th</sup>.

“Our challenge every year is finding ways to do something different,” says Chef Jimmy Weita who oversees the food offerings for the event. “We always bring back some of our Guests' favorite dishes, but this year, 80% of our menu is new. Our Guests love trying new things and they'll be able to do that at all of our themed marketplaces.”

Each year Festival chefs develop new recipes which go through many rounds of tasting and testing. “Our chefs often reach back into their own lives for flavors they recall and love and then use them for inspiration. I call the process

‘memory to table,’” Weita says. “This is what sets us apart at Disney—our focus on creativity which leads us to explore, imagine and recreate.”

While you're enjoying all the tempting tastes at the marketplace, take time to enjoy live musical performances, plus culinary demonstrations each weekend featuring local, Disney and celebrity chefs, as well as beverage education and tasting seminars. Kids can cook up some fun, by seeing Chef Goofy and delighting in the sounds of Jammin' Chefs. Note: Beverage education seminars are separately-ticketed events. Find out more at [Disneyland.com/FoodandWine](https://Disneyland.com/FoodandWine).

It's easy to explore different taste options with a Festival Sip and Savor Pass. For more information, visit [Disneyland.com/FoodandWine](https://Disneyland.com/FoodandWine). **Cardmembers can redeem their Disney Rewards Dollars toward purchasing the pass.**<sup>2</sup> And be sure to read the Limited-Time Offers on page 15 for a special Cardmember offer for the Festival.

# Growing Up's a Beast

Share the fun of Disney and Pixar's new fantasy-comedy, *Turning Red*, streaming exclusively on Disney+ March 11<sup>th</sup>.

As if being 13 years old, with its emotional rollercoaster of ups and downs, isn't hard enough for most teenagers, smart, confident and somewhat dorky Meilin has another really big issue to deal with as well. And not only is it big, it's also bright red and very, very fluffy. Because whenever Meilin Lee gets too excited (which is practically ALWAYS) she poofs into a giant red panda.

"Also, since Meilin and her family are of Chinese descent, it made sense for the symbol of her family to be an animal native to China. Red pandas sleep all day and eat junk food, which feels very teenager-y. And though they look cute, they can become ferocious if they feel threatened, similar to Meilin who can be pleasant until you diss her favorite boy band 4\*Town."

## A NEW TWIST ON TEEN ANGST

"The inspiration for this story came from my relationship with my mom," says Domee Shi, Director, who's also a Writer. "I wanted to explore that moment when you start changing from being your parent's kid to your own independent person. Meilin genuinely loves her mother, her culture and her family, but she's realizing she's different from them. How does she balance her family's expectations with being herself? I think a lot of kids and adults struggle with this."

But why a red panda, rather than say—a tiger? "The red panda is a metaphor for the changes Meilin is going through," says Shi.

**"I hope kids who watch the film learn that the changes happening to them are okay, that puberty can be laughed at, and that EVERYONE goes through it."**

— Domee Shi, Director, who's also a Writer

## BUILDING A RED PANDA

"Red pandas are very appealing," says Jason Deamer, Character Art Director for the film. "We like the idea of an animal that was cute and cuddly, but also gigantic!" Deamer and the character design team spent hours in the red panda habitat at the San Francisco Zoo observing and studying these remarkable animals. Then it was back to the drawing boards.

Although red pandas aren't built like humans, their facial proportions and placement of their eyes are similar to that of a human face. When we designed the red panda, we were careful to put the snout and mouth in the same relationship as Meilin's so her transformation from young girl to huge panda feels believable."

## CAPTURING EXPRESSIONS

“Expressions are unique to each of the characters in the film. We wanted the red panda to have the same expressions as Meilin, but because the red panda is so large, its facial expressions became very extreme. We had to simplify them quite a bit,” Deamer says. “We were inspired by the simplified expressions in anime films.”

## FLUFFY, FURRY AND RED

Although we often think of pandas as being black and white, some are reddish brown. The character art team wanted something colorful, so they pushed the color to bright red, in an effort to match Meilin’s bright red hat and sweater.

And then there was the fur. A lot of it. “Fur has volume,” Deamer explains. “So when we started adding fur to the red panda’s underlying body structure, suddenly it was way too fluffy. We had to resculpt the body several times to compensate for the fur’s volume.” In addition, millions of individual strands of fur had to be computer rendered.

## THE CHALLENGE AND THE FUN

Creating the red panda took nearly a year and a half. “We went through many iterations on paper, then built clay models three different times. Then we did the computer model version. It was really tricky,” Deamer recalls.

But in the end, the challenging work was worth it as the lovable character came to life on screen.

“I’m most proud of finishing this film during a global pandemic!” says Shi. “Despite the challenges we all faced, our crew made a beautiful, funny, unique film, and had fun doing it.”

“I loved working on the red panda,” Deamer adds. “I think audiences are going to love this character. I know I do.”

Check out Disney•Pixar’s *Turning Red* streaming exclusively on Disney+ beginning March 11<sup>th</sup>. Use your Disney Rewards Redemption Card to redeem Disney Rewards Dollars at [shopDisney.com](https://shopDisney.com) to pick up merchandise inspired by the film.<sup>2</sup>
