Introduction

Burial benefits are gratefully offered to eligible Veterans, their spouses and dependent children by the Federal Government, through the Department of Veterans Affairs' (VA) National Cemetery Administration (NCA) and are earned by military service to our Nation.

These benefits are potentially worth thousands of dollars but are provided at no cost. A national cemetery burial includes:

- The gravesite.
- Opening and closing of the grave.
- A headstone or marker.
- Perpetual care as part of a national shrine.

FAQs

Eligibility

National cemetery directors have the primary responsibility of verifying the Veteran's eligibility for burial in a national cemetery. The Department of Veterans Affairs regional offices (VARO) may also assist. Those eligible for burial benefits include:

- Active-duty members who die while serving honorably. Veterans who have served some active duty other than as a Reservist for training and were discharged under other than dishonorable conditions.
- Reservists and National Guard members who, at the time of death, were entitled to retired pay, or would have been entitled had they been over the age of 60.
- Certain National Oceanic and Atmospheric Administration (NOAA) and Public Health Service (PHS) officers and WWII Merchant Mariners.
- Spouses and surviving spouses who meet eligibility requirements.
- Dependent children under age 21, under age 23 if still in school, or of any age if disabled while qualifying in one of the former categories.

How

To establish eligibility, you must provide the death certificate and the Veteran's DD Form 214, which shows:

- Period(s) of active-duty service
- Characterization of discharge

Note: Eligibility requirements were developed over many years through legislation and regulations. This publication does not cover all possible situations for or against establishing eligibility.

Contact

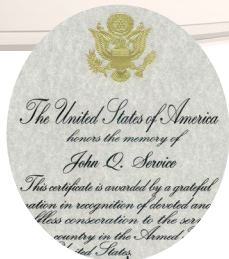

Call **(800) 827-1000** to receive more information.

Extensive information is also posted on the National Cemetery Administration's (NCA's) website at: <https://www.va.gov/burials-memorials/eligibility/>.

Presidential Memorial Certificates (PMC)

A Presidential Memorial Certificate (PMC) is an engraved paper certificate that honors the memory of honorably discharged deceased Veterans who are eligible for burial in a

national cemetery. Next of kin, other relatives, and friends may request PMCs.

How

There is no time limit for requesting the certificate(s), but requests should include a copy (not the original) of the deceased Veteran's discharge document and death certificate, and must clearly indicate to what address the certificate(s) should be sent.

For more information about PMCs and obtaining a

Presidential Memorial Certificate Request Form, (VA Form 40-0247), go to: www.cem.va.gov/pmc.asp.

The form is also available at <https://www.va.gov/vaforms/va/pdf/VA40-0247.pdf>.

Committal service

A military funeral for a Veteran or service member is a memorial service held at national cemeteries with dignity and respect.

When family and loved ones arrive at the cemetery, a cemetery representative will meet the survivors and give them the deceased's burial documents. They'll lead those who are gathered to honor the deceased, to a committal shelter. The committal service takes place at this location, **not at the gravesite**, and lasts for about 20 minutes. The burial happens after the committal service.

The family may choose to have readings by a friend, family member, or member of the clergy of their faith. They may also request to have military funeral honors performed at the committal shelter.

Note:

Viewing facilities aren't available at national cemeteries; the family must arrange for funeral services at a different location.

Military Funeral Honors

- The Department of Defense (DoD) is responsible for providing honors at Veteran funerals.
- Two uniformed persons are required with at least one from the service of the deceased. They fold the burial flag and present it to the next of kin.
- Taps is played by a bugler, if available, or through a recording.
- Active-duty personnel participate where available. Veterans Service Organizations often provide volunteers when active-duty personnel are not available.
- A rifle detail and color guard.

How

Funeral home directors request honors on behalf of the Veterans' family. Help and assistance is also available from the following resources:

- Veterans Service Organizations or volunteer groups may help provide military funeral honors.
- VA can help arrange military funeral honors for burials at VA national cemeteries.

For more information, call the nearest national cemetery or **800-535-1117**, or

Burial Flag

A burial flag (cotton U.S. flag) is available to drape the Veteran's casket or urn during the funeral. The flag is presented to the next-of-kin at the conclusion of the funeral.

Note: Flags may be donated to a national cemetery for use in their "Avenue of Flags" display on designated holidays.

How

Funeral home directors usually obtain the flag for the Veteran's family. Flags may also be secured at most U.S. Post offices and VA regional offices. VA's Veterans Benefits Administration (VBA) administers the burial flag program.

To obtain a flag for a funeral, fill out VA Form 27-2008, Application for United States Flag for Burial Purposes (<https://www.vba.va.gov/pubs/forms/VBA-27-2008-ARE.pdf>).

Headstones and Markers

Burial in a national cemetery includes the headstone or marker. When more than one family member is interred in the same gravesite, both sides of the upright headstone are used.

If a Veteran is buried in a private cemetery, anywhere in the world, the Department of Veterans Affairs (VA) provides a headstone or marker.

The funeral home director usually orders the headstone or marker for the Veteran's family if the burial is not in a Veterans cemetery.

Styles: Headstone and Marker

- Flat bronze, granite or marble markers and upright granite or marble headstones are available. In national cemeteries, the headstone or marker style must be consistent with existing monuments at the place of burial.
- Niche markers, or medallions, are also available to mark columbaria used for inurnment of cremated remains.

Inscriptions

Government-furnished headstones and markers must be inscribed with the name of the deceased, branch of service and the year of birth and death (in this order). They may also be inscribed with other markings, including

Burial Allowances

16

VA burial allowances are flat-rate monetary benefits that are generally paid at the maximum amount allowed by law for an eligible Veteran's burial and funeral costs. Eligible survivors are paid automatically upon notification of a Veteran's death, without the need to submit a claim.

If the Veteran had a **service-related** death on or after September 11, 2001, the maximum burial allowance is \$2,000.

There are **non-service-related** death rates payable if the Veteran was hospitalized by VA at the time of his or her death:

- If the Veteran died on or after October 1, 2019, VA will pay up to \$796 burial allowance and \$796 for a plot.
- If the Veteran died on or after December 1, 2001, but before October 1, 2011, VA will pay up to \$300 burial allowance and \$300 for a plot.
- An annual increase in burial and plot allowances for deaths occurring after October 1, 2011 began in fiscal year 2013 based on the Consumer Price Index for the preceding 12-month period.

National Cemetery Administration

The Department of Veterans Affairs' (VA) National Cemetery Administration (NCA) maintains 143 national cemeteries in 40 states (and Puerto Rico) as well as 33 soldier's lots and monument sites across the Nation. The cemeteries honor deceased Veterans and family members "with a final resting place and lasting memorials that commemorate their service to our Nation".

Burial options may include a full casket burial or burial of cremated remains in a columbarium niche, in-ground or in a scatter garden.

Immediate family members buried at the same cemetery are generally interred in the same gravesite.

Note: NCA Statistic:
Over more than 3.7 million Veterans lie buried in VA's national cemeteries as of May 2020.

What can I do now to prepare for burial in a national cemetery?

Advise your family of your wishes and tell them where your discharge papers are kept. These papers are very important in establishing your eligibility. At the time of need, your family will contact a funeral home who will assist them with making burial arrangements at the national cemetery. You may wish to make pre-need arrangements with a funeral home.

To schedule a burial:
