MEMORANDUM FOR Commander, Sacramento District US Army Corps of Engineers,
ATTN: Ms. Brooke Schlenker (CESPK-PD-P)

Subject: Review Plan Approval for Delta Islands and Levees Feasibility Study (Delta Study)

1. The enclosed updated Review Plan for the Delta Islands and Levees Feasibility Study (Delta Study), dated 12 December 2012, has been prepared in accordance with EC 1165-2-214. The Review Plan has been coordinated internally within the District Support Team and with the Flood Risk Management Planning Center of Expertise (PCX). PCX will serve as the Review Management Office.
2. With MSC approval the Review Plan will be made available for public comment via the internet and the comments received will be incorporated into future revisions of the Review Plans. The Review Plan does include independent external peer review.
3. I hereby approve this Review Plan, which is subject to change as circumstances require, consistent with study development under the Project Management Business Process. Subsequent revisions to this Review Plan or its execution will require new written approval from this office.
4. For any additional information or assistance, contact Karen Berresford, District Support Team Lead, (415) 503-6557, Karen.G.Berresford@usace.army.mil.

MEMORANDUM FOR: Commander, South Pacific Division, ATTN: CESPD-PD-C
(Berresford)

SUBJECT: Review Plan Approval for Delta Islands and Levees Feasibility Study (Delta Study)

1. The enclosed Review Plan for the Delta Study has been prepared in accordance with EC 1165-2-209. The Draft SPD Review Plan Checklist for Implementation and Decision Documents and the SPD Regional Supplemental Review Plan Checklist are included in the Review Plan in Attachment 5.
2. This Review Plan describes the overall quality management strategy and activities anticipated for the subject study. The Agency Technical Review (ATR) team lead has been identified and the ATR team and Independent External Peer Review (IEPR) team are being identified. A life safety risk is present for this study and therefore an IEPR I and IEPR II will be conducted.
3. For further information, contact Ms. Brooke Schlenker, Lead Planner, at (916) 557-5299.
