

HUMANITARIAN RESPONSE PLAN SUMMARY 2023

EL SALVADOR

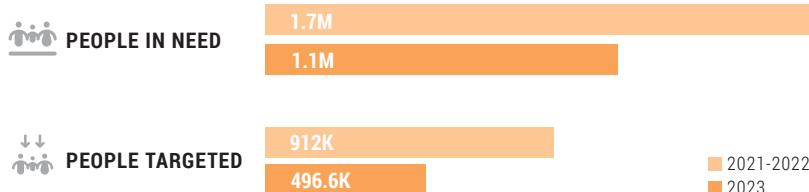

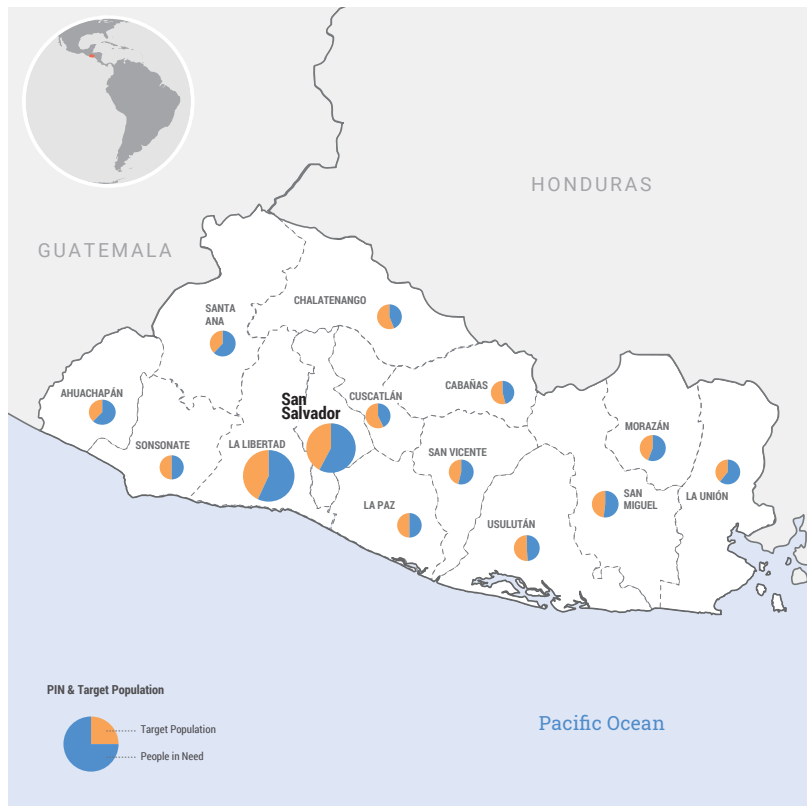

HUMANITARIAN PROGRAMME CYCLE
2023

PEOPLE IN NEED
1.1M

PEOPLE TARGETED
496.6K

REQUIREMENTS (US\$)
\$98.4M

STRATEGIC OBJECTIVES

- Protect and save lives through humanitarian assistance to meet the urgent needs of vulnerable people at risk of emergencies and disasters linked to climate change and disasters, violence, public health emergencies, migration and forced displacement, with a focus on human rights, protection, age, gender and diversity.
- Scale up response for sustainable solutions and for access to rights through the humanitarian, development and peace triple nexus, ensuring timely access to essential services, restored livelihoods and self-sufficiency for vulnerable people at risk of emergencies and disasters linked to climate change and disasters, violence, public health emergencies, migration and forced displacement, with a focus on human rights, protection, age, gender and diversity.
