

HealthShare Referral Manager (HSRM): Account Creation for Community Providers

Is your organization ready to start using HSRM?
Make sure you satisfy the following prerequisites:

1. Your organization has either
 - a. an active Community Care Network (CCN) agreement with Optum or TriWest, *OR*
 - b. an active Veterans Care Agreement (VCA) with a VA Medical Center
2. The agreement specifically identifies all NPI numbers VA can assign referrals

Figure 1: HSRM Account Creation Steps For Community Providers

- Step 1** **Training:** Each staff member attends virtual training or completes the eLearning lessons
- Step 2** **ID.me:** Each staff member creates an ID.me account and verifies their identity at <https://www.id.me/>
- Step 3** **Submit EUT:** One facility point of contact (POC) fills out the End User Tracker (EUT), then sends it to hsrmsupport@va.gov
- Step 4** **Receive Accounts:** Help Desk creates accounts in HSRM, then provides confirmation of account creation to the facility POC
- Step 5** **Log Into HSRM:** Each staff member logs into HSRM at <https://ccracommunity.va.gov>

Once these steps are complete, contact the VA Medical Center(s) you work with to let them know you have access to HSRM and to discuss your transition to using HSRM.
